Senior Class Officers

Harold Mains: "Birdie" has been a hard worker with good ideas in his work as Volcano co-editor this year. He has been a member of the mixed chours for four years, and has participated in dramatics. He was elected secretary of Hi-Y, and was chosen as class President this year, which shows him to be very popular fellow. Harold's ability guarantees his success.

Harold Geyer: "Hal" has been the "pep" of his class for four years, and has been an outstanding figure in athletics.

Since his first year on the varsity football squad, his sophomore year, he has always given everything he had. This year he was elected a co-captain. He has also participated in basketball, track, Hi-Y, and FFA.

Dixie Larson: "Dix" possesses a very pleasing personality which has won her the honor of class secretary in her junior and senior years. She has served her class very efficiently, and was also a homecoming attendant this year. She has worked hard and faithfully in Y-Teens, Library, and on the Volcano staff.

Carl Peterson: "Pete" has been an outstanding scholar in the class through out his high school career. He has participated in all sports, Hi-Y, and vocal music. His abilities extend far beyond average both as a student and a capable leader.

Class History
In the fall of 1944, 62 green and glowing freshmen entered V. H. S. Rural students entering the class were: Everett Ackerman, Chatham Anderson, Willard Andrew, Arlene Beavers, Herb Bashaw, Mary Baker, Cleta Carlson, Melba Chrisman, Joe Copelin, Janice Fast, Marvin Focht, Harold Geyer, Dorothy Hill, Janice Jackson, Henry Kernen, Wayne Kerr, Dixie Larson, Bonnie Firkins, Dale Briggs, Delores Cork, Glen Givan, Rex Givan, Dean Kuhn, Kenny Moore, Anna Marie Rhamy, Helen Rockwell, Clark Shaffer, Ruby Thomas, Doris Winter, Oliver Murren, Jean Osborn, Betty Ritnour, Harry Rubin, Kenneth Shepherd, John Shipley, Rudy Titsworth, and Eldon White.
All of the new students became acquainted at the recreation center in the Odd Fellow's Hall.
The first big event of the year was the Atlantic Music Festival held in Atlantic. Eleven freshmen were in the mixed chorus, which rode to Atlantic in Marsh's semi-trailer that cold November morning. They stayed at the Cardio Hotel and turned the place into an uproar in no time.
Another big event of the year was the leap year party, a girl-ask-boyaffair, you know.
Four new students joined the class in our sophomore year; Carolyn Stuelke, Darwin Wirth, Eldon Hendrickson, and Larry Gustafson.
The junior class of '47 was organized with Frank Froyd as president, Helen Rockwell, Vice-president, Dixie Larson, Secretary, and Lea Danielson as treasurer. Everybody worked by turns at the coke stand at the basketball games, and the class play, If This Be Bliss was given under the direction of Mrs. Whitmore. These two activities provided money for the Junior-Senior Banquet, at which the Juniors were hosts. The theme was Dutch, and a banquet for 125 was held in the Methodist church. Rachel Pogue entered the Villisca High School in the fall of 1946 having taken her first two years at Grant school.
This year the class became seniors and have held responsibilities in activities, and have made a good name in athletics. This year's class officers are: Harold Mains, President, Harold Geyer, Vice-president, Carl Peterson, Treasurer, and Dixie Larson, Secretary, and class sponsors are Mr. Spicknall and Mr. Dye.
So ends our high school history, but we're hoping it's not the last history we'll make. We now leave it to the Juniors and underclassmen to keep history alive in V. H. S.

YR1948PG015
Class Will of '48
We, the Senior Class of 1948, being sound of mind (?) and body, do hereby bequeath the following to the very lucky, lucky under classmen.
Everett Ackerman wills his boisterous personality to that quiet little fellow, Richard Hart.
Chatham Anderson reluctantly gives her speaking ability to Mildred Waterman. Make good use of it, Mildred, Chatham did.
Larry Gustafson leaves his camera outfit to David Penwell—can't you see it all now?
Willard Andrew wills his warbling ability to Buck Darnold and John Murren—hope you guys don't run Bing out of business.
Mary Jo Vernon proudly presents her way with Mr. Hentsch to Mary Jane Forsythe.
Jeanette Arbuckle and Helen Rockwell very regretfully give up their attraction to older men to Jeannie Taylor and Tiny Still, don't abuse the privilege, girls.
Rachel Pogue bequeaths her No. 11 basketball suit to Jini Froyd. Take good care of it. Rachelle prizes it highly.

Doris Winter surrenders her quiet, solitary hermitage to Meri Hill. And remember the old, reliable Winter motto, Meri, "No visitors allowed."

Jimmie Cartwright wills his calm, cool disposition to Merrill Nisely. Not that you need it, Merrill.

Anna Marie Rhamy and Darwin Wirth give their exciting love affair to Betty Rhamy and Delmar Wirth. Best to keep things in the family.

Kenny Moore, wills his curly black hair to Mary Lou Still. He says she has half of it anyway.

Francis Weaver sadly leaves his driving ability to Paul Poston. That means you're an excellent motorman now, Paul.

Joe Copelin leaves his position in Co. F. to Lawrence Hoyt.

Ruth Lewis wills her A's to Russell Loghry. Of course, you'll have to study a little, Russ.

Lois Neal wills her quiet, likable way to Ruth Hewitt. Put it to good use. Betty Finkle leaves her ticket-selling ability to her sister Barbara Finkle.

Now that she's out of Y-Teens, Betty doesn't think she'll have much use for it. Carolyn Stuelke wills her nickname to Lucille "Pug" Morehouse. It's a great honor so live up to it, Lucille.

Harold Geyer wills his love for wrestling to Art Anderson. Be careful, Gwen.

Harold Mains leaves his executive ability to Bob Marsh. Don't spend too much time or money using it, though, Bob.

Ruby Thomas gives her numerous trips to Red Oak to Jenny Roberts. You are to take up where Ruby left off, Jenny.

Bob Scott and Richard Fastenau bequeath their job of changing the canopy at the Rialto to Corliss Graham and Mary Jane Waage.

Lois Jean Craney wishes to will her giggle to Mary Lonire. Lois Jean can now give a sigh of relief.

YR1948PG016

Class Will -- cont.

Merrill Nisely now owns all of the 31 Chevy because Bill Wills decided to give it away before it falls apart.

Gilbert Westover leaves his pool abilities to Dean Morehouse.

Dixie Larson wills her blondness and height to Betty Else. Don't be surprised if you are called "Blondie", Betty.

Arlene Beavers proudly presents her set of freckles to Bob Taylor, just in case he ever runs a little low.

Ruth Neal leaves her love for books to Bennie Gage—of course we all know Bennie doesn't need this.

Wayne Kerr leaves his knack of always having his lessons in on time to Keith Moore. Those A's will come in mighty handy, Keith.

Herb Bashaw wills his guard position on the football team to Kenneth Olman.

Bill Cunningham bequeaths his knack of going steady to John Focht.

Carl Peterson wills his ability to get A's without studying to Leo Gourley. Dorothy Hill leaves her height to Gwen Baker. She's catching up with you, Art.

Janice Fast presents her love for Stanton to Alfreda Karle. Here's to more fun, Karle.

Raymond Frist wishes to will his ability to sleep in classes to Ruth Stanke. Just don't snore Ruth.

Marvin Focht leaves his art of blowing bubble gum to Norma Warner. Gosh, Norma maybe you will be champ some day.

Cleta Carlson wishes to will her job as Mr. Spicknall's secretary to Herb Phillis. (Take a letter, please, Herbert.)

Frank Froyd leaves his black bow tie and striped overalls to Mr. Vernon. Leatrice Danielson bequeaths her sweaters to Marilyn Tyler. And do be careful with them, won't you, Marilyn.

Marjorie Fisher gladly leaves her willowy figure to Joanne King.

Melba Chrisman is at last giving up her slender out-look on life to Bill Perkins. Now you can send back the DuBarry Success Course, Bill.

Clark Schaffer wills his muscles to Jerry Ziehe. Don't use them too extensively, you musclebound character.

Janice Jackson is leaving her economic and government workbooks to Phillis Halbert. Lucky kid.

Don Garey is willing his handsome profile to Carl Finkle. Some people get all the breaks.

Mary Baker presents her poetic ability to Roy Kraack. The purpose is to help you out with your romantic intentions, Roy.

And last but far from the least, Henry Kernan bequeaths his calm, authoritative manner to Darwin Kendrick.

In leaving all our most prized possessions behind, we leave our high standards to the future seniors. May the fine examples we have set be an asset to each of you.

We have on this given our sign and hand in the writ-
ing of this document, and hereby claim it to be our will.

YR1948PG017

Class Prophecy

We, the notorious seniors (who should have been notable,) of the class of '48 do hereby gaze back through the years to let you know what happened to our honorable classmates.

I suppose all of you remember Janice Jackson, the gal who started out to be a nurse? You'll find her still living with her parents and wondering if Howard will ever pop that question.

You remembered how Chatham and Harold M. were inseparable? Well, Chatham and Frannie have been married for 18 long years, and G-I-R-L-S, Birdie is still an eligible bachelor, who is famous all over the world for his sky-blue-pink, no wrinkle, no soil, no bind neck-ties, manufactured in the old chicken house in his back yard.

Dixie Larson, as you know was quite popular in school has purchased a small house near the edge of Clarinda (north edge) and is very happy with the padded walls. She doesn't know others live on the estate.

Gib Westover who was always chasing Leatrice, finally captured her beauty and they're happily married with seven children. By the way, they live in Chicago on a small estate in the sub-way.

Bill Wills, has driven his thirty-three Chevrolet from one end of the United States to the other four times now, looking for his long lost love.

Kenneth Moore thought he'd found his mate back in '48, but later on he discovered that Ruth Lewis was really the one he cared for. They are living in Oregon with their two daughters.

Rachelle Pogue has just filed suit for her fifth divorce. She's hoping it will be granted for her latest love is Gregory Peck.

We always thought Anna Maria would marry Darwin Wirth, but we see that she is enjoying her tenth anniversary in Washington with her husband Clark Schaffer who is a congressman from Iowa. By the way Darwin is the mayor of Nodaway.

And now we gaze upon the newly weds Mr. and Mrs. Wayne Kerr, the Mrs. Kerr formerly known as Mary Jo Vernon. They are living on a farm on the outskirts of Morton Mills.

Doris Winters whose ambition was to be a secretary is working in the "Woodman of the World Building" but not as a secretary. She is scrubbing floors to support her family and husband who is Frank Froyd.

The song and dance girl "Torchy Finkle" better known as Betty Lou Finkle, is now warbling in the most glittering of night clubs in Tenville.

Midge Fisher the successful secretary finally popped the question to the famous Pro-football player Herb Bashaw who blushinglly accepted.

Henry Kernan has become a successful farmer and has just built his thirteenth silo, it's a hobby we understand.

With the former Lois Jean Cooney as his wife, they're very happy.

YR1948PG018

Class Prophecy - - cont.

Cleta Joy Carlson is happily married to Larry Gustafson because Harold beat her up once too often. She took it seriously and left him flat. Harold is not discouraged however. He has lately been seen with the Democrat's best politician, Jeanette Arbuckle.

The Madams Ruby Thomas and Carolyn Stuelke are sponsoring their fifteenth style show in their little shoppe in Red Oak.
Melba Chrisman and her fiance after these last twenty years of courtship are finally ready to be married. Her father gave her permission.
Professor Arlene M. Beavers is now teaching at Harvard. She and Professor Carl Peterson are engaged.
Dorthy Hill and Jimmie Cartwright are known to the world as the "Song and Dance Team of the Barnum & Bailey Circus."
The producer, Richard Fastenau, has just finished his thirty-fifth movie. His wife is the former Janice Fast.
The present president of the Villisca lumberyard is Bob Scott. His work is done efficiently by Mary Baker his secretary.
Ruth Neal is the first lady Governor of Iowa. Her campaign manager was Joe Copelin, the famous political speaker. No wonder she is now the first lady of Iowa.
The law firm of Ackerman & Andrew of Villisca have just won their thirteenth divorce case.
Bill Cunningham is known as "Bill the Butcher." He is employed at the Villisca meat market cutting ham.
Mr. and Mrs. Marvin Focht are known as the "Hillbilly Songbirds of KMA." Mrs. Focht is the former Lois Neal.
Reverend Garey has returned from Africa where he is busy as a missionary teaching the natives "Bonga, Bonga do not leave the Congo."
Superintendent Raymond Frist of Villisca Public Schools has finally married. The lucky one was the former Helen Rockwell.
The class of '48 have certainly been busy these last twenty years.

YR1948PG019
Out Class Poem
At the head of our class, may we present—
Kenny, Frank, and Gib, who were heaven-sent.
Focht and Kerr, were also on the team,
Always in there pitching and on the beam.
If you're looking for pep, vim, vigor and glee,
Just see our cheerleaders, Itch, Dorie and Lea.
Down in Miss Anderson's room, there's Frannie, Harold and Bob,
Three guys who really like to croon, and do a darn good job.
Janice, Pug, and Helen, three musical misses,
We like their singing, but some like their kisses.
If it's political office you are seeking,
Just ask Jeanette to do your speaking.
Chatham and Carl rank high in this line—
They get A's in their studies, (you oughta see mine!)
Cleta and Harold, Darwin and Ann,
Two classy couples you are really grand.
If you're looking for friends, if you're looking for pals,
Just see Mary and Arlene, a couple of swell gals.
Janice and Dixie are quite a pair—
Wherever there's trouble you'll find them there.
Herb and Larry really get around—
If you don't believe me—ask any girl in town.
Always together are they, they're tops in play and in learnin',
You'll recognize their names, 'cause it's no one but Pogue and Vernon.
Jim Cartwright and Everett, a couple of good guys,
They don't go with girls—which shows they're wise.

Joe Copelin and Garey, a couple of guys with height,
They work a little and loaf with all their might.
Marjorie and Dorothy are also pretty tall—
They're quiet and sweet and never gripe at all.
Willard and Clark, two ambitious souls,
They skinned through school, graduation their goal.
Now there's Ruby and Lois, inseperable pals,
Though they're both kinda quiet, they're two swell gals.
If you feel like laughing or having fun,
Melba, Betty, and Lois Jean are the ones.
Who will cheer you along life's way
And add to the brightness of any old day.
Now there's Bill and Bill (no, we don't stutter)
Cunningham's one and Wills is the other.
Now there's Ruth and Ruth (here we go again!)
If someone doesn't stop us we'll do this to the end.
Last but not least, we have Henry and Ray,
Henry's a swell guy and Ray's also O. K.

Ted Bauer was manager for basketball and football and earned a varsity letter. The class officers for the year were: president Charles Crouse; vice-president, David Penwell; secretary-treasurer, Delmar Wirth. The freshman party was held February 27, 1948 in the gym. Girl Reserves
The annual Y-Teen Gypsy Patteran was held on Thursday evening, September 11, 1947. The gaily dressed gypsies in their costumes met in the high school assembly. Singing was held, then the Romany Trail was followed throughout the business district and back through the halls of the high school. The annual father-daughter mixer, served in banquet style, Was held Thursday, October 23, at 7 P. M. in the basement of the Methodist church. An excellent supper was prepared and served by the women's council, the girls of the club donating the food. A very enjoyable program was given, closing the evening with groups singing. A Christmas party for the Y-Teens was held on December 11, in the gym. A large circle was formed by the girls bringing gifts for the grabbag. Music was played and the gifts were passed around the circle. When the music stopped, each girl kept the gift she had in her hand. The annual Christmas party for the kiddies from the Lincoln building was held Friday December 19, in the high school gym. Toys or clothing were given to over twenty-five needy youngsters. The girls then played games with them and afterwards assisted them home with their gifts. On Friday night, February 13, the Y-Teens sponsored a Valentine dance after the game between Villisca and Shenandoah. Gib Westover was crowned Valentine King, his attendants being Kenny Moore and Francis Weaver. The evening was spent together with dancing, playing cards, and enjoying refreshments. A joint Y-Teen meeting was held in the assembly February 26, the purpose being to discuss boy and girl relationship. The groups discussion was led by John Bell. Pamphlets were handed out with hints for discussion and many different oppinions were expressed on dating, etiquette, how late to stay out, kissing, etc. The Y-Teens have adopted a little Italian girl, Anna Maria. They have set aside funds for her adoption, one class in the high school sends her a box of either food or clothing each month. Also the club is sending her money with which her expenses will be paid. The Y-Teens finished a very successful year; their last important job was the sale of Firemen's Ball Tickets. Another successful year is planned for next also with the installation of new officers as the last meeting of the year, In that same meeting, the Seniors were given a farewell party.

Homecoming

The annual homecoming celebration of the Villisca High School was held on October 17, 1947. The Queen, Helen Rockwell, and her six attendants, Ruby Thomas, Dixie Larson, Cleta Carlson, Doris Winter, Janice Fast, and Lois Neal, were the honored seven.

The coronation was performed preceding the game with the Shenandoah Mustangs. As the marching band played the school song "Loyal and True", the queen and attendents were escorted onto the football field by the eight senior football boys. Harold Geyer and Herb Bashaw, the co-captain for the evening, then crowned the queen, and presented her with a beautiful bouquet of red roses. Following the coronation they were escorted from the field and reigned over the game.

After the game everyone went to the Armory, where the homecoming dance was held. Here the queen and attendents again met their escorts, and were ushered to the queen's throne. The queen was again crowned and she and her attendants were presented with gifts from the Hi-Y.

The Hi-Y sponsored the dance and they had Monte Carlos' Orchestra to furnish the dance music.

Junior Class Play Cast

The junior class play this year was called "Boys About Bobette." Mary Lou Still played the role of Bobette, a high school girl with tomboyish inclinations, who constantly made trouble for her father and mother, played by Jay Clark and Betty Harris. Eugene Northup, Roy Kraack, and David Williams enacted the parts of Shammynneck, Pief ace, and Socko, the three boys which took part in Bobette's escapades. The play also featured a style show in which a number of the junior girls took part.

Several meetings were held in the form of suppers, or after school to discuss problems arising concerning the operation of the library.

Projectionists Club

The Projectionist's Club was organized at the first of the school year to train boys to operate the schools' projector and take care of the many films that come into Villisca High School.

The club consists of six boys, the sophmore, junior, and senior classes each having two members. Each year at the end of the school year, there will be an election between the six old members to select two boys from the Freshman class to be in the club for the succeeding year.

Vocal Music

One of the most outstanding programs presented by the vocal music department was that given at the cooking school. Several numbers were done by the chorus, girls' ensemble, and small groups.

The mixed chorus attended the music festival in Atlantic, which was a one-day festival under the direction of Dr. Harry R. Wilson.

Eight of the music students went to Des Moines to attend the All-State choir during January 2nd and 3rd. The choir consisted of 800 voices and was under the direction of Stanford Hulshizer.

The mixed chorus presented a Christmas program on December 18. They sang a number of songs from the various stages of history, beginning with an early Latin number and ending with a popular Christmas carol of today.

YR1948PG038

Boys Quartette

The boy's quartette this year is composed of Frank Froyd, bass, John Focht, baritone, and Tom Goodman and Francis Weaver, tenors. Their numbers being old favorites and Negro spirituals, the boys have been welcomed wherever they have performed.

YR1948PG039

Some of the numbers they sang were, "Oh, Lord of Heaven," "God So Loved the World," "Were You There," and "In an Old Fashioned Garden." Leatrice Danielson, Carolyn Stuelke, and Carolyn Shepard were the members of the trio this year. They were a very popular factor of any program, and made many such appearances. Some of the best numbers were "Smilin' Through", "Moonglow", "Dina" "Snowflakes", and "The Blue Swan".

YR1948PG040

THE CONCERT BAND

The marching band, consisting of forty-five members, has been quiet active the past year. The band attended an all-southwest Iowa band festival at Audubon and also marched at Nodaway and Clarinda at their annual celebrations.

At the football games, the marching band put on exhibitions with the lights of the field turned off. The band members had lights on their hats and the majorette carried a lighted baton. One of the prettiest formations was the shape of a ship which was formed and then moved across the field.

The Concert Band, consisting of forty students also directed by Mr. Hentsch. They gave two concerts this year. The winter concert was given December 11, and the spring concert was given March 30. They were both held in the armory, and large crowds attended.

The pep band, with 13 members was organized to play at pep assemblies. They specialized in fast-tempo numbers and marches.

BAND
SMALL GROUPS

Marcia Woodward and Mary Jo Vernon were chosen to play in the All-State band. They first had to audition for the position in competition with many other southwest Iowa musicians.

Beginning Band consists of eighteen members who are just starting their band careers. They are getting their basic training so they can be a part of the regular band. As they increase their knowledge in music, they enter the Concert Band, and some of them show talent enough to work up solos, duets, and quartettes.

Carolyn Shepherd has ventured out in her work with piano solos, and she has played duets with Marcia Woodward. Harvey Cain plays a solo in the cornet section, and Marcia Woodward plays baritone saxophone solos. Veva Nisely and Carolyn Anderson play alto saxophone solos.

The three of them, Veva Nisely, Carolyn Anderson, and Marcia Woodward, along with Carolyn Shepherd, have formed a saxophone quartette. We are proud of these groups and appreciate the efforts that they put forth to accomplish this work.

The opening game of the season with Corning started the Bluejays off on the wrong foot when Corning took home a 34-25 victory. The Bluejays journeyed to Creston to defeat the Panthers 28-26, thus winning their first conference victory. In a hard-fought game with Clarinda, the Cardinals came out on top with a victory of 28-24. Then the Bluejays lost to Atlantic on their own floor, 23-49. Villisca took another loss by 2 points when they traveled to Shen. The final score was 30-32 for the Mustangs. Red Oak suffered a 4-point loss as they played on the Villisca floor, the score being 24-28. Creston came to Villisca for a return game, to get revenge, but was again defeated as they tried to whip the Bluejays a second time. The Bluejays wouldn't stand for this. The final score, 37-27. The mighty Trojans from Atlantic were upset by the Bluejays in one of the lowest scoring games of the season, 19-17. The powerful Mustangs from Shenandoah, leaders of the conference, was also upset by the Bluejays by a last-minute free throw by Gib Westover. Student Council

BACK ROW: Duane Patterson, Duane Bergren, Jim Hyink, Zell Peterman, David Penwell, Albert Larson, Delmar Wirth.

FIRST ROW: Margaret McKee, Martha Darnold, Jini Froyd, Marcia Woodward, Georgia Graham, Jo Ann Marvick.

For the first time in a number of years, the Villisca High School has organized a student council. Through research from neighboring schools, the students, with the help of the principal, Mr. Anderson, established a Constitution for the Villisca Student Council. The student body then voted for the establishment of a student council and its members. There were two elected from each class and five ex-officio members including the senior class president, the junior class president, the editor of the Volcano, and the two junior high class presidents.

Class History

Few of you really know, but many would like to know, just what was what with the class of '50 between the years 1937 and 1950! It is my duty as class historian to relate a few incidents of those "lost years"! I hope they will bring fond and amusing memories to the minds of many!

As we look back to the warm day on September 1, 1937, and see some of our little classmates as sweet, innocent youngsters, we wonder how it happened that they "be" what they are today! A few of the ones whom we remember are: James Antisdell, Betty Dee Askloff, Mavis Black, Duane Darnold, Billy Joe Johnson, Dicky Nease, Veva Nisely, Don Patterson, Gloria Pederson, Alice Pierce, Jo Ann Shaver, Pat Sierp, Fred Stickler, and Marcia Woodward. We had a very "hep" rhythm band in our kindergarten featuring cymbals, tambourines, triangles, and drums! Some of the highlights of the year were playing at Mrs. Abbey's "Ladies Aid," vaccinations for small pox and eating those delicious crayolas!

In the first grade our happy little throng was joined by Norma Jean Miller and Darwin Cartwright, with Miss Carpenter as the receiver! (Poor woman!)

We seemed to be learning a small amount of our P's and Q's; so the teachers held a conference and decided to let us go on to the second grade. Our class was enlarged this year by Bonnie Wills, Thomas Kelly, Donna Gindlesperger and William ("putt-putt-deer-deer") Viner! We were such a large and brilliant group that they had to divide us into two classes with Miss Meyers and Miss Osen as the teachers! (By the way, after a year's experience with our class, Miss Osen decided nothing could be worse, and joined the "WAC's":

In the third grade we were joined by Joyce Retland with Miss Taylor as our teacher! We spent most of our leisure time carving various animals out of soap! Jerry Greenfield was nearly mad trying to decide between Marcia and Norma as his "one and only"! We lost Darwin Cartwright to another school!

We now were honored by being allowed to climb the stairway to the second floor, the fourth grade. We were

joined this year by Deloris Hedstrom and Joyce Case. Dicky Nease threw his money away wildly on suckers for Jini! (Spendthrift!)

In the fifth grade, we gained three new members and lost three. We gained Carolyn Shepherd, Leo Lowenberg and Lawrence Hendry and lost Alice Pierce, Bonnie Wills, and Gloria Pederson. Miss Hanson was our teacher, who loved having after school spelling classes. Jim Hyde and Carolyn Shepherd seemed to be the number one "lovers" this year!

We gained one new classmate, Benny Gage, in our sixth year, but lost Deloris Hedstrom A small incident concerning a white ribbon proved surprising circumstances, didn't they, Nor and Benny? Miss Miller was our teacher this year, when we thought we were the "rulers of the grade school"!

Our big moment had finally arrived! We went five blocks farther and arrived at the high school! Of course, we were only seventh grade members, but then we thought we were pretty hot stuff! Our minds were changed two weeks later ---- shy, you know! We welcomed Delores Murphy, Bill Perkins, and Kenny Oltmann into our class with Mrs. Wilson and Mrs. Brenton as our teachers! The "Tom Sawyer" operetta was the outstanding event of the year! (It was the first time any of us knew how it felt to be a sunflower!) We lost Jerry Greenfield and Betty Askloff to another school!

At last!! Kings of Junior High! We reached the eighth grade and acquired a great number of new students, but lost Don Patterson. They were Jerry Ziehe, Eldon Gustafson, Darwin Kendrick, Dick Focht, Alice Cordes, Gwen Baker, and Beverly Day! The "slave drivers" this year were Stone and Miss Miller. Sports were quite the thing this season and

YR1950PG018

our Junior High teams proved very successful! We had an enjoyable eighth grade party in spite of the fact that it poured down rain and most of us walked home barefooted! We graduated from Junior High with a very simple, but impressive, ceremony. High school----here we come!!

On September 1, 1946, a group of "greenies" looked about as they had on September 1, 1937 and ascended the stairs of the high school to be pushed around by the upper classmen! We lost Leo Lowenberg and Billy Joe Johnson, but in return we gained Art Anderson, Lila Bauer, Duane Bergren, Bertha Brown, Alice Chalmers, Dwight Else, Gail Hampel, Donna Hensel, Richard Hart, Betty Lee, Paul Poston, Genevieve Roberts, Marjorie Schaffer, Kenny Starlin, Ruth Stahnke, and John Van Fosson ---- and also regained Deloris Hedstrom, Darwin Cartwright, and Mavis Black, whom we left somewhere! Finally we overcame some of our "greenness" and won the ticket sales at the school carnival, much to the Seniors' distress!

We ascended the second step of high school and became "not-too-sure" Sophomores. This year we climbed our steps without John Van Foss on, Mavis Black, Bonnie Wills, Paul Lehman, and Deloris Hedstrom, but gained Bob Taylor, "Pesty" Bryson, Keith Moore, Frankie Corben, and Bob Lorenz. We, as most Sophomores, were still a little unsure, but took part in school life as much as possible!

Next we went up one more step to become "more confident" Juniors! Again we lost Darwin Cartwright, whom we tried to hold on to but couldn't, Bob Lorenz, Frankie Corben, Joyce Reiland and Dwight Else. With the bad news comes the good ---- or ---- what's this ?— Jerry Greenfield had come back to stay! (We think!) We gained Jim Hyink, Elizabeth Schowalter, Olive Wilcoxon, and Marilyn Cronwall! Hats off to them! We gave a very fine Junior-Senior banquet this year which was enjoyed by all! (We think!)

Here we are!! Finally we take our last step to be the "get-out-of-my-way-here-Icome" Seniors! We never thought we would make it but here we are! This year we lost Elizabeth Schowalter, Veva Nisely, and Keith Moore, but we were fortunate to acquire "the Hefflefingers"----, Clara and Don, and Velma Peterman. Out of the ones who started kindergarten way back in '37, there are only ten left! They are Duane Darnold, Richard Elswick, Joyce Enarson, Bill Fisher, Jini Froyd, Jerry Greenfield, Jo Ann Shaver, Pat Sierp, Marcia Woodward and Fred Stickler!

Although we've seemed difficult to handle and disgusting at times, dear teachers and fellow classmates, the years between 1937 and 1950 were the "best years of our lives!"

Class Song

(Tune of "My Buddy")

Years have passed since
first we met,
We loved our school, and
we love her yet.
Dear schoolmates,
Old schoolmates--
No years quite so dear.
Now we're leaving dear V.H.S.
We'll miss you all,
we must confess.
Dear schoolmates,
Old schoolmates--
No years quite so dear.

Class Prophecy of 1950

An amazing invention has just been discovered by a member of the Senior class. A machine that enables us to whisk off into the future to see what has happened to the mighty class of 1950.

What have we here? It's a self-service gas station in the vicinity of Bethesda, run on by none other than Bill Fisher. Who is this just driving up? Why, it's Duane Bergren, who is still running a taxi service for disabled Senior girls.

Jerry Ziehe, after eight years of marriage is well on the way to having his own football team with perhaps a few girl tackles.

Charles Atlas has just found a new model for his muscle factory. Richard Hart fondly known as "Baby Face" during high school days is the lucky one.

Betty Lee has finally finished the sweater she started knitting for Gilbert in 1950. Donna Hensel who started her career as secretary of Y-Teens, is now working as secretary at the YMCA in Omaha.

Kenny Oltman, after going steady fifteen years with Jo Ann Shaver has decided she isn't after his money and has finally popped the question. He is awaiting the answer patiently.

Flash! Flash! Lila Bauer has become the first woman to win the 500-mile Memorial Day race at Indianapolis and has finally made the headlines of the Villisca Review.

Genny Roberts is still working as a secretary for a certain insurance company in Clarinda.

Girls, is your beauty slipping? It is? Then come to Fred Stickler's beauty salon in West Dickeyville.

Pat Sierp and Wayne Fast, after ten years of happy marriage, have decided to invest in one of the largest thriving grocery stores in Siola.

Kenny Starlin, who once starred under Reno Smith, has succeeded him as F. F. A. basketball coach.

After studying law for the past twenty years, Don Hefflefinger has just been elected Governor of Iowa. He and his lovely wife, Carolyn Shepherd, are making preparations to move into the governor's mansion.

Marcia Woodward, whose nickname was "Cookie" in high school, is busy making dog biscuits for Red Heart and Company.

James Lund, known in high school as Sam, the clean-up man, is now Chief street cleaner in New York City.

Clara Hefflefinger has finally got up nerve enough to dye her hair red. Now she's playing on the All American Redhead Team.

Roland Bryson, alias "Pesty," is being sought by the F. B. I. in connection with the \$50,000 robbery of Dodson Jewelry Store.

Dorothy Andrew has just been elected Miss Milkmaid of the McAlpin dairy farm. Joyce Emerson and Maurice Nevis are still running a taxi service between Clarinda and Villisca.

Stanley Laurel, of the very popular Laurel and Hardy, has just taken his fourteenth wife. The lucky one is Jini

Froyd. They are planning a song and dance routine for a new movie.
Jinny Hyink is now assistant coach at Iowa City under head coach, Joyce Case.
Bertha "Bubbles" Brown and Olive "Oyl" Wilcoxin are now performing at Billy Rose's Diamond Horseshoe as burlesque dancers.

YR1950PG020

Alice Chalmers, the woman daredevil, is now performing for Jimmy Lynch and his death dodgers.
Jerry Greenfield has just finished remodeling his coupe so he and his fiancée, Velma Peterman, can go to Arkansas to get married. There are rumors that he is making her pay two cents a mile for the trip.
Darwin Kendrick has just completed his 10,000th round trip to Clarinda.
Mel Cronwall, after her third divorce, has decided to settle down with Bob Taylor on his 14,000 acre chicken ranch west of Morton Mills.
Dean Morehouse is in New York, teaching Arthur Murray new dancing steps for his dancing class.
Ruth Stahnke has just been chosen Miss America of 1965.
Bennie Gage is chief wheel tightner in Norma Miller's motorcycle shop.
Bill Perkins, after three years of steady dieting has finally been accepted by Powers Models.
Alice Cordes has just been promoted as chief cook and bottle washer at Sierp's Oil in Villisca.
Buck Darnold is on his way to Central Africa as a missionary. As we all know, he got his start as Hi-Y chaplain.
Art Anderson and Gwen Baker are now co-owners of "Get you there in a jiffy," North Pacific Airlines. Art is the pilot and Gwen is the co-pilot.
Gail Hampel has just been unanimously elected mayor of Guss by all fifteen residents. Marjorie Schaffer started out as a nurse in Clarinda but not making much headway; she is now working as gang nurse for some shady characters of Clarinda's underworld.
Dick Focht is earning his keep at the county poor farm in Stanton by raising rabbits. Deloris Murphy and Scoop Baker, Jr. are now residing in Arizona making their living by manufacturing little "Shovels."
• Paul Poston, who wore dark glasses all through high school was discovered by a talent scout in Red Oak and is now making a fabulous movie in Hollywood. Of course, he still wears dark glasses.
Richard Elswick has just become the President of the United States. He is the first president to be elected from Villisca.
Last, but not least, we see Eldon Gustafson as national president of the F. F. A.
As time runs out for the class of 1950, we hope that your future turns out as well as ours.
Class Will
We, the class of '50, being sound in body and not so sure in mind, have composed a will containing the things that have made us such an outstanding and memorable group. These little gifts, bequeathed to you, we hope will be received with warm hearts and outstretched imaginations!!
Don Hefflefinger bequeaths his statement of thanking all the Hi-Y girls (?), who elected him 1950 Valentine King, to next year's lucky fellow.
Richard Hart, by special request, wished to give his lately acquired name "Pretty Boy Hart," to young Bill Anderson. Not that he thinks Bill needs it.

YR1950PG021

Jerry Greenfield wills his ability to knock girls' teeth out, to push girls and make them chip their ankle bones, and to literally kill off the girl population, to VHS's woman-hater, Dick Marsh!
Pesty Bryson, Bennie Gage, and Richard Elswick have all decided to give their beautiful, black, curly locks to Mr. Anderson! May miracles never cease.
Patty Sierp, Joyce Enarson, Alice Cordes, Gwen Baker and Genevieve Roberts will their ability to be charter members of the diamond club to the first five lucky girls to receive such in the future 1951 Senior class.
Jini Froyd gives her clear, sweet, soprano voice to Cleo Fidler. A happy medium is much to be desired in this

case.
Jerry Ziehe wills his football ability to Duane Patterson. This should keep your Irish down, "Mouseie." Just remember Jerry's slogan, "No matter how hard you fall, always come up smiling."
Delbert Schroeder is the fortunate receiver of Bob Taylor's long winded and fantastic stories. Here's hoping you have a little more luck, Delbert, in convincing your listeners.
Bill Fisher is very generous this year; he wills his height and long legs to Gene Westerlund and his quiet untalkative ways to Ted Bauer. I'm sure Gene will appreciate the height, but Ted will surely burst if he has to remain silent.
Buck Darnold bequeaths his basketball ability and eye for long shots to Davy Penwell. With this comes a package of grow-pup dog food.
Duane Bergren, our class president, whole-heartedly wills his susceptibility to childhood epidemics to anyone who doesn't like school but appreciates make-up work.
Paul Poston will part with his beautiful red hair lucky receiver is Tommy
Enarson. It will be much cheaper than peroxide, Tom!!
Deloris Murphy gives her quaint way of blushing to the Marvick twins. You can divide it up, girls, there will be plenty to go around.
Kenny Oltman gives his theme song "So Tired," to Betty Fisher. Maybe this will slow her down a bit and give other people a chance.
Art Anderson bequeaths his side burns to Larry Shepherd. This should go nicely with Larry's long hair cut.
Velma Peterman wills her good-natured ways and pleasant smile to Russell Loghry. Olive Wilcoxen gives her blond hair and girlish ways to Gene Smith!!
Jo Arm Shaver wills her dancing talents to Wendell White. May your size fourteen never falter, Wendell
Clara Louise Hefflefinger wills her straight black hair to John "Curly" Murren. Kenny Starlin and Dean Morehouse will their quiet, shy and mannerly ways to Bernard Weaver and Dale Archer. It honestly works sometimes, fellows.
Ruth Stahnke wills her yen for reading her never-ending narratives to Laurance Hoyt. Sometimes it takes three class periods, Laurance, but eventually you'll get the job done.
James Lund bequeaths his nickname "Sam, the clean-up (?) man," to all of those who ever have had ninth hour or is it KP? ? ? ?
Darwin Kendrick wills his car to Jan Strickland. It will be harder to operate, Jan, but much cozier than a motor scooter.
Gail Hampel bequeaths with pride and joy his wavy hair is more appealing than the straight wiry type.

YR1950PG022

Jim Hyink wills his position as class treasurer to next year's Senior treasurer. This includes all bills, so Jim will have a clean slate.
Donna Hensel given her job of checking attendance to Buck Finkle. This should make skipping school a cinch, Buck:
Carolyn Shepherd wills her ability to jerk sodas to Carol Hess.
Dorothy Andrew wills her position as tallest girl of the Senior class to Zell "Shortstuff" Peter man.
Marjorie Schaffer wills her ability to work and save money to Mary Jo Bashaw. This should keep you well supplied with "greenstuff" to buy ice cream, candy bars, and cokes. Norma Jean Miller wills her basketball technique to Mary Doll.
Eldon Gustafson bequeaths his ability to take out a certain Freshman girl to Bob Lindell. Seems they have common interests!
Dick Focht wills his little black book filled with Stanton phone numbers to the fellow who will pay the highest price for it!
Bill Perkins wills his seat in English literature to Delmar Wirth, but it comes with the understanding, Delmar,

that you must promise to carry out one tradition. That of heartlessly crushing the feet of the girl behind you by lowering and raising you seat!!!!

Now all's fair in love and war so Bev Day gives her crushed toes to the unfortunate individual that sits behind Delmar Wirth next year!

Bertha Brown and Betty Lee bestow their willingness to work and spirit of co-operation to Frosty Patton and Ruth Ackerman. A word from the wise is always sufficient, kids!!!!

Marcia Woodward gives her position as editor of the Volcano to anyone who wants it!! This job includes working with THAT machine, paying all cleaning bills, and helping people find their lost religions!

Alice Chalmers bequeaths her ability to fall down on the basketball court and use the helping hand of her opponent before she can rise, to Janet Noble!

Fred Stickler gives his brilliant mind and gorgeous A's to the future 1951 physics class.

May ye all shine

Joyce Case leaves her many fine contributions and worthy causes she has worked for in Y-Teens, to Shirley Sanford.

Lila Bauer bequeaths her piano playing ability to the most unrhythmical student in

VHS Bobby Rambo

And Mel Cronwall leaves habit of falling upstairs instead of down, to anyone who's silly enough to try it.

Signed, Class of '50

YR1950PG023

Our Class Poem

We're the class of '50, forty-nine members strong,

And now we're writing this poem to help us say "So long!"

There are Buck, Don, and Bill,

Who won fame on the basketball floor.

And Jerry's feats on the gridiron,

Will live forever more.

Pesty, Dick, and Ellsie were also on the team;

They helped keep the Bluejays right on the beam.

Then there's Bob, Paul, and Duane B.,

With hair of red, they're easy to see.

There's Jini and Murph, Carolyn and Mel,

Four musical gals that ring the bell.

Kendrick and Greenfield are pals so true,

And Gail and Fred are inseparable, too.

Three swell couples are Art and Gwennie,

Jimmie and Joyce, and Norma and Bennie.

Richard, Eldon, and Kenny belong to FFA,

They're real boosters, and that ain't hay.

There's Roberts and Andrew, Bauer and Day,

They're four girls that always together will stay.

Of Alices we have quite a few,

Chalmers is one, and Cordes makes two.

Donna and Bertha ride the north bus,

They're two swell kids, who never make a fuss.

Two loyal pals are Kenny O. and Bill P.,

Wherever there's one, the other will be.

Marcia's a gal with lots of pep,

As a cheerleader, she's really hep.

Then we have James, better known as Sam,

And Dean, who can pass most any exam.

Two girls, Ruth and Olive, with pretty blond hair,

Where there's excitement, they will be there.

Joyce E. and Clara won basketball fame,

And Pat 's a swell girl who'll soon change her name.

There's Velma, who joined our class this year,

And JoAnn, who's always full of good cheer.

Last, but not least, are Marj and Betty Lee,

Two truer pals you never will see.

That ends our class roll, and now we will say,

"Farewell" to the friends who behind us will stay.

ATHLETICS

YR1950PG038
The first game of the season was held September 9, with Bedford in a non-conference game. The Bluejays pushed across two touchdowns to win the game 12-0. The high light of the game was holding Bedford for only two first downs.
September 16, the Bluejays journeyed to Atlantic where they played their first conference game. The Atlantic team proved too strong for the Bluejays eleven and therefore won 49-13. Jerry Ziehe scored once for Villisca on a eighty yard run, and Art Anderson caught a pass and ran fifty yards for Villisca's other touchdown, The Bluejays were then engaged in a non-conference game with Lenox. The Jays were badly injured from the Atlantic game and unfortunately dropped this game 13-7.
The fourth game of the season was on September 30. This game was with a very strong Creston team, who pushed the Jays all over the field. The final score was 53-0.
October 7, the Orient Bulldogs defeated the Jays 13-21. The game was featured by Jerry Ziehe getting loose on the second play of the game and running sixty yards to score. This was a hard fought battle which the Jays should have won.
The next game on October 14, was with the highly rated Shenandoah team. They threw everything but the water bucket at Villisca and defeated them 63-13. The scorers for Villisca was Duane Williams and Jerry Ziehe. The Jays then played Red Oak on the latter's field. In this game the Jays showed signs of good playing, but was defeated 13-6. Villisca's lone touchdown came just before the half.
Before a large homecoming crowd the Jays were defeated by Corning 14-33, October 28. Before the game Joyce Case was crowned Homecoming Queen. The score at the half was 14-14, but from then on the Red Raiders slowly pulled away.
The Bluejays of "49" ended the season by dropping their last game to Clarinda on Armistice Day. It was a very hard fought battle with the Jays coming out on the small end of a 14-0 count. This game ended the season with one win and eight defeats.

Student Council
(Because of the close co-operation between the faculty and the student council, the council has been included as part of the administration),
STUDENT COUNCIL
The student council started its second year of existence by changing the method of election of council members. Members were chosen from the nine home rooms and the two junior high grades rather than by classes. All members had to have passing grades in order to be eligible and must keep up these grades in order to remain a member.
The officers of the council were chosen from the members and are as follows: David Penwell, President; Peggy Day, Vice-President; Dick Marsh, Treasurer; and Carol Hess, Secretary. The other members of the council are Bob Means, Linda Moore, John Williams, John Minge, Ted Bauer, Margaret Wagaman, Ray Hensel, Marjorie Wallace, Joan Fast, and Everett Larson.
The council acts in an advisory capacity on student affairs. Suggestion boxes were placed in the home rooms so students might introduce any suggestions they had for school improvement. These suggestions were then collected by the council president and brought before the council which met each week. The council accomplished these things during the year; presented a program which allowed students to drive at noon, made recreation rooms available for boys and girls during the noon hour, helped to improve the eating conditions in the school gym, furthered development of safety rules on the school premises, and helped to promote co-operation between the students and the administration, Through a student council, the student body may feel that they have a part in the development of their school.
The council advisor was Mr. Anderson.

Class Prophecy
Ten long years have passed since the Class of '51, the largest and most talented class ever to graduate from VHS, has left that FAMOUS Institution of Learning. What has happened to the members of that class since? Have they made their mark on the world? Let us borrow one of Buck Rogers' rocket ships and look them up. Yes, two members of our class, BEVERLY EMBREE and ANNA MARIE BELDING have made their mark on the world, these two girls have just finished painting the black line on the highway from Villisca to Chicago. The greatest scandal in the history of Villisca started when BARBARA BRENTON eloped with CARL FINKLE in

1956. Her jilted suitor HOWARD MILLER forsook all and joined the French Foreign Legion. He is now stationed at Timbucktuner, Africa.

DELMAR WIRTH, the owner of the largest wheel factory in the world, has just retired to his country estate in Lower Hackelbarny.

RUSSELL KIMPSON, after serving ten years in the United States Navy, has just received his promotion to Apprentice Seaman.

TIMMIE LARSON, Southwest Iowa's biggest landowner, has just bought the city square for \$1.40. He is planning on raising lizards there next spring.

After walking across the United States four times, LAWRENCE HOYT has finally settled down. He is now custodian of one of Tenville's largest cemeteries.

DUANE PATTERSON now owns and operates one of the largest peanut ranches in eastern New Mexico.

Mrs. David Penwell, the former BETTY FISHER, was recently elected Mayor of New York. Her husband, DAVID PENWELL, is peddling pencils for a living.

TED BAUER is the author of the latest best seller, "The Social Effect of the Sears Roebuck Catalog on Arkansas."

The eminent scientist and educator, THOMAS EDWARD PENRY, has received the Nobel Prize for outstanding achievement in scientific research. He has found a method of making water out of gold.,

CHARLES GROUSE has forsaken raising hogs and is now raising cane. Charles and his wife, the former EDNA BURNS, have just bought one of the largest sugar cane plantations in Cuba.

DOROTHY WRIGHT, Dean of Smith College of Women, has sworn off men for good. She was recently jilted by EDDIE JOE ROBERTS who ran off with the Queen of Spain.

Working as a section hand on the Chicago, Burlington and Gage Railroad is EARL GAGE. He used to own the railroad but lost it in a crap game.

RAY HENSEL, the boy with the golden voice, is now in the employment of the Metropolitan Opera. He is foreman of the floor sweepers.

The leading commentator of Radio Station KORN, located at Hepburn, is none other than GENE SMITH.

JOYCE STAHNKE has given up her baby sitting career to become head driver for SHIRLEY MATTINGLY'S Death Dodgers. Shirley's show is now appearing in Nodaway.

That cute, shy little girl, RUTH ACKERMAN, is now known as "Rough 'em up Ruthie, " Wrestling Champion of the World.

The "Queen of the Speedways," NORMA WARNER, has returned to her home near Guss for a short vacation. Norma became world famous when she won the Indianapolis Speedway Race last Memorial Day.

We sincerely hope that the other one hundred and fifty-six members of our class are doing as well as the twenty-five we were able to contact.

YR1951PG014

Class Will

Since we are leaving good old V.H.S. , the Class of '51 would like to leave a few things behind that we could not get rid of in any other way!

Ruth Ackerman wills fourth period library to Miss Gardner, No one else can control it!

Chuck Crouse wills the rest of his writer's cramp to George Scott; we know you don't need any more, George, but Chuck does not want it either.

Barbara Brenton wills her diamond to Judy McCullough, she's not through with it, Judy, she's just hoping for a bigger one.

Carl Finkle wills his way with girls to Bobby Rambo. With this added attraction, Bobby, you'd better get a ball bat to beat the girls off.

Edna Burns leaves her ability to work bookkeeping to Sheri Shields. Believe me, Sheri, most people need a little boost when it comes to this.

Laurence Hoyt wills his night life and out-of-town girls to Wendell White; Laurence won't have much use for these pastimes in Korea.

Beverly Embree leaves Micky Weston to all you underclassmen; but it's just temporary, kids, she'll be back for him later.

Ray Hensel wills his ability to sing to Jim Lewellen. Remember all of us, Jimmy, when you are the top crooner on Hit Parade.

Joyce Stahnke wills her never failing memory to her sister, Candus. You're not getting much, Candy, but we hope you remember to come back to school next year.

David Penwell wills his grow-pup dog food he acquired last year to Duane Hall. It may not help your height, Duane, but it certainly takes care of the shyness.

Ted Bauer leaves a tack in all the old Senior's seats so the new Seniors will get the point.

Betty Fisher wills the remainder of her "full of pep breakfast food" to Elizabeth Corbin. Take only as directed, Liz, once in awhile Fish got an overdose.

Howard Miller wills his ability to stay with one girl to Larry Shepherd. Howard has a warning for you, Larry; don't let her have too much say or you might get henpecked.

Russell Kimpson leaves, period. Bear with us, girls, you still have "Killer Marsh," to take care of you.

Shirley Mattingly wills her Lane Hope Chest to Cleo Fidler. Shirley won't be able to get it in her barracks bag, Cleo, so take good care of it and we know you will put it to use.

Earl Gage wills his shooting arm to Jan Strickland. Please practice on something besides dogs, Jan, because you might get into trouble.

Tom Penry wills his shaving kit to Darwin Linn. He did this, Darwin, because he got first hand information that Janet doesn't like whiskers.

Norma Warner leaves her driver's license to Marilyn Couch. She doesn't need one to drive her hot rod because no one can catch her.

Timmy Larson wills his seat on the bus to Valjean Brannan. We know Timmy dreads to give it up just to ride in his old Plymouth.

Eddie Joe Roberts gladly leaves his job as editor of next year's annual to Everett Larson. You will find the aspirin in the supply room.

Dorothy Wright wills her letter writing habits to Donna McCullough. Just make sure they do not go the same place that Dot's did, Donna.

Delmar Wirth wills his super Ford to Richard Orton. Someone has to keep up the noon taxi service next year.

Gene Smith wills his photographic ability to Robert Andrew. Maybe Gene will show you how, Bob, but don't let him mix you up.

YR1951PG015

Duane Patterson wills his power to black eyes to Melvin Oltman. We hope you don't get into too much trouble, Melvin, just make sure that it isn't Davie you hit.

Anna Marie Belding wills her locker neatness to the girls in '92. Who knows, girls, with this help you may even learn the art of good housekeeping.

Class History

With bright eyes and eager faces, we started on the Road of Education in the fall of '38 with Miss Gamble as our kindergarten teacher. Miss Gamble suffered a leg fracture during the year so Mrs. Margaret Gutherie acted as her substitute. One of the high lights of the year was the Great Mouse Hunt led by none other than Duane Patterson.

The class was so large next year that twelve pupils had to go into the second grade room, however, they took first grade work. Miss Berniece Carpenter had the first grade and Miss Kathryn Meyers was the second grade teacher. A new student this year was Ted Bauer who entered from Mellan Rural School near Guss. We had several nice snacks of chalk and melted crayons until our teachers caught us and forbade us to have any tea parties with those two dishes as the main course.

Outside of several dozen bloody brawls during recess, we passed through second grade quietly. Miss Meyers was our teacher. This year we were interested in the study of weather and seeds and also started to learn to

write. Mary Jane Waage and Ronald McClellan left our class this year. Miss Mary Olson was our teacher in third grade and Miss Florence Phillips was our music teacher. Claude Stevenson and Mary Jane Waage entered our class during the year. Our most interesting project was the making of clay pottery vases. Pupils from the other rooms were invited to see them. The fourth year of school started with Miss Lois Dotson as our teacher. We were all thrilled over the fact that we were now on the second floor of the school and one of the upper grades. Our room was like a small village and the name of it was Littletown. The corner of Littletown that served as the jail proved to be the most used corner of the room. Our principal was Miss Vivian Stinson and our music teacher was Miss Crawford. During the fifth grade, we gained many new members. They were Eddie Joe Roberts, Edna Burns, Earl Gage, Roger Gray, and Billie Marie Gardner. We had a beautiful May Festival with Miss Christianson as our Sponsor. The King and Queen were selected from the sixth grade and Mary sane Waage and Richard Veak were attendants from our room. The sixth grade was our year of glory for we were the "big wheels" of the Lincoln Building. Miss Flossie Miller was our teacher and new classmates were: LaVerna Bosteder, Jeanine Hays, Russell Loghry, and Ray Hensel. We had another May Festival with Dorothy Wright as Queen and Roger McCreedy as King. Earl Gage and Corliss Graham were our attendants. Next year we moved to the Junior High Department of the High School building. This year we had two teachers, Miss Margaret Miller and Miss Belle Stone. We had our first football and track team this year. New students this year were Claude Stevenson, Nancy Henson, Wayne Lewis, Mary Jane Waage, while Richard Veak, Betty Fisher, and Marcia Lee moved away. Mrs. Loretta Brooks from Sioux City was our Music teacher. We entered the eighth grade with the same teachers, Miss Miller and Miss Stone. Newcomers were Betty Rhamy, Phyllis Scott, Leo Lowenberg, Joyce Stahnke, and Verlea Gay. Mrs. William Anderson was our new music teacher and Mrs. Keith Whitmore took charge of our physical training. For the first time our class elected officers. They were: Nancy Henson, President; Eddie Joe Roberts, Vice-President; Duane Patterson, Secretary; and Earl Gage, Treasurer.

YR1951PG016

The big step from Junior High to High School came in the fall of '47. We were not as green as most Freshmen, we were "greener." Forty-five of us began our high school days together. We were quite active as Freshmen, or at least we thought we were. All of the girls joined Y-Teens and most of the boys took part in the Hi-Y program. Six of the boys joined FFA and five of the boys earned minor letters in football, while ten of our classmates took part in the music program, six in band, and four in mixed chorus. Our class officers for the year were President, Charles Crouse; Vice-President, David Penwell; and Secretary-Treasurer, Delmar Wirth. What's this, not someone leaving us already? Yes, it's sad but true. This year we lost Jeanine Hays, Claude Stevenson, Wendell Kelly, and Lois and Louis Hill. One new member was gained, however, Bill Scott. Our Sophomore year began without much fanfare. Leo Lowenberg received a major letter in football and Betty Fisher in Girls' Basketball, New Sophomores were Howard Miller and Ellen Selby, but we lost Leo Lowenberg, Mary Jane Waage, Nita Silvus, Billie Marie Gardner, Phyllis Scott, Harvey Cain, Keith Wills, Ellen Selby, Mildred Waterman, and Nancy Henson. Class officers were: President, Delmar Wirth, Vice-President, Charles Crouse, and Secretary-Treasurer, David Penwell. At long last we were upperclassmen. Our Junior year proved to be a very busy one because we worked quite hard to put on a "big blowout, " for the Junior-Senior Prom. Some of our money making projects were a magazine subscription campaign and managing a refreshment stand in the armory during basketball season. New classmates were Bob Lindell, Thomas Penry, Russell Kimpson, and Norine Ayers, while Russell Loghry and Betty Else left us. Officers for this year were: President, Delmar Wirth, Vice-President, David Penwell, Secretary, Charles Crouse, and Treasurer, Corliss Graham. Only twenty-seven of us were still climbing the steps of VHS when our Senior year arrived. Those missing from our ranks were Corliss Graham, Bob Lindell, John Murren and Norine Ayers. During the year we lost two more, LaVerna Bosteder and Betty Rhamy. Some of the year's high lights were; class pictures, working on the annual,

skip day, and the Junior-Senior Prom and Banquet. Class officers were: President, David Penwell, Vice-President, Joyce Stahnke, Secretary, Dorothy Wright, and Treasurer, Barbara Brenton. The editor of the Annual was Eddie Joe Roberts, and the assistant editor, Charles Crouse. Those who spent all their school years at Villisca are: Dorothy Wright, Duane Patterson, Gene Smith, Anna Marie Belding, Laurence Hoyt, and Carl Finkle. We wish at this time to express our thanks to all the teachers who have helped guide us through the past thirteen years of school. We appreciate your fine work and all the assistance you have given us to help us reach our goal. Some of us will be going on to higher schools of learning while some of us will end our education here, but all of us will always remember VHS with a warm spot in our hearts.

1950 Football Season

Although the 1950 football team won only two games all year they were an improving team with each game. Losing many of their lettermen of last year they reported for practice a week before school started. The returning lettermen were: Charles Crouse, Earl Gage, Duane Patterson, Eddie Joe Roberts, Ted Bauer, Larry Shepherd, Jan Stickland, Dick Marsh, Dale Mains, and Duane Williams.

In the first game of the season the Blue Jays were defeated by a determined Bedford eleven. The final score was Bedford 26, Villisca 0.

Villisca, making a quick start and taking advantage of their opponents mistakes resulted in a victory for the Jays in their third game. The game proved to be a grueling battle to finish. The Jay eleven proved the stronger in the end and the game ended, Villisca 19, Lenox 7 .

A powerful Atlantic team rolled over the inexperienced Jays 38-0.

In a raging downpour the 1950 Jays played one of their most memorable games. They lost the game to a muchly favored Creston team 12-0 but displayed great ability to hold their opponents. Playing in mud 2 to 3 inches deep, wearing soggy uniforms and sloshing off and on in puddles of water was one of the most remembered experiences of the year.

At Orient, Villisca posted its second win of the season by again striking early and then out playing the Orient team on defense. The final score, Jays 19, Orient 13.

Shenandoah, showing its mighty power overpowered the Jays by a score of 47 to 0. Leonard Gourley of Shenandoah, set a scoring record in the game by gaining a total of 36 points.

At the homecoming game the Red Oak Tigers defeated and outclassed the Blue Jay eleven. The score at the final gun was, Red Oak 49, Villisca 18.

Corning, led by Drexel Lundquist rolled over the Jays in the next game by a score

63 to 24. In this game Lundquist broke the record set by Gourley by racking up 50 points.

In the last game of the season the Jays and Clarinda Cardinals fought to a 7-7 tie in bitter cold weather. So ended the 1950 football season with a record of two wins, six losses and one tie.

Music--Betty Fisher and Janet Noble Social--Shirley Mattingly and Donna McCullough

Advisors--Miss Rusk and Mrs. Hyink

There are over ninety girls in our Y-Teen Organization and we have all had a big job to do. Some of our activities for the year have been: Gypsy Patteran, Freshman Recognition, Father-Daughter Banquet, Kiddie Party, Valentine Party, Mother-Daughter Tea, and Installation of new officers. But in this Y-W-C-A organization it is not all play by far. We have adopted a little Belgium girl and have her to support. We also send girls to Grinnell College each summer for a week to find out more about the Y. W.C. A. When there is a family who needs help we girls all work and see what we can do to help.

Some of our ways to raise money are: selling basketball pencils, selling popcorn at games, and after school, selling fireman's ball tickets, and many other things that keep us busy. We have had a lot of fun together and know they will keep on helping people and having fun for a great many years. The Y-Teens are under the supervision of Miss Rusk and Mrs. Hyink, two wonderful advisors.

Hi-Y

Clean Sport, Clean Speech, Clean Living, is the platform of the Hi-Y Boys. They try to spread this platform throughout the school and Christian Community. Every member was inducted into the club by a formal initiation, presented by Greenfield Hi-Y officers.
Hi-Y sponsored several dances after games. To help promote Boy-Girl relationship, a hay ride was sponsored for couples only. Many different discussions were held during the meetings.
Officers of the club are: Charles Crouse, President; Ted Bauer, Vice-President, Timmie Larson, Secretary; Val Brannan, Treasurer; Delmar Wirth, Chaplin; Sponsor, Coach Don Reed.

Sponsor - Miss Gardner
Cheerleaders
It is the cheerleaders job to assist in leading the students of V.H.S. in yells and promote school spirit at football and basketball games. They also have charge of pep-chapels before games. Because of so many basketball games one pep-chapel a week was held.
Homecoming is a great event for the cheerleaders as well as the rest of the students. Going out and getting material for a bonfire, making a dummy, and planning out the snake dance, keeps the cheerleaders busy.
Shirley Sanford, Jo Ann Carlson, Peggy Day, Jo Ann Taylor, Andy Crussell and Delmar Wirth were the cheerleaders of this school.
Projectors Club
The projectors club made a dark room this year, in which they learned how to develop pictures and print them. Also, the many different types of cameras were studied. Many members of the club were allowed to use the school's camera to take pictures of the school activities.
How to run the movie projector was studied. When a member passed the final test, he was allowed to run the projector during assembly or class movies.
Material for developing pictures were high, so money had to be raised. Here are some of the ways they made money; one dollar dues were paid, school dances after games, sold pictures they had developed and showed movies during noon hour to high school and grade school kids.
Officers are as follows: President, Gene Smith; Vice-President, Jerd Fiddler; Secretary-Treasurer, Howard Millers.

Future Farmers of America
The Future Farmers of America is a national organization reaching from the state of Washington to Puerto

Rico, from the state of Maine to Hawaii. F. F.A. was organized in 1929. Villisca's Chapter started in 1938. Forty-five active members make up the Villisca Chapter this year.
Everyone in F. F. A. is kept very busy. Some of the events were: National Convention held at Kansas City, Missouri, October 11-13. State Convention held at Sioux City, Iowa, April 18-20. Parent-Son Banquet, Basketball games with neighboring chapters, hay rides, skating parties with Home Ec. girls and field trips. Some of the ways the F. F. A. boys made money were: selling garden seed, seed potatoes, and seed corn, Christmas cards, wrapping paper, ribbon and all occasion cards, selling programs at football games, testing seeds for purity and germination. Our largest money making project is the work day. This is a day set aside for all F. F. A. members to work and turn the wages into the treasury This finances the Parent-Son Banquet.
Officers for the year are: President, Delmar Wirth; Vice-President, Vernon Lenhardt; Secretary, Bob Means; Treasurer, Wendell White; Reporter, John W imams; Sergeant-at-Arms, Duane Williams, Bradley Shafer; Advisor, Reno S. Smith.

Class History

On the first of September, 1939, 21 angelic little children started on their careers of crime and destruction in the Villisca schools. In kindergarten, we were taught by Miss Gamble. Our class was the only one which ever bad to go all day. I always wondered if those naps they made us take were for our rest, or for the benefit of our poor worn-nerved teacher.

On to the first grade with Miss Carpenter as our teacher. Pat Clark and Jean Stamps got into a fist fight this year. Frosty Patton entered from Nodaway and immediately got into it with the teacher. After the first tough nine weeks we were divided into two groups. The teacher couldn't stand us all at one time.

In the second grade we took a train ride to Stanton. We each had a dime. The ticket cost nine cents, and we were all very thrilled about that whole penny we had to spend in Stanton. This year Maurice and Bernard got their first big crush. Unfortunately they both picked the same girl. So like gentlemen they agreed to keep her in partnership. The object of their affection was a little gal in kindergarten. Lou Ann, do you remember that?

In third grade we had Miss Olson who, after teaching our class for about a half year, decided that nothing could be any worse, so she joined the WACs. Mrs. Gray took over from there and valiently pushed us through. This was the year that we gained that sweet, quiet, little boy, Larry Shepherd. The first recess he was here, Jean Stamps backed him up against the wall to kiss him. He always said that he didn't have a thing to do with it, but we know, don't we Larry? Third grade seemed to be a very romantic year. Pat Clark and Billy Span also had a big case on. This year Dale Archer left us to go to Belvue, Nebraska.

In fourth grade we had Miss Dodson who left at the half to get married. Mrs. Wilson took over from there.

New faces this year were, Shirley Sanford, Dean Gage, Barb Bontrager, Barb Durbin, Sherold Wisecup and Delbert Schroeder. This year we took the nature hike and captured a nice slimy little green snake for a pet. We insisted on keeping it, over the protest of our teacher. This year Jean Stamps moved to Mason City.

In the fifth grade we were taught by Miss Mercer, who must have been very brave. She managed to endure us for the entire year. This was the year that Peg Kimel stabbed Leonard Peak in the neck with a compass, because he declared his true love was Shirley Sanford. We had a May Festival that year. Burt Larson and Barbie Bontrager were attendants to the King and Queen. Pat Clark moved to California. Dale Archer reunited with the class.

The sixth grade was a fairly quiet year. Miss Miller was our teacher. This year we put on the operetta, "Rumplestiltskin." We then learned how shapely Larry's legs were. Will anyone ever forget how the socks we wore, in the operetta, bagged at the knees??? Pat Clark re-entered this year.

At last we had reached the building way over on the other side of town. Boy, did we think we were wheels. In two weeks this opinion was changed. The new faces this year were Ellen Phillis, Peg Day, Elmo Ankeny, and one of the most memorable events of the year was when James Higgins was knocked out of his seat by Miss Miller, and landed in the aisle on his head.

This next year was a very eventful one. We were now kings of the Junior High, and we tried very hard to act like it. New kids this year were Margaret Wagaman, Jo Ann Carlson, Maggie McKee, Jo Ann Taylor, Carmelite Larson, Andy Crussell, Vernon Lenhardt, Nancy Focht, and Richard Thomas. The big romances this year were Jo Ann Carlson and Larry Shepherd, Sherold Wisecup and Peg Kimel, and Lee Scott and Peg Day. Our eighth grade party was very memorable, with the theme of "Mardi Gras." Also, there are about seven kids who didn't graduate until they had gone an extra day and improved their knowledge of poetry. It never pays to go fishing when you should be at a class play. Peg K., Peg D., Jo Ann C., Maurice H., Larry S., Sherold W., and Lee S. were reminded of this for quite some time.

In the fall of "48" we finally reached the third section of the long climb to what we hoped would come to an end in "52." The new faces we noticed this year were the following: Mary Ankeny, Bill Baker, Mary Jo Bashaw, Waverly Brown, Louise Bryson, Elizabeth Corbin, Donna McCullough, Janice Hyink, Evelyn Gourley, LaDean Jergenson, Betsy Johnson, Everett Larson, David Minge, Bradley Shafer, Wendell White, and Duane Williams. The girls were the most proud of all after winning the Y-Teen ticket sales. This year we also remember when the water fountain just happened to break. It just happened that a few freshmen girls were getting a drink there and flooded the main hall.

Our sophomore year we gained Jird Fidler, Richard King, and LeRoy Platt. Will anyone ever forget the sophomore party? We know that Mary Jo never will.

Our junior year was very full and busy one. Our class play was "Clementine," with Nancy F. in the lead. We also had a stand in the Armory at all basketball games. This year we received our class rings which we went around flashing in front of everyone. Our junior-senior banquet theme was the "Gay Nineties." Donna Sperry joined our class this year. We also had four girls in the Homecoming ceremonies this year. They were Nancy F., Peg D., Jo Ann C., and Donna S..

Well, we are now almost to the end of the line. Graduation will soon be here. This year we lost Shirley Sanford, Jo Ann Taylor, Sherold Wisecup, and John Murren. Our sponsors were "Doc" Strange and Mr. Sanders. Some of the events we have had so far this year are Homecoming, with JoAnn C. as queen and Nancy F. And Donna S. as her senior attendants. We quite well remember our senior square dance. Don't forget how tired and worn out our sponsors and their wives were the next day. Of the twenty-one kids who started in kindergarten only eight are left. They are Burt Larson, Maurice Hoyt, Pat Clark, Evie McKinley, Bernard Weaver, Tom Emerson, Dale Archer, and Peg Kimel. Now we have been here for about thirteen years and as good things must come to an end, we must bid a happy, yet sad farewell.

Class Will

We, the Senior Class of Villisca High School, cream of the intellect, do hereby bequeath all our property and our properties yet in our possession to the fortunate heirs listed below. Margaret McKee is the leader of the Women's Christian Temperance Union in Tenvill. This kept her so busy she never had time to marry.

Larry Shepherd has acheived his mark in the world by inventing a typewriter that makes no mistakes.
Carmelita Larson, known to her employees as the "Double Clutching Kid" now owns a nationally known trucking line, 'Double Clutchers Incorporated'.

Dorothy Johnson jilted Bernard Weaver for Richard Thomas, the greatest thing that hit Hollywood since Donald Duck. Bernard has joined the French Foreign Legion.
Bradley Shafer, after dieting for the last twenty years, has finally been accepted by the Esquire Model Agency.

You all remember Everett Lamm back in "52." He is now running for President of the United States.
La Dean Jergensen is now running Jergensen's Speedy Escort Service in Paris.
Betsy Johnson now has her own musical show on radio. We find none other than Barbie Bontrager singing commercials.

Class Poem
All around the class rooms, We wondered for four years,
Just contented to let the knowledge, Seep in and out our ears.

When our teachers were around, We loved 'em like we should,
 Things never got too bad, But they never got too good.
 We know Betsy who likes to sing, And appear upon the stage,
 And Bryson and Kimel have rings, To show they are engaged.
 Wendell White and Andy Crussell, Were really a sensation,
 When they discussed the problems, Of our United Nations.
 Jo Ann Carlson and Carol, Donna Sperry and La Dean,
 When it comes to going steady, They were really on the beam.
 If Elmo Ankeny had a car, That was as quiet as he
 Oh, what a combination, The two would surely be.
 E.P., E.G., E.C., These initials we are tellin',
 Because they belong to Evelyn, Liz, and Ellen.
 Barbara and Mary Jane, Want to be nurses,
 To make patients well, And do away with hearses.
 Bert's the slim one in our grade, His nickname is Slat,
 His middle name is Glade Oops! Wasn't supposed to tell that.
 David was good at physics, Lee was a whiz at math,
 But it really added something, To hear McKee laugh.
 LeRoy Platt and Donnie Gay, We hope their friendship never wains,
 And when this term is ended, We'll find them flying planes.
 Everett is the president, Peggy Day is the vice,
 We're glad they joined us, Because they're both so nice.
 Wagaman is really athletic, Especially in P. T.,
 If she continues to practice, She'll be able to touch one knee.
 So when the term is ended, And when summer's drawing nigh,
 Donna Lou and Nancy Focht, Will leave here with a sign.
 Delbert is head man, At a clothing store,
 He has to arrive early, His job is sweep the floor.
 Dorothy Johnson is the girl, The boy is Bernard. Weaver,
 Barbara Durbin and Duane, Are not so bad either.
 Bill and Dean are the quiet type, They seldom say a word,
 But when they get out of school, They'll sure make themselves heard.
 Richard King and Maurice Hoyt, Were always such good guys,
 One was noted for his mouth, The other for his eyes.
 And of course you know that, Tom always used his head,
 To lay upon his desk top, Instead of pencil lead.
 Bradley Shafer likes to joke, In Nickie friendship glows,
 Mary Jo has pretty eyes, Pat and Evie dote on shows.
 Jird was the first of the seniors, To take his physical exam,
 We know we'll miss him, While he works for Uncle Sam.
 Dale Harold Archer, Nearly always late to school,
 Was known to tell the teacher, "Had to have a game of pool".
 I guess Larry Shepherd, Must be the class clown,
 Even on the teacher's face, He could brush away a frown.
 She likes a lot of sunshine, She gets a nice tan,
 There is no better swimmer, Than our girl Jan.
 Vernon Lenhardt and Richard Thomas, Are out for a good time,
 I'll have to leave a blank here, I can't think of a rhyme.
 To write another verse, Waverly could not do,

Because it would get worse and worse, And so this poem is through.

With two top-notch coaches, "Doc" Strange and Fred Humphrey, the Villisca Bluejays started a new season of football. Although they won only two games, they showed a lot of fire and teamwork as the season progressed.
The two games which Villisca won came at the end of the season with victories in the homecoming game with Clarinda, by a score of 12 to 6, and in the Lenox game by a score of 20 to 7.
Of course the homecoming game was the most thrilling of the season. Villisca scored in the first quarter on a line plunge by Baker, and Strickland scored in the third quarter on an end sweep. Clarinda scored on a pass in the third quarter. Villisca had previously held them for four downs after a Blue jay fumble on the first down.
In the Lenox game, Villisca had one touchdown called back in the first quarter after a 65 yard run by Strickland, but caught fire and won out at the end, 20 to 7.
The Seniors playing on the team were Carol Hess, Duane Williams, Bill Baker, Andy Crussell, LaDean Jergenson, and Larry Shepherd. Carol Hess was a two-year letterman at end and was one of the co-captains. Bill Baker, another two-year man, played in the backfield and was the other co-captain. Duane Williams played in the backfield for two years and was moved to guard this year, where he did a fine job. Larry Shepherd was another

backfield man, playing at quarterback for three years. Andy Crussell came out in his Senior year, after a long layoff due to a back injury in his freshman year. LaDean Jorgenson, another one-year man, did a fine job at halfback.

The Class of 1953 wishes to dedicate this annual to Mr. Fred Humphrey. As basketball coach, Mr. Humphrey
has led the Bluejays through one of the most successful seasons in the history of VHS, and his help has also
contributed to the accomplishments of the football and track teams. His ability as a teacher of World History,
Health, and Boys' Physical Education is as outstanding as his aptitude for coaching, and he presents a
personality and character which serves as an inspiration and example for all of the students in school.

Class History

As we look back to a warm day on September 1, 1940, we see just a few of the angelic little children who are still with us today. Entering kindergarten we see Betty Ankeny, Janet Christenson, Charles Fisher, Dale Mains, Richard Marsh, Jeanne Marvick, JoAnn Marvick, Deloris Schroeder, Bob Scott, Kent Smith, and Gene

Westerlund. The highlight of this year was our very "jazzy" kindergarten band consisting of cymbals, tamborines, triangles, and drums. We also had a play house. All of the kids brought something to furnish the house, but very few got their things back. We had such a large class they had to divide us into two sections. One came in the morning and one in the afternoon. Mrs Stinson was our teacher.

The first grade was not too historical, although we picked up knowledge by the bushel basket, and of course it ran right back out, just like water. Our teacher was Miss Carpenter.

Jimmy Wagaman will never be forgotten for the merry chase he led around our second grade room after taking Miss Meyer's keys. We gained Judy Vernon this year.

We were now in the third grade, and our happy little throng was joined by Marge Wallace. Our teacher was Mrs. Gray. This year we lost Betty Ankeny.

We had minded our "p's" and "q's" that year, so the teachers got together and decided us into the fourth grade. Here we were joined by Jan Strickland and Melvin (Little John) Oltmann. Dick Marsh returned from Georgia. Our instructor was Mrs. Clark. This year we presented the play, "Rumple Stilt-skin." Gene Westerlund fitted the title role perfectly.

On to the fifth grade. We lost a few members this year. They were Bill. McCreehy, John Veak, and Deloris Peterson. Our lucky teacher was Miss Mercer, and, oh yes, that was the year Bob Rambo entered our class.

We were now kings of the grade school, because we were in the sixth grade. It seems that several boys had their mouths taped shut by Miss Robinson because they were using the telephone in the library. The naughty, naughty boys were Tom Stinson, Dick Marsh, Charles Fisher, and Gene Westerlund.

At last we were in the high school building. Yes, at last we had made it! We were growing up, and had gone five blocks east, and were entering the junior high. We thought we were big shots, but soon we were taken down a few botches by the eighth grade. Newcomers were Mary Fast, Joan Fast, Janet Noble, and none other than Floyd "Geek" Olson. Out teachers this year were Miss Miller and Miss Gruber. We also got a big bang this year. Duane Hess, who was visiting school after being in Germany a while, Shot off a firecracker under the junior high drinking fountain. We haven't seen Duane since.

We were now ruling the junior high. Joining our class in the eighth grade were Lila Minge, Shirley Sierp, and at the semester, Arlene McCullough and Valjean Branan. Additions later in the year were Darwin Linn and Marvin Carlson. The class party was a picnic in Clarinda. Afterward we went skating. All in all, we got through it, and there we were, ready for high school.

At last we were in Senior High School. We were join by Jacky Hensel, Bob Hensel, Bill Anderson, Vivian Cartwright, Dwaine Cooper, Mary Doll, Mary Lou Hedstrom, Marilyn Jackson, Sara Jo Lee, Naomi Mauderly, Gerlad Norcross, Richard Orton, Carolyn Waage, Raymond Kimpson, Cleo Fidler, Clark Crussell, Bob Means, and Betty Brown. We were high salesmen for carnival tickets. Joann Marvick was carnival queen. We had a dance in the gym for our class party The class officers were President Sara Lee, Vice President Bill Anderson, Secretary Mary Lou Hedstrom, and Treasurer Kent Smith.

As Sophomores we were one step higher on our ladder of education. We gained Ronald Clark and John Patterson from Arkansas and Lloyd Stille from Emerson. We had a dance for our party this year. It wasn't a bad party, even though the chili was scorched. Our officers were President Arlene McCullough, Vice President Dick Marsh, Secretary Jan Strickland, and Treasurer Darwin Linn.

At last we had become upperclassmen. To raise money for the Junior-Senior banquet we sold magazines and had a stand at the armory for basketball games. We gained Lillian Burkhart and Norman Pierson • We lost Sam Penry, Bob Hensel, Bob Rambo, Jim Lewellen, Dennis Black, and Austin Core. Our class play was "Our Miss Brooks." Officers were President Dale Mains, Vice President Dick Marsh, Secretary Darwin Linn, and Treasurer Gene Westerlund.

Those missing from our Senior year were Cleo Fidler, Vivian Cartwright, and Clark Crussell. Some of our important happenings were our Career Day at Clarinda, working on the Annual, Skip Day, end the Junior-Senior Banquet. The class officers were President Dick Marsh, Vice President Gerlad Norcross, Secretary Lloyd Stille, and Treasurer Richard Orton. The Homecoming Queen was Naomi Mauderly, with Arlene McCullough, Mary Fast, Lou Ann Patterson, and Kathy Stille as her attendants. Shirley Sierp was queen and Richard Orton

King at the Valentine Dance, and their attendants were Kent Smith, Melvin Oltmann, Arlene McCullough, and Janet Noble.

Now we would like to take this opportunity to thank all the teachers who helped us through these past thirteen years. Some of us may not amount to much of anything, and others may go on and become great people in this world. But all in all. we will always remember Villisca High, wherever we may go.

YR1953PG011

Senior Prophecy

One day as I was driving through Iowa, I decided to stop in Villisca to see what I could find out about my classmates of 1953. Lo and behold they were all gone! But the old town gossips were still here and raring to tell me all they knew. So I let them talk to their hearts content.

As you all know Betty Ankeny always wanted to be a nurse, well she is in fact the head nurse, at it Bill Anderson's hospital. The sign above the door reads "If your pet feels ill, bring him to Bill".

Ronald Clark, former "Civil Air Patrol Boy", is now Captain Video of the "Video Rangers" Television program.

The former woman hater of V. H. S., Norman Pierson, has finally, after many tiring decisions, picked his harem and fled to South Africa.

Dwaine Cooper and Arlene McCullough, the brains of the class, eloped leaving poor Richard Orton at the alter. They are now residing at their Chicago establishment with Richard escaping to Hollywood to be a stand-in for "Andy DeVine".

Mary Lou Hedstrom has her own T. V. program called "Mary's Kitchen". Well Well, look who is her ass-latent, nobody else but Lloyd Stille.

Hey Hey, Here is a bulletin fresh off the Press. "The new world's champion trapeze actress is now Miss Lillian Burkhardt with Miss Betty Brown es her costume and hair stylist.

Carolyn Waage and hare. Jo Lee have just become sole heir of Sierp's Oil Station. Carolyn is heed cook with Sara Jo handling the gas pumps.

The truest couple of V. H. S. are Janet Noble and Bob Scott. They are now residing in the thriving city of Sciola. Bob has charge of the up keep of the grave yard.

Darwin Linn, Dale Mains, Dick Marsh and Gene Westerlund are now employed with Paramount Studios. Their latest picture tells of their experiences with Co. F. The picture title is "The Best Years of Our Lives".

Kent Smith has now taken Hal Block's place on the panel T.V. program "What's My Line".

Oh look here! Naomi Mauderly has just won national fame as the first women to catch for the Stanton baseball club.

Mary Fast has now set the new worlds record in her jet plane. She had to catch up with a certain Flyboy.

Jacky Hensel and Marilyn Jackson had so many men they didn't know what to do so they locked them in a pumpkin shell and there they kept them very will.

Deloris Schroeder and Melvin "Little John" Oltmann are now on Broadway with their latest tap dancing routine. The name of their show is "Little John and Jeanne's Follies".

You all remember the "Little Brown Church in the Vale" at Nashua. It now has, as the head pianist Margery Wallace and the Pastor is none other then Re-. Robert Means.

The Harlem Globe Trotters have just signed a new manager. She is none other then Miss Mary Doll.

Charles Fisher is now assistant to the worlds genius. After the passing away of Albert Einstein, his office is now occupied by Marvin Paul Carson.

You all remember that Gerald Norcross always wanted to be a big factory president. He now removes warts from pickles, large dills. His assistant is none other then our little Shirley Sierp. She disposes of the warts.

Janet Christenson is now "Miss Universe" of 1963.

According to Jeanne Marvick's "Chitter Chatter Column" the top crooner of the nation is John Patterson He is now opening at the RIALTO Theater in Villisca, Iowa.

If you happen to be out for a joy ride in the country you may run into Joan Fast's and Joanne Marvick's little farms. Take heed to the signs on the gates "Be Ware of the Children" as they both believe "Everything is Cheaper by the dozen".

Valjean Brannan and his wife have now moved to Greenland where he is head of a construction crew. His wife the former Lila Minge is the head cat skinner.

Dickeyville just set up a new Child Welfare Agency. the head advisor is our own Jan Strickland.

Class Will

We the class of 1953, do will and bequeath all the following items to the "lucky" underclassmen. To the juvenile juniors, we will our outstanding athletic, musical, dramatic, and scholastic abilities. Of course we shine in ell!

To the sad sophomores, we leave our safe driving practices; no speeding, no "peeling" around corners, no stopping at stop signs, and no driving through lovers lane.

To the funny freshmen we leave our politeness, courtesy, respect toward the teachers, quietness in the halls, and consideration for fellow atudents.

To the school we leave bent locker doors, water fountains filled with Chewing gum, ennumerous wastepaper wads, initials on desks, damaged typewriters and books, and many fond memories of our intelligent class???????????

We appoint the chief executor of our will, Miss Kuhl, our cheerful sponsor for the last two years.

YR1953PG012

Class Will Cont'd

Jan Strickland wills his "charming" ways with the fairer sex to Eldon Hill. With this comes one warning, "stay away from Bloomfield".

Charles "Buckshot" Fisher bequeaths his hunting skill to Jon Goodman. With this comes two dozen shot-up rubber decoys.

Mary Fast leaves her good figure and gracefulness to Duane Vannausdale.

Kent Smith leaves his position as Hi-Y chaplain to Ronnie Means. We will now have 30 seconds of silent prayer.

Gerald Norcross sadly leaves his great driving skill to "Speedy" Sallie Bergren.

Carolyn Waage leaves her devotion for members of the armed services to Carolyn Mitchell. ks if she wasn't busy enough all ready.

Shirley Sierp wills her job as office secretary to Virgil Core. Hard work et times Virgil, but makes it much easier to skip school.

Bob Means leaves his great ambitions for hard studying to George Scott. This will keep you busy in study hall for a long time, George.

Dwane Cooper, Lloyd Stille, and Ronnie Clark leave a warning to all the rest of the men in old V. H. S. "Stay away from three girls who you'll recognize by the "53" class rings"!!!

The writers of this will, Valjean Brannan and Mary Lou Hedstrom, leave their many hours of hard work and preparation of this will to next years seniors. We also leave a slightly used deck of playing cards and our ninth hour seats in the principals office.

Lila Minge leaves her position in the library to Russel Acton. Now it will be legal for you to be in the library all the time, Russel.

Betty Ankeny bequeaths her ever popular (If you'll pardon the expression) hiccups to just anyone who will take them. Betty is kind of tired of being laughed at so much.

Betty Brown leaves her quiet ways to that meek little boy Jim Bauer.
John Patterson wills his Toni permanent to Jim Olenius. Now there will be no doubt which twin has the Toni!!!

Jeanne and Jo Anne Marvick leave their ability to look and act alike to the Siamise twins, Carolyn Lenhardt and Phyllis Rickles.
Wild Bill Anderson wills his long-winded stories to David Windom. With this technique Bill has bluffed through many a long assignment.
Mary Doll wills her basketball technique to Linda Moore. The best of luck Linda.
Norman Pierson leaves his loud-playing trombone to Wayne Guss. Much nearer your size than the tuba Gussy.
Marge Wallace wills her brown-nosing ability to Robert Andrews. Maybe it will help you get your assignments in on time Bob.

VILLISCA VS BEDFORD
20-7

The Bluejays opened the season with a bang by defeating Bedford to the tune of 20-7, on the Bulldog field.
The Jays were just too much for the light Bedford team.
VILLISCA VS ATLANTIC

13-6
The first home appearance of the Jays saw them conquer the Atlantic Trojans 13-6, for the first time in many, many years. The Jays were in command all the way.
VILLISCA VS SHENANDOAH

0-18
The Shen mustangs dealt Villisca their first defeat, 18-0. This game is sometimes referred to as "Villisca's Last Stand," because of the many injuries suffered by the Jays.
VILLISCA VS GLENWOOD
39-12

It was homecoming, and the Jays rose to the occasion to trample the Rams 39-12. Villisca's attack was sharp and hard hitting.
VILLISCA VS CORNING
12-18
"Doc" Strange took his thundering herd over to Corning in what was expected to be a smashing triumph for the Jays. A so-called weak but determined Corning squad all but shoved the Jays off the field.

VILLISCA VS CRESTON
48-0.

The Jays, still simmering over last week's upset loss to Corning, bounced back in a big way to crush the Creston Panthers, 48-0. The Jays displayed power in every department.
ISCA VS CLARINDA 33-13
Villisca cooled one of its arch rivals, 33-13. The first half was played on even terms, with the Jays holding a 7-6 edge at the half. Clarinda was completely outclassed the second half.
VILLISCA VS RED OAK

9-13

The Villisca Jays were forced to taste defeat by one of the smoothest grid machines in the state. The Tigers were ranked number two team in Iowa, but a stubborn Jay team played them on even terms the entire baligame. The Jays held a two point lead going into the 1-st three minutes but Red Oak still edged out a close win.
VILLISCA VS MISSOURI VALLEY
13-6
The Bluejays ended the season on a splendid note by slipping past the powerful Big Reds of Missouri Valley. It was a bitterly fought contest all the way, but the Jaya emerged victorious.

HOMECOMING
Football season was again climaxed by a very successful homecoming. Naomi Mauderly was chosen queen by the student body. Her attendants were Kathy Stille, Mary Fast, Arlene McCullough and Lou Ann Patterson. Pam and Park Hunphrey carried the crown and the bouquet of red roses onto the football field where Naomi was crowned by co-captain, Buddy Carlson. The football field was decorated in Villisca's colors, blue and white and Glenwood's colors, black and gold. Villisca won the homecoming game 39-12. The evening was climaxed by a dance in the gym, sponsored by the student council.

The 1952-1953 basketball season was one of the most successful in the whole history of the school. The Jays were a fighting and driving team, with rebounds and defense gaining them their most wins.
Highlights of the season included a win over Red Oak in the game of the week in Iowa, and being the top defensive team in the Hawkeye Eight. The Jays were ranked third in southwest Iowa during most of the season.
The main reason for the Jays turning in one of the most successful season in a number of years was because of the guidance from Coach Humphrey. Anyone who was very close to the team could tell that it was he that caused them to stand and pound out victories.

Class History

Our history of thirteen long but happy years started in the fall of 1941, when thirty two shy and bashful little boys and girls entered kindergarten. Through destiny and fate, only seven of the thirty two were to go through all thirteen years together. Those seven are: George Scott, Beverly Still, Ron Means, Lou Ann Patterson, Jim Bauer, Jane Enarson, and Marilla Ankeny. James Black, Shirley Black, and Ruth Sprague were gone part of those years. The others in the kindergarten class were: Anabelle Arbuckle, Judy Moriarty, Lois Goodwin, Nancy Moore, Georgia Graham, JoAnn Wagaman, John Armstrong, Phillip Currin, Gene Sunkin, Billy Wohenhaus, Dwylla Kelly, Marvin Hess, Verla Bean, Alice Bosteder, Leah Ne Northrup, Florence Matson, Jerrot Gear, Gary Kirby, Billy West Donna Finkle, Donald Overman, Margaret Waage, and Lois Shrimpton. We had a little band that year. We had alot of rhythm but made little music. Our teacher was Mrs. Vivian

Stinson.

In the first grade we had eight new faces in our room. They were: Ray Rhamy, Russell Acton, Evelyn Baker, Marvin Potter, Alfred Hendry, and Peggy and Betty Storm. The faces of Shirley Black, Nancy Moore, Ruth Sprague, and Alice Bosteder were gone. We moved our classroom because of the cold. Miss Carpenter was our teacher.

Second grade Ruth Sprague came back. Ron Wallace, Virgil Core, and Urias Garey entered our class for the first time. We lost Florence Matson, Evelyn Baker, Billy West, and James Black. A May Festival was given. Our representatives were Beverly Still and Billy Wohenhaus. Our teacher was Miss Katherine Meyers. James Black and Alice Bosteder were back in the third grade besides: Clifford Hendry, but we lost: Donna Finkle, Verla Bean, Leah Ne Northrup, and John Armstrong. Two plays were given that year, one was the Dutch play "Under the Windmill" and the other was "Rumplestiltskin." At the May Festival Jim Bauer and Anabelle Arbuckle were attendents. Our teacher was Mrs. Gray.

In the fourth grade we welcomed Evelyn Baker as a classmate again as well as two new ones. Glen Hossman and David Hanson. However we missed Russell Acton, Virgil Core, and Billy Wohenhaus. No plays were given this year because of the war. Mrs. Clark was our teacher.

Twenty seven pupils enrolled for our fifth grade. New pupils were John Williams and Candus Stahnke. Shirley Black was also with us again. Missing were Clifford Hendry, Donald Overman, and Marvin Hess, who had gone to Germany. An operetta "Season of Happiness" was presented by the grade school. Miss Nelson was our teacher.

Four pupils joined us in sixth grade. They were: Virgil Core, Russell Acton, Clifford Hendry, and Marvin Hess. Sheri Shields and Alvis Smith were new. We lost Gene Sunkin, John Williams, and Phillip Currin. That year three brilliant pupils wrote a play "It Happened One Christmas." The authors were Georgia Graham, Jim Bauer, and George Scott. A walk out strike was planned but it turned out to be unsuccessful. Our teacher was Miss Redburn. A few of the pupils attended her wedding at the end of the year.

Jr. High at last. In seventh grade six new persons joined our class. They were Betty Raines, Ray Ankeny, Duane Hall, Marilyn Couch, and Vincent Else. Marvin Hess, David Hanson, and Alvis Smith moved away. Two plays "Beep-Beep-, Clang-Clang, Boop-Oppa-Doop," and the "Life of the Party." We had three teachers that year. They were Miss Miller, Miss Gurber, and Miss Shaffer.

Our eighth grade class grew to thirty six. New in the class were: John Minge, Dwight Orton, Pam Pearson, Judy McCullough, Jack Keat, Bob Andrew, and Janice King. John Williams rejoined us and Alfred Hendry left us. A play was presented at the High School Carnival entitled "The Last Laugh." Our graduation party was held at the Clarinda Skating Rink. Georgia Graham was class president and representative to the Student Council. Our teachers were Miss Peters and Mrs. Dye. Graduation was held in the High School Auditorium May 18, 1950. In the fall of 1950, we finally reached the last long step of our education which we hoped would come to a happy end in 1954.

As freshmen we were very active, or at least we thought we were. We started out with fifty six in our class. We were joined by Marlin Williams, Sharon Schantz, Edith Stanley, Beverly Bergren, Berniece James, Duane Nippert, Ruby Wirth, Hal Prowett, Stanley Carmicheal, Dorothy Kimpson, Duane Vanausdale, Duane Hall, Loren Stuvick, Janis Archer, Janice King, Bonnie Brown, Ruth Barr,

Margaret Peterson, Kathryn Stille, Charlene Hayes, Ellen Hedstrom, and Darwin Werner. We elected as our class officers, John Williams, John Minge, Jim Bauer, and Ray Ankeny. Our Student Council representatives were John Williams and John Minge. As our class party we went skating in Clarinda. Our sponsors were Miss Rusk and Miss Kolberg.

Our Sophomore year was a gay one. We lost more school mates than we gained. We gained Gene Murren, Charlene Burkhart, Raymond Kimpson, and Shirley Dollen. We lost Alice Bosteder, Raymond Kimpson, Dorothy Kimpson, Charlene Hayes, Duane Hall, Darwin Werner, Dwylla Kelly, Betty Raimes, Edith Stanley, Lois Shrimpton, and Judy Moriarty. Class officers were John Minge, Judy McCullough, Berneice James, and Ron Wallace. Our Student Council representatives were Ron Means, Jim Black, and Candus Stahnke. Our sponsors were Miss Gardner, and Mr. Humphrey. We had a square dance and chili supper for our party. Lettermen were Ron Means, Ron Wallace, Jim Bauer, George Scott, Russell Acton, John Williams, John

Minge, and Loren Stuvick. Marilla Ankeny and Jane Enarson lettered in Girls Basketball. We are at last upper classmen!! This was a very busy and industrious year. Our class play was "It's A Great Life." A lot of time and energy was put into our prom. The theme was "Chinese Gardens." We elected as our sponsors Miss George and Mrs. Yungschlager. Our Student Council representatives were Ron Means, George Scott, and Shirley Dollen. Class officers were Ron Means, Candus Stahnke, Jim Black, and Judy McCullough. This year we gained Janet Guss and Jim Eichelberger. During the second semester we lost Duane Vanausdale, and Jim Eichelberger.

Long last!! We finally reached the top! This year was a very exciting one. Although we didn't accomplish too much, we had a lot of fun. We only lost one member of our class, Anabelle Arbuckle. This year we elected Ron Means, Evelyn Baker, Ron Wallace, and John Minge as our class officers. Our sponsors were Mr. Berg and Mr. Laipple. Our Student Council members were Judy McCullough, Evelyn Baker, Ruth Barr, and Ron Means. As our class party we had a hayride.

At this time we would like to thank all those who helped us through the past thirteen years. And we will always remember Villisca High, no matter where we are or what we are doing.

Class Prophecy

Case History--Los Angeles Police Department

The story you are about to read is true--only the color has been changed to prevent a scandal.

The year is 1964--The place, Villisca, Iowa

At nine-fifteen the call came in from the chief--the entire senior class of 1954 was missing. My job was to find them. The chief's name is Faraday, my assistant was Saturday, my name is Friday.

At ten-twenty I reported at Villisca High School, where the students were last seen. I talked to Supt. Anderson for 53 minutes, booked him on a vagrancy charge, then continued on the case.

At 11:03 I raided the Conoco Station, now owned by Sheri Shields. I booked her on a 903 for disturbing the peace after she shot her husband, Dean Gage. I learned from the big boys in the pool hall that George Scott, after going broke from throwing too many parties, was now residing at the County Poor Farm in Stanton, feeding rabbits to earn his keep.

Ronald Wallace has just finished remodeling his hot rod so he and his fiance, Evelyn Baker can go to Arkansas to get married. It is rumored that he is making her pay two cents a mile for the trip.

Professor Dwight Orton of the Mass. Institute of Technology, recently astounded the scientific world, as he has just perfected his own technique for manufacturing saw dust from diamonds.

Girls, is your beauty slipping???? If so come to Duane Nippert's Beauty Salon in West Dickyville. (Paid advertisement)

John Hinge was recently employed as a dance instuctor for the Arthur Murray dancing school in New York.

Jim Black is now working for Ringling Bros. Circus. He has just been billed as the worlds tallest man. Recently he was measured at 15 feet and 8 inches tall.

Bev Bergren finally got tired of driving hot rods and decided to teach

YR1954PG018

drivers training in Bee Bee Town.

Judy McCullough and Berniece James can now be seen on television every Wednesday night, on the Pabst Blue Ribbon Bouts. They are women wrestlers.

When Penny suddenly decided to leave town, Ellen Hedstrom took over his job of picking up pop bottles, she also sells flea powder as a side line.

Charlene Burkhart just broke the speed record for the cross-country bicycle race.

Janis Archer is now known as Two-pail Archer, the only girl who can milk two cows at one time.

Ruth Sprague is now the "big boss" at the Villisca Review.

Candy Stahnke is now the P.T. teacher in V.H.S. She decided that it was the only way to keep her school girl figure.

John Williams and his wife, the former Sharon Schantz, are now missionaries in Southern Thailand.

Gene Murren just recently gave up raising hogs and decided to raise cane. He and his wife, the former Ruth Barr, recently bought the largest sugar plantation in Cuba.

Mr. and Mrs. Ronald Means are now living in Sidney, Iowa, where they are raising "ducks". His wife is the former Jane Enarson.

James Allen Bauer, the ace football player from VHS, is recovering from injuries received while making passes at Mrs. Ray Ankeny, the former Beverly Still.

Kathie Stiller after waiting ten years, finally joined the Wacs to be with Dick. She is now the private secretary for General Jack Keat.

Glen Hossman, after electing Eisenhower for his third term as President, recently refused the vice-presidency to take his old job of testing Hazel Bishop Lipstick.

Janet Guss, now the owner of a 2000 acre farm in Wyoming recently proposed to Russell Acton. Of course he accepted and they are going to be married next week.

Margaret Peterson, now owner of Lines Central Market, eloped with Loren Stuyick last week after going steady with Everett Larson for the last 23 years.

Word has not yet been heard from Stan Carmichael, but it is rumored that he eloped with Bonnie Brown back in '55.

Lou Ann Patterson is now the Dean of Men, at the Nebraska University. Vincent Else, who was once Reno's star brownie has succeeded Reno Smith as F.F.A. basketball coach.

Shirley Black, Janice King and families are now residing in Hawlyville raising goats.

Shirley Dollen has been hired as babysitter for Coach Jones' 12 kids in Atlantic. That way she can be near her old flame.

Manilla Ankeny is new head of the Ankeny & Ayres Construction Company. And so, with the help of Saturday, a year later we had rounded up all 40 members of the class of "54". We here-by declare this case closed!!!

Class Will

We, the Senior Class of the small metropolis of Villisca High, county of Montgomery, and state of Iowa, being of sound mind and memory, supposedly, do hereby make and declare this to be our last will and testament. Therefore, it shall in no way or ways be altered, changed, added to or subtracted from, or otherwise defaced, lest the villian be subjected to punishment under the law of this, the state of Iowa.

Senior Class Poem
 Now back in the fall of '53
 The Senior class started their tree. Twas a mighty one to young and old
 And it stopped the underclassmen cold.
 The girls would gaze, admiration plus
 Ron Means their hero, the lucky cuss.
 Then there was Jim, so tall and gruesome
 Don't you think he and Lou would make a lovely twosome?
 And along comes Wally, in his slick little '40 That boy and his car, they sure look sporty. Then there's Russ, and Carol, the perfect pair The way some people talk, the opposition's unfair.
 There's Kathy and Maggie, (no longer free) (Bet their secret desire's to go out on a spree) Beverly and Dick, they're still running around Bev the announcer and Dick, he's the clown.
 There's Janet and Lloyd, best couple of all
 They make up in width, what they left out in tall. Then's Jack and Stan, the worst in the game,
 They still shrug and shriek at the sight of a dame.
 But our couple most timid is Stuvick and Red Most all will agree, the boy's touched in the head. There's poor old John Minge, raiser of cattle Say, his Ford will be junk, if it gets one more rattle.
 Then comes preacher John Williams, the inconstant lover Although Janet's tall, he still towers above her. Now comes Berneice James, charmer of guys
 She can make the boys howl be rolling those eyes.
 Ruth Sprague, a steady of VHS
 Looks forward to matrimony I guess.
 Dwight Orton's another hard type to place
 But you'll always find Dwight with that smile on his face.
 But those girls in Glenwood George Scott can find And to hear him tell it, it's routine grind. Then comes Jim Black, smallest senior by far But don't mistake him, he's right up to par.
 There's Judy McCullough, a far cry from cupid
 But has that girl got brains, she'll make you look stupid. Then come Ellen and Charlene, the girls with the charms They'd giggle and shriek at a boy in their arms.
 Each noon at 12:30 you'll see Bob and Ruth Barr Stay right with him "Hootchie", that's a pretty hot car. There's Sharon and Evelyn, the best of friends Those gals and their diamond? What romantic trends.
 That's a few of our classmates, the wonderful fellows Both loyal and true till we swing from the gallows. So we leave VHS, the school not to fear
 But most faces mentioned won't appear here next year.

This year book of the Class of 1954 is an attempt to capture and preserve the many memories of our school days. We have recorded on these pages some of the happenings of our past days of school, and the names and pictures of our teachers, classmates, and friends. When we review these pages in the years to come, may they bring back happy recollections of our high school days.

The Student Council co-ordinates all student activities. Although the Council has no actual authority they can make recommendations to the administration. The Student Council selects assemblies, supervises cheerleader elections, and helps solve problems of the school. This year they set up a system by which to pass to lunch and made pennants of conference schools for basketball. The Council was first organized in 1949. They try to bring the students and faculty members closer together. Members are elected from each home room with the presidents of the Junior, Senior, and Junior High classes, and the editor of the school paper as beneficial members.

Football
Nine returning lettermen and a large group of promising newcomers greeted coach Ken Jones at opening football drill, and prospects for a successful season were bright.

Opening the season August 24, at the Bluejays field. The Jays posted an impressive 26 to 2 win over the Bedford Bulldogs. The Jays struck early and the happless Bulldogs were no match.

In the second game of the season the Atlantic Trojans arose victor over the Bluejays defeating them 27 to 12 on the Atlantic field. The strong line of the Trojans proved too much for the Bluejays as they fell behind by two touchdowns in the first half and failed to make up this ground in the final half of the game.

In the second conference game of the season the Jays squeezed out a 12 to 6 victory over the Shenandoah eleven. Both of the Jays scores came in the last nine minutes of the game.

Disaster hit the Jays in their fourth game of the season. When the Villisca team traveled to Glenwood to play the Rams on their home field, neither team scored the first half. But in the last half, the Jays couldn't stop the Glenwood eleven as they crossed the Jay's goal four times.

Fighting back hard after taking a 24 to 0 defeat at Glenwood, the Jays won their homecoming by beating a pesky Corning team for the first time in four years. The final score was 33 to 14.

In playing the sixth game of the season, the Jays met very little opposition and posted an easy 33 to 18 win over a weak Creston team. The Jays struck early and then the reserves took over and held the lead. The victory brought the Jays up to 3 wins and 2 losses in conference play.

The seventh game of the season was played against the Red Oak Tigers on their home field. The Bluejays fell behind 20 to 7 early in the game and failed to stage a comeback in the final two periods of play. Both teams played terrific defense the last half with neither team scoring.

Highlight of the season came in the last conference game of the season. A

YR1954PG044

fighting Bluejay eleven was the master all evening and came out on top with a 19 to 6 victory over their traditional rivals Clarinda.

The last game of the season was played on the Jay's home field against the Big Reds from Missouri Valley. The Big Red's hadn't been beaten by an Iowa school but the Jays handled them in good fashion and came out with a decisive, 31 to 14 win. The victory gave the Jays 6 wins and 3 losses for a fine season record. Villisca was fourth in the Hawkeye-Eight Conference standings.

Villisca was well represented on the All-Conference selections by placing two members on the first team and two on the second team. Those on the first team were: Quarterback Ron Means and Tackle Al Marsh, a Junior. Ron was Honorary Captain on the All-Southwest team. Guard Dewey Fastenau and Center Jon Goodman, both Juniors, were on the second team All-Conference.

STUDENT COUNCIL

The Student Council, organized in 1949. co-ordinates all student activities. The Council has no governing power but can make recommendations to the administration. The Council also selects programs, supervises cheerleading elections, and helps to solve other problems that arise in school. The main purpose of the Student Council is to bring closer relationship between the faculty and the student body. This year the Council has devised a new method of electing cheerleaders. Members of the Council were elected in a little different manner this year which is as follows: Each class chose three representatives in their initial class meeting, plus presidents of the junior, senior classes, editors of the Annual and editor of the Volcano, and presidents of the junior high classes. This method was adopted because there were no home rooms this year. Sponsored by GOLDSMITH SHOE STORE

The Villisca Bluejays entered this season with only two returning lettermen: Junior Minge, and Dewey Fastenau. The team fought with the spirit of true sportsmen but came out on the winning side of only two games. However, the future should be a little brighter with next year’s probable starters averaging over 6 feet. We should be one of the tallest teams in the history of the school.

CLASS HISTORY

On the morning of September 3, 1943, a group of eager young students were escorted into the Kindergarten room of the Lincoln School Building of Villisca, Iowa.

Their teacher was Mrs. Vivian Stinson. The group consisted of twenty-eight runny-nosed delinquents, namely: Jimmy Doherty, Mary Evons, Mary Lowenburg, Lois Lowenburg, Sharon Moriarty, Jaunity O'Riley, Clifford Pettengill, Joyce Selby, Dean Archer, Joel Freeman, Joyce Freeman, Willis Baker, Duane Pullen, Bob Means , Donna Finkle, Sharon Draper, Karen Hoyt, Sharon Fisher, Mary Hirniller, , Elmer Burns , Bonnie Ankeny, Leona Johnson, David Snow, Darleen Sanders, Norma Freeman, Kent Richey, Bill Forsythe, and Norman Anson.

Though entirely unknown at the time, of these twenty-eight, during the next few years only ten were ever to endure through graduation. This year began the first of the many great adventures that were to follow and though we didn't do anything of really historic importance at the time, it was of great significance to each one of those of us who had our beginnings there. We had just begun when we had our first loss. It was Bonnie Ankeny; then Kent Richey dropped shortly after. But before we could lose any more, we were joined by Jean Doan from Corning and Charles Burton from Clarinda, who made up for our loss. Then after nine months of toil we were on our way to the first grade. Our new teacher was Miss Virginia Pfander. Along with our new teacher, we also picked up several new additions who were: Shirley Stevenson, Alma Cahoon, Etta Walker, and Roger Stevenson. We also lost four: Roger Stevenson, Etta Walker, Mary Emmons, and Leona Johnson.

After a few months of dodging homework, paper wads, and tests, we were more than ready for the second grade. Here again we gained some new friends: Mary Hossman. , Janet Sanders, Patricia Kirby, Bonnie McFarland, Phillip Wagaman, Peter Beery, and Kent Richey, who after having looked for something better in California was now ready to accept dear old V. L. G. S. as being best and try again. Our teacher was Mrs. Ruth Ruckman. This year we decided that we would all surprise our mothers on Mother's Day by stenciling on table cloths with crayon and, indeed, we did for our efforts were truly unique and quite unconventional.

A few of our members, namely: Elmer Burns, Phillip Wagaman, Dean Archer, Joel Freeman, Sharon Fisher, Alma Cahoon, and Lois Lowenburg, were marooned in the second grade and had to wait for the next class going through. But the rest of us proceeded on to the third grade to meet our new teacher, Miss Miller. We gained five new additions who were: Sam Carmichael, David Rambo, Patricia Chambers, Mary Ellen Peterson, Betty Currin, and Leona Johnson, whom we had known before.

Alma Cahoon was one of the people we lost that year and Mary Ellen Peterson was the other. Our main objectives were learning to read better and learning to write with ink. Miss Miller also read to us several books that year, which we enjoyed more than our school work. From here we went on to the fourth grade, a great advancement because we were now upstairs with the fifth and sixth grades. We were really getting to be big stuff. Our teacher this year was Mrs. Ruth Hentsch. Our new classmates were: Norma Miller, Marcia Bloom, Judy Williams, and Bill Dumbler. Our fourth grade year went smoothly according to calculations or should we say multiplication tables? Our losses this year were: Bill Dumbler, Patricia Chambers, Judy Williams, Duane Pullen, Joyce Selby, Norma Miller, and Donna Finkle. Next came fifth grade and while we were on our way, we stopped to pick up an old friend, Bonnie Ankeny. The new teacher directing our class this year was Miss Mary Waymire, now Mrs. Ralph Strange. We gained a few classmates this year which helped to make up for the heavy loss last year. The new students were Leona Raines, Howard Watson, Bob Link, Sharon Cahoon, and Vernon Else. Our fifth grade year proved to be an interesting year indeed. In search for new experiences of obvious educational value, we decided to have a party whenever we could. We began with a surprise birthday party for Miss Waymire. This we followed with several birthday parties for class members; then topped it all off with a big surprise engagement party for our teacher. Then we found out she was getting married to "Doc" Strange. Wow! We did have fun that year! In fact, we all enjoyed it so much that we decided that parties should become a class tradition from then on. Our only losses this year were: Howard Watson, Juanita O'Riley and Sharon Cahoon.

YR1956PG020

Leaving the fifth grade, we made our way on up the ladder of education to the sixth grade. We found here a triple threat of teachers: Miss Sylvia Enarson, Mrs. Agnes Milligan, and Mrs. Vera Buffon, Inc. Our new classmates this year consisted of Kenneth Sierp and Roger Littell, who, as far as the girls were concerned, were a welcome addition. This year was our big year for we were now the upperclassmen of the Lincoln building and we readily had good. Now we could use the basketball court or anything else whenever we wanted to and when we wanted to be Chuck Graham or Don Heller, there was no upperclassman to tell us that we couldn't. And, of course, true to our newly founded tradition, we had several parties which included a birthday party for Miss Enarson in which our whole class sneaked up the fire escape with refreshments and gave Miss Enarson, our principal, the surprise of her life. We lost this year Mary Lowenburg and Bob Link. When we reached Junior High, we found a different situation entirely. What's this? A "man" teacher ? 11 Good heavens--two teachers at once! Miss Myrna Hughes, now Mrs. Bob Johnson, and Mr. Donald Holstrom. Our recess was replaced with P. T. , with the boys playing softball and basketball under the direction of Mr. Holstrom. The girls played softball and basketball under the direction of Miss Hughes. We gained eight other girls: Jean Shipman, Amelia Williams. Shirley Stevenson, Ruth Units, Lavon Adair, Barbara Bartz, Shirley Jones, Lois Goodwin, and Joyce Norcross. There were a few losses, however. We lost: Roger Littell, SharonMoriarty, Willis Baker, Shirley Jones, and Betty Currie. Finally, after eight years of blood, sweat, and toil--eighth grade. The teachers were Mr. Alfred Clark, Mrs. Mary Strange, Miss Sylvia Enarson, and Miss Elna Langford. Along with troubles there was fun to make up for everything else. Beginning our freshman year, our numbers increased to include Bill Kernen, Eldon Hill, Wayne Smith, Leo Davies, Manfred Balduan, David Windom, Everette Lee, Bernard Brenton, Willis Baker, Marilyn Gray, Alan Meier, Mary Barr, Joyce Peterson, Charlotte Crouse, Virginia Hein, Richard Brown, Leona Raines, John Bashaw, Shirley Cozad, Donna Vannausdle, Norma Waage, Shirley Stevenson, and Joanne Miller. During this year we had the distinction of being the wealthiest class in school. For class parties we went skating, had a dance, and a scavenger hunt. Our class officers were: President Charles Burton, Vice-President Leona Johnson, Secretary Bonnie McFarland, and Treasurer Kenny Sierp. Our sponsors were Mrs. Hyink and

Coach Fred Humphrey. We lost four members: Lois Goodwin, Marcia Bloom, Joanne Miller, and Amelia Williams. As sophomores we had passed another milestone in our journey of education. This year we had two parties--a dance at the Country Club and another skating party. During the course of events we made some more money and it was applied toward our prom. The class officers were President Bob Means, Vice-President Charles Burton, Secretary Mary Barr, and Treasurer Charlotte Crouse. Because we had gotten along so well with our last year's sponsors, we asked Coach Humphrey back and because Mrs. Hyink had left, we chose Mrs. Yungschlager, who was later replaced by Coach Ken Jones. Then came the junior year, our pinnacle of success, in which we staged one of the most economical and magnificent Jr.-Sr. proms ever recorded in the history of dear old V.H.S. It's theme was a Hawaiian Cruise. We gained Mary Hoffman this year and lost: Shirley Stevenson, Manfred Balduan, Marilyn Gray, Sharon Draper, Norma Waage, Donna Vannausdle, Joyce Freeman, Jean Shipman. Another high spot of this year was "Dear Ruth," our class play. Even though it was not extremely profitable, it will provide many memories in future time for the cast members: Kent Richey, John Bashaw, Pete Beery, Dave Snow, Janet Sanders, Mary Hossman, Carmen Smith, and Joyce Norcross. Class officers were President Charles Burton, Vice-President Kent Richey, Secretary David Snow, and Co-Treasurers Ken Sierp and Janice Olenius. Our junior sponsors were Miss Steinhauer and Miss Castner. Then came that last, long-awaited destination; we were seniors. At last we had gained the top rung of the ladder and we knew it. As seniors we lacked very little. We enjoyed the best of parties which were far from lacking in number . Our Senior Class Play was entitled "Ghosts" with a cast of: Pete Beery, Mary Hossman, John Bashaw, Bob Means, and Virginia Hein. For class parties we attended the prom and went on Senior Skip Day. Our class officers were President David Snow, Vice-President Bill Kernen, Secretary Ken Sierp, and Treasurer Joyce Norcross. Our class sponsors were Mr. Laipple and Mr. Hansen. This year we lost only Ruth Units who missed us so that she soon returned.

 This yearbook of the Class of 1956 is an attempt to capture and preserve the many memories of our school days. We have recorded on these pages some of the happenings of our past days of school, and the names and pictures of our teachers, classmates, and friends. When we review these pages in the years to come, may they bring back happy recollections of our high school days.
 Now we are ready to leave, but firstwe would like to say to you teachers and fellow students--thanks for everything. We have both gained from and enjoyed your company. We hope that you have found it likewise.

JAYETTES

Left to Right: Bernice McFarland, Guard; Wanda Wheeler, Guard; Heather Wilhelm, Guard; Beverly Anson, Post Forward; Mary Hoffman, Guard; Jeanne Richey, Forward; and Patty Doggett, Forward.

The Jayettes started the 1955-56 season with a new lineup which lacked experience due to the graduation of four starters. This fact was responsible for a slow start by the cage team, but as the season progressed and the girls gained experience and self-confidence, they found the victories -came easier. They reached their peak during the time of the County and Sectional Tournaments, being runner-up to Wales-Lincoln in the final play-off of the County Tourney. The Villisca gals then went on to win the three games of the Sectional Tournament at Prescott and become the first girls' team in Villisca High School history to win a Sectional Tourney, and an automatic District birth. A strong Tingley team ended their bid in the first game at Creston.

Much will be expected from this squad and their Coach Jack Argotsinger next year as only one girl will be lost by graduation.

Without warning another year is gone. Each of us has memories of the year that linger. We of the 1957 Annual Staff have created this yearbook in hope that it will bring back memories which you will cherish. Our hope is

that in years to come, you will return to the 1957 Annual and smile a smile or two as familiar scenes and faces flash back. The annual staff has strived towards a goal to make this an Annual which will appreciated and treasured by all.

 The Villisca Blue jays started the season with a 13-6 victory over Bedford. This was the first win for the Jays in two seasons. John Burton made the first tally for the Jays in the first period on a drive up the middle. Tom Ten Eyck took a 17 yard pass from Jim Branan late in the game for the last score of the game.
 In the next contest the Jays held a strong Atlantic to only 12 points, but lost the game 12-0. This started a losing streak that lasted the rest of the season. The jays held a heavily favored Shenandoah team to only 8 points for three quarters, but fell down to lose by the score of 21-0. Villisca was held scoreless in the next three games as they lost to Glenwood 20-0, Corning 39-0, and Creston 35-0.
 The Jays came back to make a strong showing against Red Oak. Villisca threatened several times, but scored only once as they lost a 7-6 decision. Morris Stille made the jays lone touchdown on a one yard drive. In the last game of the season, Villisca lost to Clarinda 18-0.
 The jays were an inexperienced and young team. There were only three seniors on the team. They were Co-Captains Vince Ashmore, Bob Brown and Ted Davies. The team showed improvement through the season and they look for a better season next year.

TRACK TEAM
The third annual Blue jays Relays held at Villisca this year was a success.
The 1956 relays saw 42 schools and some 450 contestants enter. This made it the largest track meet in the
state for "B" and "C" schools exclusive. It also ranks among the largest track meets of the state open to all
schools .
This year saw the first time that any Missouri schools attended the relays . This helped make this years Blue
Jay Relays a success.
There were seven track lettermen returning to the Blue jay squad this year. They are: Seniors--Ron Lewis,
Vince Ashmore, and David Hanson; Juniors--Ron Cooper and Dick Johnson; Sophomores--John Burton and Bob
Sierp. Of these seven Vince Ashmore, Ron Cooper, and Dick Johnson won honors in the district meet last year
and went to the state outdoor meet.
These lettermen aid Villisca's strength in the broad jump, hurdles, dashes, high jump, and half-mile, as well as
several relay events .

YR1958PG025

This year the Blue Jay squad participated in the State Indoor Track Meet at Iowa City which they have done in the past. Besides the other local meets, those who qualified in the district meet went to Ames for the State Out Door Track Meet. Another thrilling track meet was the Drake Relays at Des Moines. In this track meet only the better track and field events in the state were qualified to participate.

This year saw eight returning track lettermen to the Blue Jay squad. They are: Seniors--Ron Cooper, Dick Johnson, Allen Hays, Glenn Archer, and Gary Germar; Juniors--John Burton. Ones not there when picture was taken: Bob Sierp and David Baker.

These lettermen will strengthen Villisca in the broad jump, high jump, hurdles, dashes, half-mile, pole vault, and discus, as well as in several relay events.

FOREWORD

This is the first "forward" to appear in a Villisca High School Annual. I am proud I was asked to write it.
The BLUEJAY this year contains many evidences of the changes which have taken place since the effective date of the first Villisca Community School District. These changes have taken place simultaneously with social, scientific and governmental changes of international importance. I believe local changes such as have taken place in our school system are often a reflection in peoples minds of international or national developments. The world will continue to influence and cause changes wherever people are alert to cowing needs. Each student who learns this lesson early can help bring these changes about in a peaceful manner beneficial to all men. May we all continue to serve this important function.

This is VHS – hopes ... fears ... victories ... and defeats. Yes, this is “Our School” ... the lunch lines and assemblies ... the classes and faculty ... daily assignments ... and crowded lockers ...
The dreams and frivolity of the lives of those who crowd its halls each year ...
From early morning, when the doors open to the way of learning ... till late at night, when the swish of the janitor’s broom sounds through the empty halls ... It’s all here ... “We’re from Villisca, and couldn’t be prouder”!
The Class of 1960 present the ...

Dedication In Memoriam
FRED WESLEY CARMICHAEL
1942 - 1959
The 1960 Bluejay is dedicated to the memory of Fred Wesley Carmichael. Fred, as a quiet and thoughtful student, earned the respect of all who knew him.
One of Fred's main interests was sports. He was active in football, track, and baseball. For his participation he was awarded two varsity letters in both football and track.
Fred's enthusiasm for sports was shown by his efforts in forming a local baseball team.
He was also student manager for the basketball team for two years. His popularity and leadership abilities were shown by his being elected president of his sophomore class.
For our friend,"who, by the grace of God, has the privilege of being a boy throughout Eternity,")we dedicate this volume.

In Memoriam

GARY GORDON BRANAN

(1943-1959)

IN MEMORIAM

There are times in high school's busy days when students pause to pay tribute to the memory of a classmate who has met death prematurely. Such a day was December 14, 1959, when Gary Gordon Branan, a sophomore at VHS, was killed in an automobile accident.

Gary, the son of Mr. and Mrs. J. Wilbur Branan, was active in sports during his school days, participating in football and basketball. He was a member of Hi-Y and was Teen Haven Council secretary.

He served as class president during his freshman and his sophomore years at VHS. Gary was an honor roll student.

"They shall grow not old, as we that are left grow old;

Age shall not weary them, nor the years condemn. As the going down of the sun and in the morning We will remember them."

HIGH SCHOOL

Two new school buildings and school district reorganization were part of our school year. Villisca is proud of its new grade school building, and addition to the high school. Along with the new buildings, our school district increased in number of pupils and size. They are an evidence of the growing school community.

If you can dream-and not make dreams your master;

If you can think-and not make thoughts your aim; If you can meet with Triumph and Disaster

And treat those two imposters just the same;... If you can fill the unforgiving minute

With sixty seconds' worth of distance run,

Yours is the Earth and everything that's in it, And-which is more-you'll be a Man, my son!

Rudyard Kipling

FOREWORD
VHS - We will remember you.
VHS - Always the same yet always changing. . . . an old school, a new one, too. . . . happy days, sad days,
fleeting days gone by.
Students will come and students will go - but none will remain unaffected by life at VHS. Out of the drama of
her halls, the frivolity of her pupils, we grew as we learned. We will leave her sadly - yet with pride and
gratitude in our hearts. We will remember her dearly when her halls no longer echo with our own laughter. . . .
We will look to her and proudly say. . . .
VHS. . . . our school
It's all here in the Bluejay - the year we'll never forget - as we turn back the leaves of time. . . .

YR1961PG006
DEDICATION
He has been much more than a fine principal - he has been a friend and counselor. He has shown not only
knowledge but also understanding and guidance.
It is with deepest gratitude, with respect for his earnest and capable labor, and with heartfelt graciousness
that we think of him.
Because of his inspiring personality and character, we are proud to dedicate the 1961 Bluejay to

BOOSTER CLUB
This group of Villisca High athletic enthusiasts, operating under the auspices of the Bluejay Booster Club, will drive more than 40,600 miles this year giving taxi service to athletes in Villisca schools.
This remarkable group of one-hundred fifty persons, of which only fifty are represented here, makes 1,621 trips motoring the students to their homes following afternoon sessions at Villisca and Nodaway.
Although this volunteer organization's chief project is the tremendous transportation program, the highlight of the year is the sponsoring of an All-Sports Banquet held in the spring for the VHS athletes. This event always features a prominent speaker from the sport's field, such as this year's guest, Jerry Burns, head football coach at State University of Iowa. Another attraction headed by the Boosters was the benefit basketball game, featuring the Harlem Magicians, which drew a packed-group in the gymnasium.
The group's officers are Joe Lines, President; Kenneth Kernen, Vice-President; and Wally Williams, Secretary-Treasure

IF -
If you can keep your head when all about you
Are losing theirs, and blaming it on you,
If you can trust yourself when all men doubt you,
But make allowance for their doubting, too;
If you can wait and not be tired by waiting,
Or being lied about, don't deal in lies,
Or being hated, don't give way to hating,
And yet don't look too good nor talk too wise;
If you can dream and not make dreams your master, If you can think, and not make thoughts your aim, If you can meet with triumph and disaster,
And treat those two imposters just the same; If you can bear to hear the truth you've spoken Twisted by knaves to make a trap for fools, Or watch the things you gave your life to, broken, And stoop and build 'em up with worn-out tools;
If you can make one heap of all your winnings, And risk it on one turn of pitch-and-toss, And lose, and start again at your beginnings, And never breathe a word about your loss; If you can force your heart and nerve and sinew To serve your turn long after they are gone, And so hold on when there is nothing in you Except the will which says to them: "Hold on!"
If you can talk with crowds and keep your virtue, Or walk with kings-- nor lose the common touch, If neither foes nor loving friends can hurt you, If all men count with you, but none too much; If you can fill the unforgiving minute
With sixty seconds' worth of distance run, Yours is the Earth and everything that's in it, And—which is more-- you'll be a Man, my Son!"
By Rudyard Kipling

TRIBUTE TO VHS
The time has come when the class of '62 must finally place aside the books of high school learning and go on to make our own way completely unsheltered for the first time in our lives. We shall always remember you VHS as have the graduates of the past and as will the graduates of the future. You have been our home away from home, a guide during the difficult years, an educator, and most important of all a friend that will be remembered forever and enduringly. You were the one to teach us how to dream and how to make our dreams come true. What we have and what we shall have in the future is but a result of what you have given us through knowledge and insight that only a school that cares can give.
As we, the class of '62 leave your hallowed halls of learning, we leave with a fond memory that will no doubt grow fonder with each passing year. And with this closing thought we leave: TO YOU DEAR ALMA MATER WE PLEDGE OUR ALLEGIENCE.

Dedication
To a friend "who by the Grace of God will be a boy throughout Eternity". Gary died on December 14, 1959, from injuries received in an automobile accident. His enthusiasm for improving our school was shown by the respect of his friends and his participation in school activities. We the Senior Class of 1962 dedicate the yearbook to Gary Gordan Branan.

Student Council

The object of the Student Council is to bring all pupils and faculty members into relations of mutual assistance and co-operation in the affairs of school life and to develop and maintain democratic ideals. Some of the special projects that the student council passed were a "Twerp Day" and a "Dress-up Day" once a month. In November they sent out questionnaires to all students in high school to get their opinion on the proposed projects and ask for suggestions. A student lounge project was started in January and is opened during the noon-hour.

Foreword

Students, we consider it a privilege to help you grow intellectually during your four years in Villisca High School. Through our guidance and your associations with your fellow classmates, we trust you will also develop a sense of loyalty and responsibility that will enable you to reach your highest goals and enjoy life to its fullest extent.

We are proud of past students who have proven their worth in the many fields of endeavor they have chosen. We look to you the classes of '63, '64, '65 and '66 to carry on the tradition of success that we associate with our school.

To you, seniors, we express our thanks for the fine examples you have set for the underclassmen. We hope you will have pleasant memories of your years in V.H.S., and remember that even the "trials and tribulations", have no doubt contributed to your growth as mature individuals.

As you go on to higher accomplishments, our faith in your continued success goes with you.

Dedication

She has been an effective and capable English instructor, and an untiring sponsor of the Volcano. Not only is she a dedicated teacher, but a helpful friend to her pupils. She constantly strives to instill in them the desire to continue their education after high school. A most admirable trait is her wish to guide each student to become a good and responsible citizen.

With deepest admiration, we proudly dedicate the 1963 Bluejay to Miss Florence Burrish.

VILLISCA COMMUNITY SCHOOLS

Louis A. SULLIVAN, Superintendent

VILLISCA, IOWA

Dear parents of VHS Students,

In the early nineteenth century our ancestors initiated a system of education for this country that enabled all children to attend school on an equal basis. The idea was radically new, and to this day, has no equal among the nations of the world. At present, thirteen years of free education are provided. Yes. Free to the children, but not to the adults. The cost of education for all is substantial and we sometimes complain that it is a terrible expense. Is it strictly an expense? Let us consider the position that the people of this country enjoy: in world leadership, in the highest standard of living, in an opportunity to succeed, in the comforts of life, and in the leisure time to enjoy these comforts – to name only a few.

When we consider the returns, we realize that the money spent on our schools is not an expense, but is one of the most fruitful investments in which the taxpayers of this country engage. Compare with the benefits

enjoyed in other countries that do not have an enlightened populace. It is evident that there is a direct relationship between education and the standard of living enjoyed.

Education will continue to produce returns in relation to the investment. In 1958 the cost of thirteen years of education for all was 3.7 per cent of the gross national product. What do we enjoy today for 3.7%? – education is our most fruitful investment.

Sincerely,
Louis A. Sullivan
Superintendent

Mr. Sullivan, and Mr. Stotts not only work as superintendent and principal respectively, but also do various other services connected with the school system.

Although Mr. Sullivan is rarely seen relaxing, a photographer captured him here as he paused to drink a cup of coffee in the faculty lounge. On occasion Mr. Stotts may be found serving hot lunch when help is short. He was parade marshal for Homecoming. Both work with the rest of the faculty to make VHS the best.

Blue Hawaii
On the night of May 18, 1962, the prom created by the Class of '63 was on display. The flavor of Hawaii was present -everywhere - the room, the decorations, and the table favors. Punch was served from large grass shack in the center of the room. Authentic native lads and lassies (hula lads and hula maids) served each prom-goer with genuine Hawaiian friendliness.
Don't think that the guests were not finely entertained because they were. Authentic native maidens (Jack, Steve) entertained the crowd with wild enthusiasm. To add some fun and some embarrassment to the honored guests-the Class of '62 a tropical game - "It Shouldn't Be You" was played.
Guests were still dancing the night away when the chaperones said that the party was over. Special movies at the "Rialto" presented another few hours of entertainment for those who could enjoy it
Was the prom a success? - Ask the guests.

Varsity Cheerleaders
Yea VHS
This year the Varsity cheerleaders are Kaye Jamison, Donna Penwell, Joan Robinson, Pat Fryer, and Diane Sunderman
The Cheerleaders play an important role in setting the pace of school spirit. They plan and present pep assemblies for the school year. The cheering squad divides its time between football and both girls' and boys' basketball games. The group is an essential part of the VHS Athletic Department.

YR1963PG037
Booster Club
Although membership in the Booster Club is unglamorous and many times thankless, it nevertheless plays a major role in stirring up enthusiasm in both the parents and community. The officers are Marlin Gunderman, president; Walter Gourley, vice-president; and Willis Marvick, secretary-treasurer.
The club is responsible for the transportation of all players and pep groups to athletic events. The football players are grateful to the booster club for sponsoring a trip to Ames to a football game. A show of appreciation is long overdue the booster club members for the fine work and enthusiasm they have displayed.
Junior Varsity
Cheerleaders
Karen Cooper, Becky Alexander, Barbara Penwell, Becky Baker and Janet Strain compose the Jr. Varsity squad. This group combines their efforts with the Varsity to add pep and enthusiasm to both girls and boys basketball games.

The girls' team finished the season successfully by taking second place in the District Tournament in Atlantic. Because of conflicts with schedules, the girls were unable to make their bid for a victory in the Sub-State Tournament. The trophy pictured here was awarded in Atlantic to the five below. Mrs. Youngman sponsors the group - Judy Spencer Lynda Sutphen, Kay Veak, Mary Means, and Dee Gunderman. Only girls participating in District play are shown.

It will be sometime before we forget such colorful baseball personalities as the "Nodaway Boys" Leland Carmichael, Gayle Heard, and Denny Bartz. Their talkative spirit and fine talent kept the morale of the Jays high through the season although the record shows only five victories in fifteen starts. We also salute Lee Gourley, another top player, who left for the Air Force Academy early in the season. His energetic spirit and good sportsmanship set a fine example for upcoming baseballers.
The winning record of the freshman-sophomore team leaves hopes of many fine seasons to come.

The 1962 football season showed improvement over previous years. In his second year as head football coach, George McVicker guided his team to a 1-1-7 season making them tied for fourth place in the first year of Tall Corn Conference play. Hopes are high for the season next fall for nearly all the players are returning.

A derby from Derby...

O.K. men. Let's get tough.....
Pondering the winning play
The spirit and sportsmanship demonstrated by VHS coaches was an excellent example to all who participated in sports during the 1962-63 season. Win or lose, they have continued to give to their teams the same high quality leadership.
Mr. McVicker, Mr. Herring, and Mr. Barker have all been outstanding players on Villisca's town team. The team is a member of the Southwest Iowa Independent Basketball League and at the time the annual went to press, they led the league with a 7-1 record. The Harlem Magicians claimed the only victory from our Villisca All-Stars.
The devotion by the coaches to the boys' and girls' athletic departments won the constant admiration of the school and community. The high standards by which they live demonstrates the VHS coaches as a tribute to their profession.

Although the season shows a record of only 8 wins and 10 losses, it was far from uneventful. The Jayettes ended the year tied for third place with Bedford in the Tall Corn Conference. Villisca was the only team to beat the Conference Champs, East Union. Highly-rated Anita squeaked by the Jayettes in an invitational tournament at Cumberland-Massena. The team boasted a strong defensive court comprised of Kathy Wertman, Phyllis Brown, Lana Johnson, and Mary Lynn Rusk.

Student Council
The student council is a vital part of high school and serves in an advisory capacity to the principal, giving insight into school related problems from the students' point of view The morale, goals, and ideals of the school are influenced and affected by the efforts and conduct of the student council
Under the leadership of the president, Earl Sunderman, many improvements have been made in the school The success of the Football Homecoming parade can be attributed largely to their outstanding organizational efforts This year the parade was bigger and better

than any previously. They purchased a record player in conjunction with the teen haven council It is used in the student lounge and also at teen haven dances. Improving the appearance of the student lounge has been their year-long project The room was painted, new curtains hung, and furniture added.
The students of Villisca High School owe a great deal to the council for the many services it has rendered to this school.
The officers of student council are pictured around the candy bar machine, a project of last year's members. (from left to right) Kaye Jamison, treasurer; Dee Gunderman, secretary; Denny Carlson, vice-president; Denny McCoy, parliamentarian; Mr. Stotts, sponsor, and Earl Sunderman, president.

Teen Haven Council
The Teen Haven Council has accomplished much towards fulfilling its goal of providing clean recreation for teen-agers Duties include keeping the building neat, maintaining order at dances, and buying new records. Improvements on the rules of conduct have been made. A record player was purchased jointly with the student council and additional booths were installed.
A favorable aspect of Teen Haven's new location is the consistently good crowds which have attended dances all this year.

Band
The Villisca Bluejay Band has a new look this concert season. In the picture it can be seen that only the boys are wearing uniforms, and that the girls are wearing good dresses. This came about because of the great number of freshmen that came into the band this year Because of a uniform shortage, the present style is seen At later concerts the boys may be viewed in dark suits.
A goal of this band was reached last year for the first time - a I rating at State Contest The band is working hard for a repeat performance and another bronze plaque with which to decorate the band room.
Mary Cerven is president of the VHS band. (standing) Clark Moritz, freshman representative; Phyllis Brown, senior representative; and Donna Penwell, sophomore representative. (seated) Kaye Jamison secretary, and Delene Storey, junior representative.

YR1963PG053
Although the marching band did not participate in State Contest, it was by no means idle. Villisca participated in the Band Day of Iowa State, the homecoming of Maryville, and the Band Jamboree at Clarinda. Besides these activities, the band presented half-time shows at all but one home football game, and had a special program for Homecoming festivities here in Villisca.
The drum major for this year is Drew Schrader. Drew is in charge of the band during all performances and during all practices.
Members of the band sold pumpkins at Halloween time to earn money for a party. They decided to use this

money for bus fare to Omaha to see one of the outstanding movies showing there. The group attended "Mutiny on the Bounty "

The Pep Band is in charge of boosting team and school spirit at football and at basketball contests Without the faithful service of these students, a great deal would be missing from the enthusiasm now displayed by the high school crowd

Dance Band is a select group of musicians They play for dances at this high school, or for any one who contacts them.

During Thanksgiving vacation they sponsored a dance for the school and its alumni A large number were in attendance, and a good time was had by all

Freshman initiation was a highlight of the band year The seniors were all girls, but one - Harold Colter (Pictured in wig and robe). Jolane Olander didn't like her lizard! Mr and Mrs. Johnson are not behind the times: Danny and Clark-What are you doing? How does Barbara Penwell get so many things in her purse?

An active year was spent by the fifty-five students that composed the Drama Club membership. The Drama season was highlighted by the production of three plays. "A Christmas Heart" was given for the student body in December. "A Petal in the Dust" was the club's contest play. For the junior-senior play a large cast performed in "Tammy Tell Me True." Nineteen individuals entered the Southwest Iowa District Speech contest in February. Participation in the annual Drama Workshop in Iowa City in April was one of the club's goals. Their objective to attend a dramatic production as a group saw fulfillment in the spring.

Y-Teens

The Y-Teen goals--to grow as a person; to grow in friendship with people of all races, religions, and nationalities; and to grow in the knowledge and love of God have all been effectively carried out throughout the year under the guidance of the sponsor, Mrs. Youngman, and president, Judy Spencer.

The Y-Teen year began in the summer when four delegates attended summer conference. Mary Lynn Rusk was elected to the 1963 planning board committee.

Freshman initiation, including a weiner roast and skits performed by the new members, was held in September. In October the Y-Teens sponsored a UNICEF drive and netted \$104. An enlightening talk on charm--its physical, mental, and spiritual aspects--was given by Mrs. Marcus Aurelius.

Adopting a girls' ward at the Glenwood State School was a highlight of the year. The patients were remembered by gifts and cards on holidays and Y-Teens provided them with an afternoon's special entertainment in the spring. The Dad-Daughter event was devoted to the repairing of old toys. These toys were presented as gifts to children at the Kiddie Party and to several families in the community.

A better understanding of the functions of our state government was gained by the girls when they attended Legislative Day in Des Moines. Participation in the Foreign Student Weekend served to broaden their views of people of other races.

Y-Teen mothers were honored by a Mother-Daughter Tea which was held in the spring. At this time officers for the following year were installed.

New friends, new experiences, and new opportunities are the rewards of Y-Teen membership.

Y-Teen cabinet members are the following: (standing) Mary Lynn Rusk, program; Diane Sunderman, worship; Connie Rupp, service; Elzene Gourley, program; Linda Newberg, publicity; Janette Zellmer, popcorn; Linda Kendrick, freshman representative; Mrs. Youngman, sponsor; (seated) Mary Roberts, service; Carolyn Gourley, social; Mary Means, treasurer; Judy Spencer, president; Margaret Shields, vice-president; Sharyn Selley, secretary; Kaye Jamison, music.

Future Farmers of America
The Reno Smith Chapter of the FFA was very active in the past year. Members attended the National Convention at Kansas City, State Convention at Waterloo, and District Convention at Harlan.
Special projects included capturing and selling 560 pigeons, raising and releasing 450 quail, and selling \$300 worth of garden seed. Approximately fifty samples of seed were tested as a service for the farmers of this community. A flag pole and flag for the athletic field and a camera to record the activities of the chapter were purchased.
A swimming party and watermelon feed were held to entertain incoming freshmen members and to acquaint them with the club and its procedures. Members participated in a club hayride in the fall. The election of the FFA Sweetheart was an important event in the club's activities. She was later honored at the parent-son banquet.
It is evident that the FFA members have successfully fulfilled their aim of building leadership, character development, sportsmanship, cooperation, service thrift, scholarship, improved agriculture organized recreation, citizenship and patriotism.
Here the FFA officers are shown admiring a picture given to the chapter by Mrs. Pogue. Future Scientists of America

The purpose of the Future Scientists is to promote interest in science and to develop potential in this area.

Several pupils completed interesting projects. John Boggess constructed a computer. Ron Lewis collected and studied rocks and fossils. Hugh Shields built a wind tunnel. A graduate student from Iowa State University stimulated interest by giving a Brainiac K-30 computer to the club for only the cost of postage. Under the capable leadership of President, Ron Lewis; Vice-President, Rod Russell; Secretary, John Boggess; and sponsor, Mr. Bishop, it is very apparent that the boys derived benefit from their projects.

The 1962 Bluejay Homecoming celebration began with the traditional bonfire and snake dance, Thursday, October 11. On Friday, October 12, -the parade coronation, football game, and dance-were held.
The parade took place in the afternoon with fifteen floats and many individual entries competing for top prize. Prize winning floats were the Senior Class, Sophomore Class, FFA, Annual Staff and Volcano Staff. Money for the building of floats and for the prizes was donated by the Chamber of Commerce. Prior to the parade,the merchants sponsored a barbeque for the community in the city park.
Highlight of the evening was the coronation of the Homecoming Queen, Phyllis Brown. She was crowned by Denny McCoy and escorted by Tom Haley. Her attendants were Carolyn Gourley, Escort Denny McCoy; Judy Gourley, Escort Ron Chaney; Lana Johnson, Escort Ed Lynch; Mary Lynn Rusk, Escort Jerry Reside.
The game ended in a 6-6 tie with East Union.
The Homecoming Dance,"Autumn Leaves" put on by the Annual Staff, climaxed the evening. The recoronation and a program were presented.
Though the week of Homecoming was a hectic one, it is one of our treasured memories of high school. The hard work and lack of sleep are soon forgotten and only the memories of a wonderful day stay.

Basketball Homecoming
VHS held its first basketball homecoming January 25. In accordance with the theme "1984", a "National Hate Week" was proclaimed. Special attractions included "Pat" of Science Fiction Theater (Mary K Cerven), who served as hostess, and "The Greasy Kid Commercial." "Pat" and her assistant, "Fifi" (Ray Peterson), handled the-drawing of the door prizes, compliments of the Annual Staff.

March of Dimes
Kathy Wertman and Dennis Carlson represented Villisca High School as queen and king candidates at the

March of Dimes dance held in Red Oak January 12.
As co-chairmen from Villisca Kathy Wertman and Karen Enarson were very active in the Montgomery county T A.P (Teen Age Project) committee. The girls organized a blockade to raise money and were aided by several VHS students. The money collected aids in research concerning birth defects, arthritis, and polio epidemics

50 Years of Growth
All Villisca children begin their education at the Lincoln Building, constructed in 1902. Originally, it held grades 1-8, but today kindergarten, firt and second grade attend there.
Villisca first reorganized their school district in 1957. July 1, 1959, the district was enlarged with the

consolidation of Villisca and Nodaway. Grades 5-8 now attend school at the Nodaway schoolhouse. 1963 marks the 50th year since the founding of Villisca High School in 1913. Soon the crowded conditions deemed it necessary to expand the building. Consequently, the northwest wing was added in 1926. Increased enrollment created the need for additional classrooms. In 1960, the Sylvia Enarson building, which houses grades 3-4, was built. A new gymnasium and shop were added as a southwest wing of the high school at the same time.

YR1963PG075

Improvements in the town included a new post office, a veterinary clinic on Highway 71, an addition to the Methodist Church, and the resurfacing of the road from Villisca to Nodaway. This group of instruments consists of an Oscilloscope (measures wave forms) an Audio-frequency Generator (generates electrical impulse of 20-20,000 cycles per second) and an Electronic Switch used to compare frequencies on the Oscilloscope. A student lounge was added at Villisca High School. The room is used for dancing and playing pingpong. The faculty also have begun a lounge where they can relax after the school day,

The Days Gone By
O the days gone by! O the days gone by!
The apples in the orchard, and the pathway through the rye;
The chirrup of the robin, and the whistle of the quail
As he piped across the meadows sweet as any nightingale;
When the bloom was on the clover, And the blue was in the sky,
And my happy heart brimmed over, in the days gone by.
In the days gone by, when my naked feet were tripped
By the honeysuckle tangles where the water-lilies dipped,
And the ripples of the river lipped the moss along the brink
Where the placid-eyed and lazy-footed cattle came to drink,
And the tilting snipe stood fearless of the truant's wayward cry
And the splashing of the swimmer, in the days gone by.
O the days gone by! O the days gone by!
The music of the laughing tip, the luster of the eye;
The childish faith in fairies, and Aladdin's magic ring-
The simple, soul-reposing, glad belief in every thing,-
When life was like a story holding neither sob nor sigh,
In the golden olden glory of the days gone by.

YR1964PG004
Foreword

As we look at the past and in turn look into the future, we can see we are moving into an increasingly complex civilization. Each day we see mounting tension among countries of the world, a society filled with an increasing number of scientific devices, an increasing number of unemployed people, and a population that is increasing more rapidly than at any other time in history. One is likely to draw the conclusion that civilization is facing a crisis that it has never faced before. Yet, the world has faced perilous times in the past and came through them nobler and finer than it was before.

This grappling with the problems of today and tomorrow is done by PEOPLE ... just like each of us. The real challenge of today, as it was in the past, is whether or not the people themselves are big enough to meet and solve the world situations in which they may find themselves. Our wish for the students of V.H.S., especially the class of 1964 since they are about to be thrust into this world as adults, is that they be able to handle the problems of their time .. and we have every confidence that they will.

The school year began with a recognition ceremony for the new members A picnic was held at Viking Lake and the new members competed in an animal costume contest. Cathy Shipley won the event with a costume of a spotted dog.
Fall Conference was held here in October. Our club was represented by 41 girls. Recognition of fine organization and the successful conference was given to the club by state YWCA officers and various clubs attending. Fun was had by all. The UNICEF drive was also held this month. The collections totaled over \$100.00
November was World Fellowship month. The Y-teens gave \$20 to help Y-teen clubs and YWCA's in other parts of the world. Margret Mugo of Kenya paid us a visit.
In December the girls brought old and used toys which they repaired and gave with shirts and slacks to the children at the annual Kiddy Party Cookies and cocoa were served then everyone sat around the Christmas tree to hear a story Peanuts, oranges, and candy were taken home by each family.
February 2,30 Y-teens attended the Foreign Student Day in Des Moines.

March was filled with activities. The girls participated in a Talent Show during the club meeting and several of the acts were taken to Glenwood and local nursing homes. The senior girls served the FFA Banquet. Leprechauns were imported for the St. Patricks Dance which Y-teens attended, some brought dates and everyone wore green.
Delegates and electors attended the annual spring meeting of Y-teens and YWCA. It was held in Des Moines in April and next year's program was voted upon.
The two main donations made by the club this year to the school were a complete uniform for the band, inside which a label with the club's name was attached, and a mirror for the Student Lounge.
The year '63-'64 was ended with the annual Mother-Daughter Tea. The new officers were installed and the mothers received flowers and thanked for all they had done to help the girls during the year The outstanding senior and underclassman were presented with their awards. Mrs Tyler gave the seniors their Y-teen pins and then the president made a special presentation.
As a final thought, the club would like to thank Mrs. Youngman for the many things she has done for all of us It is mostly by her efforts that we have become strong. Although she is leaving, we will never forget her and will always be grateful for the time she spent helping us to better ourselves as a whole and as individuals

During the year, VHS was the site of two State Contests, the Marching Contest in the fall, and the State Large Group Contest held in April
In February the VHS concert band scored another, "first" by appearing on "Talent Show Case" and Omaha Television program. A VHS alumnus Dick Weiner was responsible for arranging the appearance
The concert band entertained the SW Iowa Teachers Convention in March. Former Principal Ralph Stotts, president of SWIEA, was responsible for this invitation.
The purchase of new uniforms was the highlight of the year An energetic fund drive was headed by the Band Mothers, for these uniforms

Science Club

The main purpose of the science club is to give kids an opportunity to experiment and work with science projects they could not do during class time.

During it's second year of existence the science club contributed much to the school. They were very active in school affairs and did much to make the science club one of the most influential groups in school.

This group of 20 members have various projects including Bacteriology, Pharmacology, Electronics, Hydroponics, Chemistry, Ionic Propulsion, Paleontology, Half-Adder Computers, and "The Learning Ability of Hamsters." Ron Lewis took his paleontology project to the state science fair in Des Moines, while the entire group attended this same event. They also took a field trip and had a speaker address them concerning science. Also three members of the science club, Garry Roberts, Craig Marvick, and Jogn Boggess attended the Science Symposium at Iowa City in April. Their principal money making projects were working at the concession stand during basketball tournaments and sponsoring 2 bake sales.

Coaches
The coaches at Villisca High School did a fine job this year They were mainly responsible for the rebirth of the letter club at Villisca and they led an all-out effort to increase participation in athletics An intramural program has been organized.
Their extremely original ideas for creating school spirit were usually quite successful Their ideas ranged from challenging the cheerleaders to get 70% of the student body to a basketball game (BFM Week) to presenting a "disc jockey" show from radio station
D -E -R -B -Y.
One of their most important contributions to VHS as both coaches and teachers was the good example they

set by their high standards of conduct--a tribute to their profession.

In its first year as an organization the Letter Club has already contributed much to the school. It has sponsored a coat check stand at the basketball games, sponsored the Southwest Iowa Independent League Tournaments, aided the Booster Club in sponsoring the Athletic Banquet, and purchased sweaters for the entire group. The main purpose of the club is to distinguish those who have earned varsity athletic awards and to promote better sportsmanship.

Continued co-operation of the Booster Club will be a great asset to our sports program.

Baseball
By looking at the 1963 record you would have to say it must not have been a very good ball team But those who followed would disagree They saw a bunch of young boys battling their hearts out in every game but only to find themselves on the short end most of the time. Of the ten boys that played most of the time there was one junior, two sophomores, five freshman, and two eighth graders In the years to come if this group keeps their determination the record will be much brighter

Varsity
For the second consecutive year the Varsity Cheerleaders are Kaye Jamison, Donna Penwell, Joan Robinson, Pat Fryer, and Diane Sunderman.
The Cheerleaders again played an important role in our school's athletics. They helped to create school spirit by conducting pep assemblies, cheering at games, and encouraging students to attend games. The squads also were instrumental in improving school spirit by placing posters in the halls to encourage both the students and the teams.
The Cheerleaders were responsible for homecoming coronation ceremonies and constructing' a float for the queen candidates. Other duties consisted of decorating goal posts, decorating for the Athletic Banquet, and preparing the ceremonies for the track queen at the Bluejay Relays.
One of the "highlights" of the year was the consequences of a challenge the girls made with the coaches.
The girls deserve a big "Thank You" for their fine job.

THREE COINS IN A FOUNTAIN was selected by the Junior class of 1963 to be the theme of their prom.
Work on the prom started early with a driving magazine campaign during which, a record of \$1962 was made Kaye Jamison, Pat Fryer & Mark Palmquist were the chairmen of the sales.
Then, under supervision of Mr. Moore, the needed materials were ordered. Mrs. Mason and her committee planned the banquet.
After many hours of planning and working, the long awaited night finally arrived.
The Banquet was served in the gym. The food was given Italian names but it was familiar and enjoyed by all. The high school faculty, previous teachers, seniors and dates were invited to the Prom. It was held in the armory so that the fountain, which was the main decoration could have real water The tables were enclosed behind picket fence. Fresh flowers were everywhere and a false ceiling of blue and gold gave an illusion of night sky.
A skit was presented depicting Al Capone's deportment from Italy to America. Pat Fryer sang "Tonight". The Prom ended as the clock struck 12.
After the Prom, there were two films shown at the theater and then a breakfast was served for everyone at the Country Club.

YR1965PG002
Foreword
Dear VCHS,
We stumbled into your vast halls; we listened; we followed. We are now preparing to leave and, we hope, to lead.
There is a sudden realization that we are staring into an uncertain future for we are now faced with the task of applying knowledge or failing to take full advantage of our background of learning.
Your ever-expanding facilities, excellent faculty, emphatic ideal of education, and inspiring attitude assist in the making of an intelligent citizen and a fully aware individual to face a complex society.
The "Great Society", local or national, offers a choice of roads for our future--employment or further formal education. Though the choice is difficult to make, through your guidance each of us should be able to search for the right path in life.
We look back with undying gratitude at the high ideals of our school and to the entire organization, which has

contributed time and effort in carrying out one of the world's oldest axioms--"Followers Today, Leaders Tomorrow."

Cooks

The cooks play an important role in our school. Many hours of hard work are spent in the preparation and serving of our meals. We gratefully acknowledge our appreciation to them.

Janitors

The custodians are an indispensable part of VHS. Not only are their services available whenever needed, but the janitors can be depended upon to work late hours to keep our school in good condition.

State Class “B”
Indoor Track Champions
The Bluejay track team of 1965 will be remembered for a long time as a great team. The Jays truly showed great talent and determination and made the best showing of any track team in recent history.
The Bluejays started the season with a bang by winning the State Class "B" Indoor track title. The Jays won out over all other Class B schools in the state to bring home the state trophy.
After this honor was safely stowed in the trophy case, the Jays promptly proceeded to bring home more of the same. They handily won the Tiger Relays at Griswold, tied for the Tall Corn Conference Championship, and then, most prized of all, the Jays won their own Bluejay relays for the first time in the history of the event.
The Jays competed in several other area meets and finished high in all of them. The Jays put a finishing touch to a successful season by capturing the District Class B title. The trophies collected by the team over the season were so numerous that they were placed in the main hall to be admired by all the student body.
The student body of VHS is very proud of the track team. "Hats off to a great team and a great season!"

The past year has been a most successful and active one for the FFA department.

In state contest, the Future Farmers were very successful. They received a gold award for crops farming, a silver medal on the scrapbook, a silver on the chapter exhibit, and bronze awards on farm mechanics, livestock farming, dairy farming, secretary's book, and program of work.

Two members of the chapter, Richard Greenfield and Richard Rupp received Iowa Farmer's Degrees, one of the highest awards in the state.

The FFA test plot yielded 163.7 bushels per acre. This yield was the 2nd highest in a four state area.

In addition to these accomplishments, the chapter sponsored their annual Parent-Son Banquet, FFA Sweetheart Dance, the yearly hayride, and Freshman party. The chapter sponsored a donkey basketball game this year for the first time.

Marching Band

Another successful year was in store for the Villisca Bluejay Band. In addition to receiving a second I at State Marching Contest, the band earned the first place trophy in Class B at the Clarinda Jamboree. The band also marched at Ak-Sar-Ben and gave a half time performance at one of the Mustang football games.

In May, the concert band went to large group contest at Red Oak where they received their fourth consecutive I rating.

The highlight of the year was being selected to play a concert at Iowa Bandmasters Association Convention at Mason City on May 28. The Villisca Band was the only band from Southwest Iowa that was chosen to attend the event and was one of 14 bands in the state that made the trip.

This scene is the climax of four years of preparation by us seniors. It marks the end of one phase of our lives and the beginning of another. We seniors have looked forward to this ceremony for a long time, but when it finally arrived, many of us found that we weren't quite so anxious for it all to end.

Our class will always remember fondly the carefree days at VHS--the classes, the teachers, our fellow classmen, the work, the loafing, the laughter, sometimes the sadness. All of these and more have been a part of our lives for four years. We will sometimes wish, just for a moment, that we could relive our high school days. We will think of the underclassmen still trying to push Villisca to an even higher plateau just as we tried. We think of the teachers still trying to prepare their students for college or a job just as they did us. We'll feel just a little pride every time we hear the name of our school in connection with another honor or trophy.

These are a few of the things which VHS has given us and we are all grateful for them.

We, the Class of "65" wish VHS students the best of luck in everything and we know that Villisca will continue to be the strong and efficient school system it is today with their competent leadership.

DEDICATION

In addition to teaching freshman biology, he has been a tireless athletic coach, who has built a successful team in both football and track. Not only has he been an excellent coach for five years but also he has been recognized as an outstanding athlete in his own right.

To Mr. George McVicker, a dedicated and conscientious teacher and a highly respected member of our community, we proudly dedicate the 1966 Bluejay.

New to VHS this year is Mr. Dwight Lewis, who is employed as a guidance counselor. It is his job to help students in deciding on their future vocations. He has literature on colleges, trade schools, and service careers in his office which is located across from the principal's office.

Mr. Lewis is at the school for counselling services every other day. He found time to talk to all the seniors at least once and held group vocational sessions with the juniors.

SECRETARIES

Although the office secretaries do a lot of work, they receive little credit for it. They are in charge of the numbering and handing out of all school books, the selling of lunch tickets, keeping records of the money of all the clubs and classes, various typing jobs, and other jobs which may arise, besides being full time secretaries to the principal and the superintendent.

VOCAL MUSIC DEPARTMENT
The VHS chorus, under the direction of Thor McMillen, has worked hard throughout the 1965-'66 school year to bring fine vocal entertainment to both the students and the community. Although it is a small group, it is certainly not lacking in musical ability.

The singing group has performed for the high school and public twice and has participated in the State Large Group Contest. The chorus has a good, solid sound. Each section has been well developed. The members have developed willing attitudes and have devoted extra time for voice lessons. Also various students who took solos to contest, April 15-16, strengthened the chorus with their added experience in singing. The reason that the chorus has not increased may be due to the fact that both band and chorus are scheduled for the same period. Those students who are interested in music had to choose only one field of the department. Different scheduling is being considered for the next school year.

The concert band gave three concerts during the school year and competed in the State Large Group Contest that was held at Osceola. YR1966PG059

The football team enjoyed one of the most successful seasons in many years. The final record of the Jays was five wins and four losses. The team won a total of three conference games while losing only two. This put the Jays in a three-way tie with Bedford and Greenfield for second place in the final conference standings.

This year three Villisca players rated berths on the all-conference teams. Jim Robinson and Phil Wertman rated berths on the offensive team, while Mike Dukes earned a position on both offensive and defensive teams.

Gary Kernen received honorable mention for all-conference for both his offensive and defensive play. Jim Robinson and Clark Moritz rated honorable mention for the all-conference defensive team.

The scores for the season were as follows:

OPPONENTS		VILLISCA
Griswold	7	13
Lenox	0	20
Greenfield	14	19
East Union	7	53
Bedford	33	14
Mount Ayr	20	14
Dexfield	25	13
Glenwood	26	0
Corning	40	0

It looks as though football fans may have something to look forward to in the future. As the Frosh-Soph team completed the season with a record of five wins and no losses.

The scores of the games were as follows:

	OPPONENTS	VILLISCA
Lenox	0	32
Bedford	0	44
Corning	7	12

Miss Becky Alexander represented the VHS band in the annual "Band Day Parade" at Clarinda, this past October.
Becky was picked by the band from five candidates who were chosen by the senior boys in the band. Each band's queen contestant rode in the afternoon parade and then attended a banquet that evening, accompanied by her band instructor.
The queen was picked by beauty, poise, and charm. Becky was among the top five finalists.

STATE OUTDOOR TRACK CHAMPIONS
CLASS B - 1966
This picture was taken after the track team had returned from the state outdoor track meet in Des Moines. There they compiled 26 points to win the state title.
Phil Wertman broke his own Class B pole vault record with a vault of 14' 1 1/4". This also was a new state record.
The 440 yard relay team broke the Class B record in the preliminaries, but had their newly established record beaten in the finals.
The points at the State Meet came from these events.
Phil Wertman won first place in the pole vault and ran on the mile relay team that placed fourth.
Mike Dukes took second places in the broad jump, the 100 yard dash, the 440 yard run, and also ran with the 440 yard relay team that took second.
Fred Gourley placed fifth in the 220 yard run and was on the 440 yard relay team that placed second and the

mile relay team that took fifth place.
Larry Fast was on the mile relay team that placed fifth and on the 440 yard relay team that placed second.
Richard Bangston was on the mile relay team that won fifth place.
This is the second consecutive year that the VCHS track team has won a state championship. In 1965, the team won the State Indoor Meet.
The track team had a successful year besides winning the state title. They won the Blue jay Relays for the second year, the Class B meet at the Tarkio Tri-State Relays, a dual and triangular meet, also.
They also placed second in the conference meet and eighth in the state indoor meet early in the spring. Four members of the team competed in the Council Bluffs Relays. There they placed among the top five teams in total points scored.
All in all, it was a great season for the Blue jay track team. The team and their coach deserve the respect and admiration of their school and their community.

The 1965 Bluejaybaseball team had a very successful season. Jake Grasmick coached his team to a 16-3 record. In doing this, the Jays won the Conference title, and advanced to the District finals where they lost to Shenandoah.
The 1966 team has eight returning lettermen, losing only two from the previous season's team. Because of this the Jays are picked to win the Conference championship again this year.
In the first game of the 1966 season, the Jays beat Corning 2-1.

1965-66
Dear VCHS,
After a year of laughter and headaches, fun and work, we finally finished the 1966 Bluejay, a book that will help you to remember this year always.
We wish to express our appreciation to the many people who made this yearbook possible:
The merchants of Villisca, Red Oak, and Clarinda who bought advertising in the Bluejay;
Mr. Barker, our sponsor, who listened to our gripes, and kept us working when we weren't in the working mood;
Mr. Lynn Baldwin, of Stern Studios, who took many of the excellent photos for us;
Mr. L. A. Moser who also took many fine photographs for us including the inside cover;
The faculty and administration of VCHS who let us interrupt classes so many times for Annual Staff pictures;
And to the other numerous people who made this book possible. We hope this Bluejay accurately records your memories of this YOUR year of 1966.

YR1967PG002
Dedication
He has been a very patient and understanding teacher of shorthand, secretarial practice, typing, and business law. He also has been a willing and hardworking sponsor of FTA and Annual Staff.
The interest and cooperation he has shared with students and their problems and activities is a credit to his profession.
With sincere appreciation for his tireless work in our school we dedicate the 1967 Bluejay to Mr. Paul Barker.

YR1967PG003
Dedication

He has been an excellent and inspiring leader in our school and in the community. He is most admired for his good sense of humor and his ability to get along with the students in our school, both of which are valuable assets which he uses to perfection.
It has been an honor to have him serve as the principal of our high school for the past four years.
With deepest respect and admiration, we dedicate the 1967 Bluejay to Mr. Robert McCormick.

Phil
SOUTHWEST IOWA'S TOP ATHLETE OF THE YEAR
Phil Wertman, Villisca's 6'2", 175 lb. senior named SW Iowa's Top Athlete of the Year might also be called the greatest Bluejay athlete of all time. At the close of the baseball season, he will have earned 16 varsity letters during his high school career.
Although vaulting is his first love, Phil has excelled in football, basketball, baseball, and also the running events of track. Named one of the most versatile athletes in SW Iowa, he has been the key to the most successful athletic year in Villisca history.
In the vault, he soared to the record height of 14'2 3/4", but lost this interscholastic mark to a student of Des Moines Roosevelt last spring. However, he still holds the following records: Bluejay, Tall Corn Conference, Cardinal relays, Mustang Relays, Tri-State Tarkio Relays, Drake Relays, Federation Meet, State Indoor Class B, and State Outdoor
Class B. He also placed seventh in the National Jaycee Meet at Denver, Colorado.
In addition to whining the vault at the Class B State Outdoor Meet, Phil anchored three gold medal winning relay teams.
During the football season, Phil, earning recognition as an "All Southwest Iowa Class B" quarterback, socred 12 touchdowns and 18 extra points and a field goal. He also passed for seven scores.
His second "All Southwest Iowa" award was earned in basketball in which he totaled 430 points for the season and 369 rebounds.
A standout in baseball too, Phil swatted the ball at a .413 clip last year.
Besides his athletic ability, Phil applied his other talents as president of the Letterman's Club, a member of the Teen Haven board, and a bass player in the Bluejay band.

The great Jayette team could get the most votes for the most improved girls' team this year. The girls had a 11 win 10 lost season this year. They made it to the District Finals to lose to Farragut. These girls are to be congratulated for their fine performance this year. This was certainly "the year" for them.

This was certainly "the year" for the Villisca Bluejays. This was the best basketball season since the "1946-47" year. The season included the Tall Corn Conference Championship, the Sectional championship, the District

championship, and Runner-Up in the Sub-State game. After the opening loss, the team had a string of 18 wins before losing the Finals.

Winning the State Class "B" Outdoor, the Tall Corn Conference Title, The State Class "B" District, the South Page duel and a second in the Blue Jay Relays certainly proved that this was "the year" for the Bluejay Track squad.
Outstanding records were established by the "67" Track squad, many of which set new school records. The two mile relay team of Kurt Eno, Ron Bradley, Richard Lane, and Richard Bangston ran a time of 8:38. 2. The 880 yard relay team of Mike Dukes, Richard Lane, Richard Bangston, and Phil Wertman was timed at 1:33.3 at the State Outdoor. The same four boys were clocked in 3:29.9 in the mile relay at the State Meet. In the 440 relay, Mike Dukes, and Phil Wert-man teamed with Jeff Griffin and Fred Bryson at the State Meet for their best time of the season of 44. 8. Other individual performances were established by Freshman Ricky O'Rourke who ran the mile run in a school record of 4:42. 7 and Phil Wertman who pole-vaulted to a height of 14' 1 1/2".
Congratulations to coach George McVicker and an outstanding track squad.

YR1967PG063
Coach McVicker is pictured here with all of the trophies that he and his teams have won for VHS during his six years as a coach in Villisca. He will be missed next year by all of his students and friends; but we wish him the best of luck in his new position.

May 1967
Dear VHS Students,
This year's Annual is finally finished and with it the close of another school year.
We wish to thank the many people who helped us produce the yearbook this year:
The merchants of Villisca, Clarinda, Red Oak, and Nodaway who bought advertising to help meet our financial needs;
Mr. Baldwin, who supplied us with the many fine pictures;
The faculty, who let us interrupt their classes for the many pictures that are needed for the Annual.
Mr. McCormick, who advised us many times on different phases of the Annual;
Especially Mr. Barker, who did a lot of the work that we didn't want to do and who kept us going. and to everyone else who helped make this 1966-67 edition of the yearbook possible.
We hope that the 1967 Bluejay will help you remember this year always. We tried to make "This is the Year" the theme of the annual. We hope that "this was the year" for you, too.
Sincerely,
The Bluejay Staff

Foreword
The past generation has left you with many problems, with the turmoil and unrest of today, and with the failure of many in meeting the challenge of the future. A dim picture for the future of America exists today—but when one has the privilege of working with such a class as the Class of 1968, there can be no doubt that the future of our country is to be left in good hands.
You, the Class of 1968, and those who follow face a world teeming with millions, living and working in a complex and troubled society. Faith will give you the strength to meet the future courageously. Faith inspires you to live in order to better your lives, the lives of your friends and relatives, and the generations yet to come. You need an abundance of faith in God, your education, your fellow man, and yourself.
The faith you have in God gives you confidence in life; the faith you have in your education gives you confidence in meeting the problems that confront you; the faith you have in others opens the doors of cooperation; and the faith you have in yourself gives you courage to face the future unafraid.
As you depart from your Alma Mater into the adult world, I challenge you to hold high the torch of faith.

Dedication
He has been an inspiration to all of those around him. In addition to his tireless efforts to make our school what it has become, he has also been an excellent leader. Students admire most his ability to get along with others, an asset which he has illustrated in many ways.
Not only has he spent many hours at his job as Athletic Director, but also as basketball and baseball coach and

assistant coach in track and football. He has been an excellent teacher of World History, Government, and Economics, as well as sponsor of the Class of '68 for four-years. His great sense of humor is only excelled by his understanding which he shares with his students.
With deepest respect and admiration, we proudly dedicated the 1968 Bluejay to Mr. Jacob Grasmick.

Hmmm ... Very interesting!
Here comes the Judge.
I'm not like that at all ...
Everyone close your eyes and make a wish.

Let's take it from the top . . .
Ah, yes—I remember it well ...

Student Council

The Student Council was very active this year under the fine leadership of Fred Bryson. Other officers were John Baker, Vice-President; Nancy Focht, Secretary; and Dirk Dunn, Treasurer.

The first project of the year was the completion of a new and larger concession stand at the Bluejay Track and Field. Student Council also sponsored Homecoming activities such as decorating the windows in the business district and organizing the homecoming parade.

To celebrate the Christmas season, the council sponsored the Second Annual Christmas Ball. Other projects were the adoption of an Indian boy and the starting of a student lounge. The whole year was a great success, and the council should be congratulated for its many accomplishments.

Goofin' off.

President, Fred Bryson.

YR1968PG024

Chorus

Under the direction of Mr. Thor McMillen, the Chorus department had an outstanding year with the Mixed Chorus, Girls Glee, and Boys Glee all receiving I ratings at State Music Contest. A yearbook is like a magic mirror, capturing, holding, and reflecting forever the vibrant force and personality which was our school year.
A yearbook is people —and people are laughter, tears, cheers, taunts, dreams, studies, goofing off.
And a yearbook is events—proms, music, dates, and lack of dates. Football games won and celebrated; football games lost with tired senior players walking silently together for a last look at the lengthening shadows on a now-empty field, turning quickly away with unhidden tears.
A yearbook is life—a year of life—a year lived—a year now gone. Yes, this year has passed away, but for those

who have trodden these hallowed halls, the cherished moments and close friendships will never be forgotten. And the high ideals and character generated within these walls will remain as a promise of inspiration and guidance to each of us for countless years to come.

Dear VHS:

From goofing up pages to the finished product, we admit, it's been quite a bit of work, but always a lot of fun and we hope our efforts will help you remember this year forever. There are many people to whom we wish to express our appreciation:

The merchants of Villisca, Nodaway, Red Oak, and Clarinda who bought advertising in order that we could meet our financial needs;

Mr. Baxter and the faculty who let us interrupt classes to take the pictures needed for the Annual;

Mr. Baldwin of Stern Studios who survived the unbelievable madness created by staff members;

Mr. Barker, our sponsor, who, in those times of confusion always managed to keep his cool; And to everyone else who helped make this 1967-68 edition of the BLUEJAY possible. We hope that this book has captured those true moments that were YOUR year of 1968.

Sincerely,

THE BLUEJAY STAFF

A Tribute to Dr. and Mrs. Sullivan
Gifts of appreciation from the Villisca Faculty.
A dedicated Administrator.

The Sullivans moved to Villisca in 1959. Mr. Sullivan was principal his first two years at VHS and superintendent the last eight years. While serving as superintendent in '66, he received his Doctors degree from the University of Nebraska. The past three years Dr. Sullivan served as President of Southwest Iowa Education Association and was on the Executive Board of S.W.I.E.A. and also the South Central Iowa Education Association. Besides being on the Representative Council of Girls Athletic Union for four years, Dr. Sullivan is a member of American Association of School Administrators, professional fraternity Phi Delta Kappa, National Education Association, Iowa School Administrators, Iowa Education Association, and Association of Supervision and Curriculum. The Sullivans will be missed by the students and faculty of VHS as well as many friends of the community.

YR1969PG004

Foreword
Mankind is going down the drain. So say the self-appointed critics of our time. What they don't realize is that mankind has at no time been any place else. Man has actually advanced no farther than the level of civilization attained by the most primitive caveman. Modern man still discriminates, destroys, and defies. Technical advancement has merely made it easier to accomplish these ends.
We, the class of '69, have the opportunity to make a contribution far greater in potential than the electric light, automobile, or atomic bomb. We can attempt to restore human honor and dignity to every individual; we can promote compassion for one's adversaries; and, we can strive to instill respect for one's chosen leaders. Discrimination and persecution, or respect and dignity? Selfishness or generosity? Contempt or concern? Hatred or compassion? In short, primitive futility or true civilization?
... It's up to us.

YR1969PG005

Dedication
In addition to teaching history and speech, she has been a loyal Y-Teen and Drama sponsor. Using her own talents in the field of dramatics, she has helped to put on such entertainment as the Musical Review, Home Talent Show, and many plays.
Her school spirit and ability to get along with others has made her a well-liked teacher of V.H.S. and the community.
With sincere appreciation for her tireless work, we proudly dedicate the 1969 Bluejay to Miss Sharon O'Leary.

The Student Council has been very active during the 68-69 school year. This year's project included sponsoring the homecoming parade and the Christmas dance. In the school schedule they included many fine assemblies, set up the student lounge, Dress Down Day, and Twirp Week. The 68-69 Student Council has done a fine job and we owe them many thanks.

Teen Haven council has been busy during the 68-69 school year. Money-raising projects such as selling raffle tickets for a radio and holding a "sloppy joe" supper were successful. Much thanks should be given to the adult board who helped redecorate the Teen Haven. The new look includes paneling the walls, a psychedelic mural on the small wall opposite the door, and a lowered cable ceiling.

YR1969PG036
Band
VHS Pep Band added to school spirit this year with their pep songs and yelling. Without them, pep assemblies and football games would have been pretty dull.
Bluejay marching Band received a I rating at State Marching Band Contest this year.
Villisca High School Concert Band attended State Contest at Lomoni and also received a I rating. The Stage Band participated in Creston's Stage Band Contest and took first place trophy in Class B. The band's efforts for the entire year have been very successful.

What's this, Mr. Sudik?
What these students need is better posture!
I wonder if this will make it taste any better.
But I was thirsty!

Dear VHS,
This year's annual is finished as we come to the close of another school year.
The '69 Annual Staff would like to take this opportunity to thank the many people who
have helped to make the yearbook possible.

The merchants of Villisca, Nodaway, Red Oak, Shenandoah, and Clarinda who have bought advertisements in order to help finance our needs.
Mr. Baxter and the faculty who put up with our interrupting classes so that we could take pictures.
Mr. Lynn Baldwin, of Stern Studios, who supplied us with many fine pictures.
Mr. Paul Barker, our sponsor, who kept us going when we were growing weary.
And to everyone else who helped to make the 1968-69 edition of the BlueJay possible.
We hope this book has captured some true highlights of Your Year 1969.
Sincerely,
The BlueJay Staff

YR1970PG002
Foreword
Man has trod farther from his primeval environment than any other species, in a relatively short period of time. This rapid development is basically the result of each succeeding generation handing down to its own all the accumulated knowledge and skill acquired bit by bit since the beginning. In this manner man has ventured from the shadows of his cave to the fringe of celestial space, and in this fashion man has opened the doors of the unknown and challenged present and future generations with man's greatest adventure. It was with this mind that Dr. Brian wrote, "Man's left hand is his dreamer hand; the right his doer hand. The future needs people who dream, it also needs people who do. But most of all it needs people who both dream and do. Education's obligation is to make the dreams real and deeds genuine."

YR1970PG003
Dedication
He has given his time, patience, and understanding to every student in VHS. The interest and cooperation he has shared with students and their problems are credits to his profession.
In addition to serving as guidance counselor, he has also been class sponsor.
With sincere appreciation, we dedicate the 1970 Bluejay to Mr. Dwight Lewis.

Presenting The 1971 Bluejay

YR1971PG002
Foreword
Man can not live on bread alone; it takes a few dollars to buy the beans to go with it. Education is the only means to this end. Without an education, only a very few become millionaires, and many become paupers. In our institution of greater knowledge, we only try to introduce you to the terms of citizenship and self-esteem. From here on, you must make the decision as to how far you will go. It will take sweat, intestinal fortitude, and more than anything else, time. With this in mind, I send you out into the world, seniors, hoping you will find content and happiness in everything you do. To you underclassmen, I hope you meet the challenge of the forthcoming with stableness, enthusiasm, and most of all, an open mind.

YR1971PG003
Dedication
He has been an excellent and inspiring leader in our school and community. Students admire most his ability to get along with others, an asset which he has illustrated in many ways. The interest and cooperation he has shared with students and their problems and activities is a credit to his profession. He has spent many hours at his job as Band Director, and has also devoted much time and patience to the Class of '71, serving as Class Sponsor for four years. His faith and confidence in his students has been appreciated by all that know him. With deepest respect and admiration, we proudly dedicate the 1971 Bluejay to Mr. Gaylin Sudik.

FRONT ROW: Steve Russell, John Kernan, Mark Skahill. STANDING: David Skahill, Jon McA1pin, Rick Shearer, and Mike Northup.
The 1970 Cross Country team enjoyed their best season since the sport originated at Villisca five years ago.

Although Rick O'Rourke, our state champion for the past three years graduated, Mark Skahill picked up where Rick left off by winning both the State Mile Team Race and the State Cross Country Run. The season started on a high note as the Jays captured the first place trophy at the Abraham Lincoln Invitational meet. The team tied for first at Clarinda. They finished second at the Red Oak, Harlan, and Urbandale invitationals. A third place team finish resulted at the State Mile Team Race where they ran without the services of Rick Shearer. The Jays went undefeated in dual competition and got nosed out of first place in the State Meet at Marshalltown. With only one graduating Senior, the Blue Jay Harriers are looking forward to a more successful season next year.

The 1970 Bluejay football team will be remembered by the nickname, "Never say die!" This team had many opportunities to quit. They could have quit before the season even started, with only two lettermen returning, but they didn't. They could have quit after they lost a couple of close games with tougher teams coming, but they didn't. They could have quit after they were behind in the last game, but they didn't. Instead they came back and scored the second half. In their hearts and ours they are indeed a team of champions!
The season was high lighted by having Co-captain Larry Marsh named to the first team all-conference on Danny both offense and defense, and Co-captain Mark Eno named second team offense. Danny Carlson and Tom Solt were named honorable mention, all-conference. Larry Marsh was also named honorable mention All-State.

Antonio
Antonio Carlos Prado Pinto, of Sao Paulo, Brazil, was the first foreign exchange student to come to VHS. He arrived in Villisca in December and stayed at the home of Mr. and Mrs. Neal Gray for three months. Antonio, whose nickname is Kiko, was a sophomore at Villisca high school. At home in Brazil, he was one of 2,000 enrolled at Collegio Sao Luis, an all boys' school. Portuguese is the principal language spoken. He is a member of the International Fellowship Club. Through this organization and because of his good grades, he was able to come to this country. One hundred and sixty other students came from Brazil and are staying in homes all over the United States.
One of Kiko's greatest experiences was seeing snow for the first time. "I had never seen snow in my life," he exclaimed. "It seems so unreal. I wish I could take some back to Brazil to show my friends." He expressed the feeling that "the people in Villisca are too kind to me." "They are spoiling me."

Antonio returned to Brazil in March. His stay in Villisca was a great learning experience for all of us. His presence in our school was enjoyed very much and he will always be remembered by his many friends and VHS.

Our Loss Is Another's Gain
We would like to pay a special tribute to Janice Lewis, Jake Grasmick, Bob Feldman, and George Hammer. As of May 25, 1971, these teachers have resigned from our high school and their presence will be greatly missed. We will continue to have fond memories of these teachers and wish them the best of luck and happiness in their new endeavors. In addition, we hope that this book will help them recall some of their teaching experiences at Villisca.
From their many friends, we extend this invitation to them to visit our school and community at any time. The doors are open and their presence will always be appreciated.
Mr. Feldman: Bob came to Villisca in 1968 where he took over the duties of High School and Middle School vocal music.
Mrs. Lewis: Janice became a part-time teacher in 1964 teaching beginning typing.
Mr. Grasmick: Jake came to Villisca in 1964 teaching social studies and performing the duties of Athletic Director. He was head boys basketball and baseball coach and assisted in several other sports.
Mr. Hammer: George came to Villisca in 1970 teaching social studies and helping with Middle School coaching.

Memory is like a mirror, like a magic glass, bringing back reflections as our recollections pass, o'er the surface of our thoughts, like shadows on a stream: images intangibly, the outlines of a dream.
Some things fade out of our lives and leave no trace behind, no vivid pictures photographed upon the heart and mind ... but love illumines and makes bright the faces that we see, smiling at us from the mirror of memory.

May, 1971

Dear VHS:

After a year of hard work, laughter, headaches, and fun, the 1971 BLUEJAY is finally finished. We admit that it's been quite a bit of work, but we hope our efforts will help you remember this year forever.

We wish to thank the many people who helped us produce the yearbook this year:

The merchants of Villisca, Corning, Clarinda, Red Oak, and Nodaway who bought advertising to help meet our financial needs;

Mr. Baxter and the faculty who let us interrupt classes to take the pictures needed for the Annual;

Mr. Lynn Baldwin of Stern Studios who managed to somehow survive the confusion of the past year;

Mr. Barker, our sponsor, who did all the things that the staff was too lazy to do and also kept us going;

And to everyone else who made the 1971 BLUEJAY possible.

We hope this annual will help preserve the joys and heartaches of high school for the seniors and serve as a reminder to underclassmen of the memories yet to build. If the BLUEJAY will serve to bridge the past and bring to mind the memories of the year just gone, it has served its purpose.

Sincerely,

THE BLUEJAY STAFF

YR1972PG002
Dedication
He has been an outstanding and patient leader of our school. He has devoted many hours of his time, not only in the class room, but in the community, being an excellent leader and citizen. He has also been a willing and hard working sponsor of the Junior Class, Annual Staff, and has led his cross-country team to many victories. The effort, co-operation and interest he has shown toward students and toward his class room activities have proven to be valuable assets which he uses to perfection.
With deepest respect and admiration we proudly dedicate the 1972 Bluejay Annual to Mr. Paul Barker.

YR1972PG003
Foreword

Excellency should be a goal of each student of VHS. It takes a great deal of effort, hard work, pride, initiative and sincere desire to achieve. Each responsibility offers an opportunity to excel and work toward the improvement and success of the involvement. No job should be too small or too big to undertake. Each student at VHS will find his place in society. I challenge each one to aspire to be the best in his field and to feel that his vocational choice is important and worth doing well.

YR1972PG004

To the VHS Students:

For a long year, we have worked to get the 1972 Bluejay Annual completed. You would never be reading this book right now, if it was not for many, many people. It is impossible to name all of them, so we just say, a very special Thank You to everyone who made it possible to have this annual.

There are a few people we would like to give a special thanks. To Mr. Barker, our sponsor, we thank you for your long hours in the darkroom as well as coming up with ideas on how to put the pages together. To Mr. Baldwin of Stern Studio, we thank you for all the pictures we were too chicken to take ourselves.

In years to come, we hope the 1972 Bluejay Annual will be used as a memory book, a history book, and a record of today's ways of life. We also hope you can look at this book now and remember all the great times that have happened during this past school year. We will be satisfied if this annual brings you as many laughs and joys as it gave us when making it.

This Was the Year

"We're the Champs"! was the cry of the 1971 Cross Country team as they captured the State Mile Team Race championship.

Yes, this was the year of many firsts for the Cross Country team. It was the team's first state championship and their first Invitational Cross Country Meet. The Villisca Harriers were first at the State Mile Team Race at Grinnell, the Villisca Invitational, the Adel Invitational, and finished in a tie for first at Urbandale. The team finished second at Red Oak's Invitational, the Clarinda Invitational, and the State Cross Country Run. They were third in their first meet of the season at the Abraham Lincoln Invitational. In dual competition, the Jays had 2 wins, 2 losses, and 1 tie while competing among the best competition in southwest Iowa.

Corning, another Tall Corn Conference team, won their class in the State Mile Team Race, which illustrated the strength of the Tall Corn Conference.

Mark Skahill won the State Cross Country Run for the second year which marks the fifth year in a row that Villisca has had the individual champion. The absence of seniors Mark Skahill, Mike Northup, and Rick Shearer will be felt next year; but underclassmen Doug Gray, John Kernen, David Skahill, and Mike Chaney will be returning to form a good nucleus for next year's team.

YR1972PG007

Football

The improvement of the 1971 Bluejay football team should set a solid foundation for teams of the next few

years. The seniors will be remembered most for their great determination to never give up. Because of this they have set a pattern that will inspire Bluejay Football Teams in the future.

The 1971 Bluejay football season was highlighted by having Danny Carlson and Mark Eno named to the first team All Tall-Corn Conference. Mark Parker, Tom Solt, Alan Dicks, Mark Raney, and Gary Cassidy were named 2nd Team All-Conference. Dave Rhamy, Ralph Phillip, Stuart Williams, and Marty Schafer were named honorable mention All-Conference.

After finishing second in the Villisca Holiday Tournament, the Jayettes won their last four Conference games and claimed a third place finish in the Tall Corn Conference. These wins enabled the Jayettes to complete a respectable 9-10 season.
The 1971-72 JV's
To the victor comes the spoils, has been a motto quoted to many winners. Since Jr. High this team has been blessed with talent, organization, and desire. Without talent, one is unimportant. Without organization, one is bewildered. Without desire, one is hopeless. With these three things, this team has a very bright future ahead. Good luck, and may your future be rewarded. Record 8-6.

Lupita
Dear Villisca High School,
First of all I want to thank you for making it possible to come to Villisca.

Really it is incredible how rapid the time has passed. I will never forget the night I arrived at the Omaha airport and Mrs. Marsh asked me if my name was Marfa Lopez, it was a little confusing for me because it was the first time that anyone called me Marfa.
From that moment and during several days all was confusion for me. Thank goodness now I think I understand English better.
When I return to Mexico I am planning to work as a bilingual secretary and at night take English classes. The classes that I took during my stay here I consider to be of great importance for my future life.
During the past nine months I have had many unforgettable moments like the first time I saw snow. How fantastic it was for me to see and walk through the snow and at the same time experience the lasting cold.
Other unforgettable moments are soaping windows on Halloween and my birthday party, American style. Prom night was also fantastic.
Also in the past 9 months I saw and visited some places in Iowa, Nebraska and Missouri like: Homecoming in Villisca and Maryville, Missouri; various parades; Thanksgiving in Knoxville, Iowa; Grotto of Redemption, West Bend; Tulip Festival in Pella; Capital building in Des Moines; old Capital building in Iowa City; Amana; Birthplace of Hoover and museum, West Branch; International Day in Bedford; Arbor Lodge and John Brown Cave, Nebraska City; and Waubonsie State Park.
With fond remembrances,
Lupita Lopez

PRESENTING
"THE 1973 BLIJEJAY"
VILLISCA. IOWA 50864

YR1973PG002
Forward
There is an old legend in the Hills of an old, old trail that nobody knows how old. As one traverses this trail, one comes to a fork in the road: one leading to sunlit fields, with happiness and contentment; the other leading to a desolate area, with griefs and fears.
It is our destiny to chose which path we shall take, for it has been truly said of each of us, "We are the masters of our fate and the captains of our soul. "
I hope in some small way that I may have contributed towards your proper choice in life and my best wishes go to the Seniors of '73.

YR1973PG003
Dedication
He has given his time, patience, and understanding to the students of V.H. S. His school spirit and sense of humor has made him a well-liked teacher. He has worked for the community by helping on such projects as a Community and Youth Center.
His ability to get along with others is shown by his leadership. He has been the sponsor of the Class of '74, the Y-Teens, the Teen Haven, and the Cheerleaders, as well as giving guitar lessons to interested students.
His interest and thoughtfulness for each student is appreciated and respected.
With sincere appreciation for his tireless work, we proudly dedicate the 1973 Bluejay to Mr. Chuck Gifford.

YR1973PG004
To the VHS Students:
The 1973 Bluejay is finally finished. Many times over the past year we wondered if it was really possible. But as you can see we made it somehow.
On behalf of the school, we would like to take this opportunity to express our gratitude to Mr. Robert Baxter and Mr. J. R. Henderson for their work and time spent for the school. We hope they will be happy in their new jobs. Best of luck to both of you in the future. Thank You.
We would also like to thank all the people who have contributed toward our new school sign that appears frequently in this book. We wanted to use it in our book because the students wanted it so much. A hearty thanks to Kendrick and Heard who donated time and labor and to the Villisca Chamber of Commerce, the High School Student Council, the Senior Class of '72, and the School Board who all donated money. Thank You.
Another thank you goes to everyone who helped us get this annual completed: Mr. Barker, for being our sponsor and photographer; Mr. Baldwin, for being our professional photographer; the teachers, for smiling even though we interrupted their classes; the merchants of Villisca, Corning, Clarinda, Red Oak, and Nodaway for buying advertisements; and to the students of VHS for letting us bother them for pictures and for buying this book before seeing the finished product. Thank You.
We hope this annual can be used now and in years to come as a memory book. The Bluejay should bring to mind memories to the Seniors and hopes of more memories to the Underclassmen. We hope you enjoy the

'73 Bluejay.
Sincerely,
The Bluejay Staff

In Memory
In memory of a friend, Mary Focht.
Mary has meant something different for each of us. To some she was an acquaintance; to others, a special love. But to all of us she was a friend.
Thank you, Mary.

From a Teen Haven

STUDENT TEEN HAVEN COUNCIL: Left to Right: Mr. Chuck Gifford, Sponsor; Susan Leichty, Bill Enarson, Susan

Hausen, Vice-President; Steve Solt, Brenda Wagaman, Kim Beedle, Kathy Kerr, Chuck Sunderman, Carla Mauderly, Treasurer; Bill Houser, President; Brian Williams, Jill Rucker, Secretary.

For the past few years, our youths were given the opportunity to attend the Teen Haven after football and basketball games. On other special occasions, it was also open. For the past two years a special dance has been held during Christmas vacation when a Miss Merry Christmas and a Mr. Happy New Year were crowned. Many students enjoyed the ping -pong tables and the juke-box at the Teen Haven.

In addition to the students on the Teen Haven Council, some adults are members. They are: Mrs. Ralph Phillips, President; Bob Brown, Vice-President; Mrs. Duane Bergren, Secretary-Treasurer; Paul Poston; Vic Herzberg; Mrs. Robert Hausen; Mrs. Kenny Oltmanns; Mrs. Jay Clark; and Mr. Jim Raney. These people served the concession stand during the Bluejay Relays.

On behalf of the whole school, many thanks go to everyone who has helped make it possible to have the Teen Haven including the ones who got it started in the years past. Thank You.

To a Youth Center,
A Community Center,
And a New Theatre

The building of a community center in Villisca is just one more step toward providing all the services to the residents of our area. When discussing this project with residents, both rural and town, you find very few people who are not in favor of this endeavor, especially when it is explained in detail.

The project, when completed, would consist of a theatre, an auditorium for local programming of live theatre and local talent shows, kitchen facilities with dining area, a coke bar and Teen Haven, meeting rooms for various civic organizations and if the need ever arose, a 62 and over club room for women.

To assist in the planning of such a facility a committee was formed consisting of one member each from the following organizations:

Teen Haven Board Chuck Gifford
Park Board Clyde Pershing
City Council Glen Greenfield
Telephone Board Verne Watts
Library Board Mrs. Tom Enarson
School Board Ralph Phillips
Villisca Churches Nursing Home Inc Roger Posten
Villisca Industrial Development Corp Kenny Oltmanns
Villisca Community Roberta Dickey
V. E. A. Dwight Lewis
Chamber of Commerce Fred Eno

These people were the incorporators in a Non-Profit corporation called Villisca Restoration Inc. The Corp. upon completion of community and youth center would also like to form a historical society. Our corp. is existing for the sole purpose of promoting the recreational and cultural medium of Villisca and the surrounding area. Any individual can become a member of the Corp. by requesting to do so in writing. Group started laying plans for the project in late Spring of 1972.

YR1973PG039

BAND COUNCIL: Kay Lewis, Donna Skahill, Diane Haley, Ralph Phillips, Steve Johnson, and Carol Lewis, President.

OUTSTANDING BANDSMEN: Carol Lewis and Steve Johnson.

We had a pretty good year in band. The group was fewer in number than in previous years, but didn't lack in spirit or determination.

Marching season proved to be very successful with I ratings coming from both State Contest and Plattsmouth, a first place finish at Clarinda, and a second place finish. at Mt. Ayr. Band Queen this year was Carol Lewis who represented us very well at Clarinda and Mt. Ayr.

The concert band spent most of its time preparing for concerts (naturally) such as the Christmas Concert, Parade of Bands, and Honors Concert. Between concerts we had to squeeze in first, small group contest and then, large group contest where we received a II.

The Stage Band was very active this year with the highlight being an overnight trip to a contest in Washington, Iowa. We also competed at Jefferson and at Creston where we received a second place finish. A special three hour "jam session" wrapped it up for this year's stage band.

Along with these things went performances at the half times of the football and basketball games, pep rallies, Homecoming Parade, Veteran's Day, Commencement, and Memorial Day.

Then there are always the things a band member never forgets early morning practices, marching contests the day after a football game, endless hours of riding on a bus which were accompanied by the same endless hours of fun, playing for Memorial Day, and all the good times that we had.

Into an organization such as this go hours of hard work and dedication by students and director. And out of it come fond memories and a certain amount of unity that develops between the people involved.

The Villisca Bluejays closed out a disappointing season with a 1-7 record. The Bluejays finished in a last place tie in the Tall Corn Conference with a 1-5 record. Steve Scanlan and Richard Fast were Honorable Mention All Southwest Iowa and twelve other Bluejays were honored on the All-Conference teams. Richard Fast was a first and second team pick at defensive guard and offensive guard respectively. Arnold and Alan Dicks, Steve Scanlan, Mark Raney, Dave Rhamy, and Ralph Phillips were all second team selections and Byron Sunderman, Ken Jacobs, Mike Jergenson, and Charles Sunderman were honorable mention.
The Jays could never seem to get it together and the breaks always seemed to go the other way. It seemed that no matter what they did, things didn't turn out right. The seniors always did the best they could and had a lot of fun. It just seems winning is more fun.

Dedication
A quiet, unassuming man who "just" does his job often goes unnoticed. In fact, like an athlete, the better he is at his work, the more simple and effortless his work seems, and the more we take him for granted. We would like to show our appreciation to a man like this, whose ability and humility have been taken for granted for 26 years. Because he has dedicated himself to us, we dedicate the 1974 BlueJay to Mr. John Frazee.
Mr. Frazee was Villisca's first bus manager and over the last 18 years, he's built the position from scratch until the bus department is better equipped and organized than most in the state. As bus manager he took responsibility for all the discipline problems between the drivers and students and often had to smoothe out disagreeaments between angry parents and drivers. He constantly checked the busses and made minor repairs to make sure they were as safe to ride in as possible, and every year he devised new bus routes to fit the changing enrollment. If anything needed to be done at odd hours, Mr. Frazee was the one who did it, and during every snow storm he took it on himself to take a bus out at 4 A.M. to make sure the roads were safe for us.
Perhaps, though, the service that we're most grateful for, and the goal he's strived hardest for, is his record of driving us, our friends, and our families, for 26 years without an accident. Thank you, Mr. Frazee.

Foreword
There is more to learning than simply gathering existing knowledge and memorizing and recalling content. Learning is the ability to think for yourself, to make wise choices and decisions, to understand relationships with others, and to search out the unknown.
In the words of George Bernard Shaw, "You see things as they are; and you ask "why?" But I dream things that never were and I ask "Why not?"
We hope the Villisca Community School District faculty--kindergarten through graduation--has prepared YOU to ask "why" and "why not. "

To the VHS Students:
The 1974 Bluejay is done at last. This year's annual, with more copy and more activities pictured, serves as a permanent record of VHS highlights during 1973-74. After many long hours of selling ads, planning pages, taking and developing pictures, and putting everything together, we can finally say we are finished.
We would like to thank all the people who helped make this annual possible. The biggest thank-you goes to Mr. Barker for being our sponsor and helping us get started again after switching publishing companies in the middle of the year. He has spent just as many hours working on this annual, if not more, as any of us. Also we would like to thank all the merchants of Villisca, Corning, Red Oak, Clarinda, Grant, and Nodaway who supported us by buying ads. And we couldn't have gotten along without Mr. Baldwin of Stern Studios taking many of our pictures, or without the teachers letting us interrupt their classes to take pictures. Finally we would like to thank the students of VHS for buying the annual ahead of time and for letting us take their pictures. To all these people--thank you.
We hope this book will be used as a memory book for right now and for a reminder of our high school days in years to come.
Sincerely,
The Bluejay Staff

The Bluejay Perch
The BlueJay Perch, only a dream a year ago, is now in full swing. Villisca's community center occupies the old bakery and serves the town two-fold: the front two rooms are used as a youth center occupied by booths, food vending machines, and amusements; the rear section provides a meeting hall complete with kitchen facilities.
Terry and Sharon King oversee the enterprise during open hours, with Mr. Gifford of VHS as consultant. The entire BlueJay Perch was only possible because of the generosity of many local individuals, groups, and school clubs.

Looking back over the year, band members reflect upon many fond memories. Like every other year, it was a busy but successful one.
Our season started out with continuous work and early practices. These proved to be beneficial as we received 1st place in Class B at Clarinda, a I rating at State Marching Contest, and a II rating at Plattsmouth. The

marching band also performed at home football games and marched in the Homecoming Parade. Concert Band spent all its time getting ready for concerts: Christmas Concert, Winter Concert, Parade of Bands Concert, and Honors Concert. Along with all these, we played at the Veterans Day Program, Commencement, and Memorial Day Services. The band also participated in the State Large Group Contest where a II rating was received.

Stage Band was active this year as in previous years. The stage band participated in jazz festivals at Creston, Washington, and Jefferson. They also played at all the concerts. The highlight of the year was a 3 hour Jam Session, featuring alumni stage band members and special guests.

Having completed a memorable year, the band members feel they accomplished the goals they set for themselves. The underclassmen look forward to another year of development and competition.

ACTIVITIES

The chorus, for the first time in several years, has been very active this year. They sang for the Veteran's Day program and had many of its members participate in the Variety Show in groups and in solos. In addition to these they also gave 3 concerts and attended State Small and Large Group Contests. Not only did they attend these activities, but they made a good showing for themselves.

They owe much of their achievement this year to their new director this year Miss Carolyn Reints. Her enthusiasm was vital to the chorus this year and she will be missed greatly next year.

All School Play
Carla beautifies Cheryl?
John and Rich clear the stage of "dead" weight
The Oral Inter. Class acts busy
Sarah puts the "make" on Dale
Sheri ponders "To poison or not to poison"
For the first time in many years, Villisca High School put on an all school play. This year's play, "Bull in a China Shop", was directed by Mr. and Mrs. Roger Haworth. This play was a mystery-comedy with Dale Danielson in the lead role as Dennis O'Finn. The rest of the cast included Chris Shapcott as Assistant Detective Kramer, Sheryl Pond, Kay Lewis, Diane Carlson, Dixie Laire, Cheryl King, and Connie Marsh as the little old ladies around

whom the story revolved, Sarah Darnold as the reporter who became an arch rival to the old ladies for O'Finn's favors, and John Hausen, Rich Fast, and Kim Jamison played supporting roles.

Make-up was handled by the Oral Interpretation class under the guiding hand of Kim Smith.

The play was a rousing success due to hard work on the part of both the cast and the Haworths. We hope that a school play will become an annual event for V.H.S.

The 1973 Bluejay football team came up with one of the best seasons in V.H.S. history. As the year ended the Jays had won 6 and lost only 2. The Rhinos, the team nickname because of its large players, featured an explosive offensive that churned out 5 yds. per play and averaged 28 points a game.

The stingy Jays defense held the opposition to 2.5 yds. per play and a mere 8 points per game. The Jays were well represented when all-conference selections came around. Every regular on the team earned a place on the all-conference roster. Rich Fast and Tony Marsh led the charge as they were selected to both 1st teams offensive and defensive. Rich was also selected to the 1st team all-Southwest Iowa. Ralph Phillip and Brent Sunderman rounded out the Bluejays 1st team selections on defense. Bill Houser and Lynn Shearer represented the Jays offensive on the 2nd team. The rest of the regulars earned honorable mention selections at their respectable positions.

1973 Homecoming
Homecoming, 1973, was a big success. Thursday night's Coronation kicked off festivities with Connie Mauderly being crowned queen. The excitement continued with Friday afternoon's parade. The juniors won the float competition, followed by the jr. high in 2nd, and the seniors in 3rd place. A Spirit Fair, put on by the cheerleaders, followed with pie-throwing, car-smashing, and a bake sale. Friday evening the Jays earned another victory defeating East Union 20-6. The night ended with Shelter playing at the Homecoming Dance.

The record may not sound impressive, but the team showed much improvement during the season. The Jayettes were defeated by Stanton in first round of the sectional tournaments.

The Bluejay basketball team ended its 1973-74 season with a 6-10 reward. Not fantastic, but four more wins than Villisca has seen in the past two years combined. Coach Nardini's first year as varsity coach has relieved a two-year drought in conference wins. Falling to Villisca were Greenfield, Nishna Valley, Stanton, Farragut, and Lenox twice. The Jays had high hopes for the sectionals but Stanton proved to be tougher than in the Jays first game of the season.
Mike Schafer and Nick Taylor led the team in scoring, earning an average of 12 and 11 points per game. Bruce Williams controlled the boards with an average of 10 rebounds per game, followed by Jerry Baker with 8. Mike, Nick, Bruce, and Jerry also received Honorable Mention recognition in the Tall Corn Conference. Most valuable player award, voted on by the eight varsity players, went to senior Nick Taylor.

1973-74 Cheerleading
Varsity Cheerleaders for this year were: Laurie Bergren, Kay Lewis, Connie Marsh, Debbie Motsinger, Cathy Schuler, and Ann Johnson. They cheered at all football and basketball games, planned many pep assemblies, and did many other jobs such as making posters, cleaning trophy cases, and decorating for the athletic banquet.

Boys Track
The 1974 Boy's Track season could be considered unsuccessful by many people, except by those who were on the team.
The squad was very small in comparison to past Villisca teams. It consisted of mainly freshman and sophmores and only a handful of juniors and seniors to provide a base. The team never won a major meet, but they continued to improve their times and distances. The squad was sometimes off their best performances but never by much. They always did the best they could which is what track or any sport is all about.
The team had only one member attend the STATE TRACK MEET at Des Moines this year, Ralph Phillip. He came up with a third place in the discus. He also set a new school record in the discus at 153' 6".
Although the team didn't produce any big wins, the season provided a solid basis for Villisca track for the next couple years.

The Junior-Senior Prom, hosted by the Class of '75, centered on the theme "Seasons in the Sun." Activities began with a banquet served in the high school gym. Following this, a dance was held at the armory; "Odyssey" provided the music for Prom and walls were decorated with murals of the four seasons. For night owls, "Love, Pain, and the Whole Damn Thing" was shown at the Rialto with the customary breakfast by the senior mothers finishing the night's festivities.

The Villisca Bluejay Basketball season was one of improvement by posting a 11-9 record, the best in several years. The Jays finished 5-7 in the Tall Corn Conference to tie for fourth in the final standings. Five of the Jays losses were to Corning, a top ranked team, and Mt. Ayr, who advanced to the Boys State Tournament. Three of the four remaining losses were by a total of 12 points. The Bluejays lost only two seniors, Jerry Baker and Tom Schafer and with six letterman returning should have a fine season next year. Jerry Baker led the Jays in both scoring and rebounding with a 13.5 and a 9. 7 average respectively. Sophomore Terry Westerlund followed closely with a 12. 2 and 8. 1 average. Brian Williams and Mike Schafer followed in scoring with 11. 5 and 11. 0 average. Jerry Baker was named to second team all conference and Terry Westerlund, Brian Williams, Mike Schafer, and Tom Schafer were named honorable mention.

1975 FFA Sweetheart Miss Frieda Kasha

Her Court; Liz Moestchen, Jeanne Bashaw, Lauri Bergren, and Twyla Schrader.

The Villisca Reno Smith Chapter of the FFA is an active group of people. We have meetings at the beginning of every month all year long including the summer months.

In the fall the FFA has numerous activities. One of the first things is the Greenhand Initiation. At the initiation

the new members to the FFA are both for and informally initiated into the organization. In October a group of students from the Sophomore Class always go to the National Convention at Kansas City. To raise money for the local ambulance fund, this year our FFA had a marathon basketball game. We played basketball from 8 pm November 15 to 8 pm November 16. This was a long time to play basketball, but it was for a worthy cause and raised \$800 for the ambulance fund.

By the month of November the main FFA project is Fruit Sales. This is a combination of moneymaking and community service project. Our chapter sold about 1000 boxes of fruit this year, providing many fine Christmas gifts of fruit. Sales also pay the dues of most chapter members.

After the beginning of the year all of the classes look forward to contests. Some of the contests are Creed Speaking, Manuel Quiz, Conduct of Meetings, Parliamentary Procedure, Program of Work, Secretary's Book, Treasurer's Book, Record Book and Proficiency Awards.

Right after we have finished contests and the Sweetheart Dance we must start planning our Parent-Member Banquet to show Parents and other people in the community what we do each year.

Our school year ends with a Hog Show which is open to all members. In the summer months the FFA has judging contests, swimming parties, hog roasts, State Fair contests, and their monthly meeting.

Band Notes

Successful is a good way to describe this year's band season.

This year's marching band season was perfect. Like all years it was filled with early morning practices, routine workouts, and hard work from each and every member of the band.

The first place we displayed our talent was at the Mt. Ayr Band Day, where we received a I rating. We then traveled on to the Clarinda Band Jamboree in which our excellent street marching qualified us for the finals that led to a 1st place finish in Class B for the sixth consecutive year. Next we ventured on to State Marching Band Contest and received one of the few I ratings. Our next contest was at Plattsmouth were our hard work

led to another hard-earned I rating. Our skill and many hours of work payed off as we were invited to Simpson College to play at half time. This is one honor the band will never forget.

Jeanne Bashaw was our band queen this year. She represented us at the Mt. Ayr Band Day and the Clarinda Band Jamboree. For the fiist time in many years we had a drum majorette, who was Donna Skahill. Donna did a fine job leading the band to a perfect season. Along with these many activities the band also marched at all home football games and the homecoming parade.

Concert Band spent most of its time preparing for concerts: The Christmas Concert, Winter Concert, Parade of Bands Concert, and the Honors Concert. Somehow we managed to squeeze in Large Group and Small Group contests. Several I's were received at small group contest and the band received a II rating at large group contest. Also we played at Commencement and Memorial Day Services.

Stage Band was a participant in the jazz festivals at Creston and Peru. A special Jam Session which featured alumni stage band members ended a busy season.

Considering the hours of hard work by students and director this proved to be a very fulfilling and successful season in many ways.

Drum Majorette: Donna Skahill

Honor Bandsmen: Donna Skahill and Greg Thomas.

Band Council: Gale Hess, Paul Bangston, Jeanna Hampel, Sherri Rubin, Donna Skahill, John Hausen.

Vocal Music

VHS Chorus. First Row: Cheryl King, Susan Bewley, Chris Berggren, Marcia Schrader, Dan Snow, Chris Shapcott, Culby Cassidy, Sharon Rusk, Carole Clark, Leslie Thomas, Kay Lewis. Second Row: Jane Poston, Dixie Laire, Lori Kinser, Greg Thomas, Jim Herzberg, Brian Williams, Sarah Darnold, Cindy Mauderly, Gaillyn Kinser, Twyla Schrader.

A commendable job of accompanying for chorus rehearsals, programs, and many community events goes to Greg Thomas, Cheryl King, Marty Kernen, and Kay Lewis.

Kay Lewis and Greg Thomas were two chosen from 5000 auditioners to be part of a select 600 voice chorus which performed at the 28th Annual Iowa All-State Music Festival.

YR1975PG087

Chorus and a newly organized swing choir had a very busy and successful year in presenting a Christmas, winter pops, and spring concert. They also performed for many community activities such as Senior Citizens, ladies circles, Elementary faculty dinner and the Farm Bureau dinner. Some of their other activities were participating in Creston Little All-State, IWCC production of the "Messiah", small group contest receiving two I and eight II ratings, and singing for Baccalaureate and Commencement. Plans for next year include a vocal exchange concert with a nearby school and an ice cream social.

The outstanding vocal achievement award was awarded to Greg Thomas, a senior, for his musical interest, citizenship, attitude, service, and dedication to the vocal department. The candidate is selected by the students in chorus.

As student director, Maestro Greg Thomas, senior, directs the chorus in a rehearsal. The B3 Singers bring back the sound of the 50's with "Your 16, Your Beautiful".

Dedication
No one really knows the work that goes into a job that involves more than just keeping books and balances.
Mrs. Greenfield is more than just a principle's secretary, she's responsible for typing and always within reach to answer the calls on the intercom. She's always willing to help whenever someone interrupts her work countless times a day. We want to say thank you for all the patience and co-operation she has given.
With sincere appreciation we proudly dedicate the 1975-76 Bluejay Annual to Mrs. Carol Greenfield.

YR1976PG003
We can never go back,
It's over and done.
We can never go inside
And be one of them again.
Reflect upon the past
And remember well.
Look through and shed a tear,
And imagine what might have been.
Then turn, go one—life is waiting.

Standing: Manager Cindy Baldwin, Tom Darnold, Mitch Jergenson, Paul Bangston, Terry Westerlund, Kent Jackson, Manager Karen Rhamy. The Villisca Bluejay Basketball Team finished the season with a record of 6-12 and 5-7 in the Tall Corn Conference. The Bluejays were stalked with bad luck throughout the season. The Jays lost eight games by eight or less points and dropped three two point games. The Roundballers lost Brian Williams due to a car accident in December. Brian was scoring over 16 pts. a game. The Jays struggled through the last half of the season and many underclassmen were called upon to fill in. The Bluejays played with desire and coach Nardini was very proud of them. Terry Westerlund was voted unanimously first team all conference and Kent Jackson received honorable mention. John Schafer provided the team with fine leadership while Paul Bangston gave his all in this most difficult season . . Bryce Sunderman showed a great deal of desire and hard work. Four of the five starters will be back next year with Marc Stephens, Greg Haer, Rod Fast giving them a boost. A fine group of freshmen should add to the varsities strength. At the finish of the season the members of the team were, Seniors--Paul Bangston, Mark Shirley. Juniors--John Schafer, Terry Westerlund, Bryce Sunderman, Marc Stephens, Tom Damold. Sophomores--Rod Fast, Greg Haer, Bill Enarson, Mike Baker, Kent Jackson, Keith Anderson. Freshmen--Brian Herzberg, Craig Smith, Calvin Haley, Lloyd Black, Ken Brown, Jerry Fisher, Marc Boggess. This years track team was led by an experienced nucleus. They finished 5th in the BlueJay Relays and in the upper half of all other relays that they participated in. Two school records were broken this year. Mike Schafer set a new record in the 220 yd. dash with a clocking of 23.3 seconds. Joe Williams set a new mark in the 880 yd. run with a time of 2:05.4. Mike Schafer also advanced to the State Track Meet in the 220 yd. dash. With the experienced gained this year the returning tracksters should have a fine season next year.

This year Villisca added wrestling as a school sponsored activity. Since this is the first year of interschool competition, meets were scheduled with mostly Jr. Varsity squads from our conference and other area schools. Our beginning wrestlers are to be commended for their fine showing against wrestlers from other schools with far more experience. As a team, the high point of the season was bringing home the first place trophy from the South Page Tournament. Although each wrestler had many individual accomplishments, Chuck Fast's second in the sectional tournament, qualifying him for the district tournament, was very impressive for a first year wrestler. Since most of the wrestlers are coming back next year a fine season is expected.

Homecoming '75
The theme of this years' homecoming was the bi-centennial and as usual, various activities were carried on throughout the week. Float building started on Monday, and this year there were also several entries by different organizations withing the school and community. There was the usual painting of the town, and the street in front of the school was painted with good wishes for the team. Thursday night involved the queen coronation and pep rally, and finishing touches on the floats.
The parade on Friday also had various changes. The route started at the Enarson Building and passed on by the Good Samaritan Center to enable the residents to see the parade activities. There were also a few additions to the parade, this included the queen and her candidates riding in horse-drawn buggies and the Stanton High School Marching Band. After the parade the cheerleaders held their spirit fare and bake sale in

the park.
The evening set the spirit for the game between the Villisca Jays and the East Union Eagles. After the victory, everyone made their way up to the dance. The armory had been beautifully decorated by the Science and Math Club, and music was provided by the Michael Dodge Band.
All in all it was a week well spent and due to the co-operation of the students, faculty, and community, Homecoming '75 was a great success.

Maestro Kay Lewis, senior, directs the chorus as this years student director selected by Mrs. Nelson.

Kay Lewis, senior, was selected as outstanding vocal senior for her musical interest, attitude, contribution, and dedication to the vocal department. She was selected by the chorus members.

The chorus and swing choir started the year rather "cool-ly" with an Ice-cream Social which was very entertaining and fun. Another new project this year was a vocal exchange concert with the Glenwood Chorus.

The year was both busy and successful in presenting a Christmas, spring, and pops concert. They also participated in Creston Little All-State, Southwest Iowa Vocal Festival, and small group contest. Singing at several community events, churches, and for Baccalaureate and Commencement helped make this year a big success.

For the past 3 years, members of the Spanish Club had dreamed of a trip to Mexico. Finally, after much planning and hard work, it looked as if the trip was to become possible. The nineteen members planning to go began to think up projects and carrying out fund raising drives. Some of the projects included bake sales and concession stands, raffles, car washes and selling zip code books. In the fall they also had their annual banquet and all proceeds went to the trip.
The group was to travel by Greyhound bus and be gone 12 days for the excursion. The tour would include sight-seeing in Mexico City, Tasco, and Acapulco and take in such events as the bull fight, cliff diving and souvenir shopping. Plus, the people would have a chance to become more familiar with the native dances of the country and view the Pyramids of the ancient Aztec civilization.
All in all it sounded like a very exciting way to spend a vacation. Through all the planning involved it should prove to be a successful trip. Buena Suerte!

Homecoming '76 holds many memories for the students of VHS. I'm sure the majority of these memories are good. Cheryl King was crowned Homecoming Queen Thursday night at the rally in the gym. More excitement followed Friday afternoon with the early dismissal of school and the parade. The cheerleaders sponsored a Spirit Fair in the park after the parade. Friday night the Jays earned another one of their many victories against the Corning Raiders with a score of 7-0. The victory was celebrated at the dance following the game.

Cross Country
The Villisca Cross Country team participated in the Abraham Lincoln (Council Bluffs), Red Oak, Clarinda, Creston, Harlan, and Shenandoah invitational meets during the 1976 season. Jim Sand and Jerry Fisher were Villisca's only returning lettermen. First year runners were Dale Albrecht, Russell Bewley and John Strand—all of which earned letters for the season. Competing with the Hawkeye Eight and Council Bluffs schools presented quite a challenge for the Blue Jays but they were dedicated to keep doing their best. A new format of district meets to qualify for the state meet saw a trip to Fort Dodge where Villisca moved up to a larger class and found the state competition much improved over prior years. Jim Sands and Dale Albrecht accomplished a first for Villisca High students as they traveled to Council Bluffs for a 13-mile run at Lake Manawa.

Tall Corn Champions
This year the Villisca High School Football team had a very good season. Their final record was 7 wins and 1 loss. With this record they tied for the Tall Corn Conference Championship. Also the Jays finished the season ranking No. 10 in Class A in Iowa. For this hard work and tremendous effort, the team members will definitely remember the season. The coaches this year were Head Coach Carl Johnson assisted by Mr. Bob Russell and Mr. Dale Ernster. Their careful planning and help during and before the games led to outstanding victories. This year Villisca was well represented in the Conference Team pickings. The 1st team offense consisted of Joe Williams, Wide Receiver, Rich Northup, Tackle, Bryce Franson, Center, and Chuck Fast, Runningback. 2nd team offense Greg Hear, Runningback. Honorable Mention Terry Westerlund, Quarterback, Marc Stephens, Wide

The Villisca wrestlers finished their first year varsity competition with a 2-8 dual record and two third place finishes in eight team tournaments. The Bluejays had given up years of experience to almost all their opponents. In competitions with schools having comparable experience the Bluejays more than hold their own. This year's team was led by seniors Chuck Fast, Jim Sand, and Jim Parker. Chuck Fast had the best per-formance record of 17 wins followed by Jim Sands and Dale Albrecht each with 11 victories.
Although hampered by lack of depth in most weight classes, the wrestler showed steady improvement throughout the year. With the enthusiasm evident in the nongraduating members of the team the coming years hold much promise.

Reno Smith Chapter has been very active in our community service program in the last year. Our first major project was working on the front of the Rialto Theatre. Fifty-five of our last year's members worked on this project. The next project was the bandstand in the park, a bicentenal project. Funds for both of these projects were collected through the basketball marathon. In the fall, we handed our free football programs to the public. Fruit sales are our main money making project. A community service as well as a safety project was our can crusher. Our members crushed 91/2 tons of chemical cans.

Our main recreational activity was the Parent-Member banquet to honor all the people in the community who helped us during the past year.

This year Reno-Smith had two Iowa Farmer Awards which were presented to Bill Shipley and Jim Sand at the 49th annual Leadership conference ence in Des Moines. We also were well represented in state contests. We recieved second gold in BOAC, a silver with Chapter Exhibit, a bronze in. our Chapter Program of Work, and Bill Shipley recieved a sheep proficiency.

For our community safety project, we held a car safety check. We checked about 30 to 35 cars. We were helped by the Villisca Police and Trooper Bill Zimmerman.

Bluejay Band
This year, like all others, was filled with early morning practices, routine workouts, and hard work from every member.
We started our marching season with a I rating at Mt. Ayr, where we showed off our new uniforms. Then we travelled on to Clarinda where we displayed our fine street marching ability, and went on to compete in the evening program, where we were rewarded for our fine efforts with the second place trophy for Class B. We showed off our field marching talents again at State Contest and later at Hafts-mouth, and brought home 2 II ratings. We also marched in our Homecoming Parade and at all home football games.
.Marty Kernen was our band queen this year. She represented us at Mt. Ayr and at Clarinda. Again this year Jeanna Hampel did a fine job as our drum majorette.
Concert Band spent most of its time preparing for concerts: the Christmas Concert, Winter Concert, Parade of Bands Concert, and the Honors Concert. Somehow we managed to squeeze in Large Group and Small Group

Contests. We also played at Commencement.
Stage Band participated in jazz festivals at Creston and East Union. The Annual Jam Session finished off a busy year.

The past year was indeed a very busy one for the Villisca High School Band. Early in the year, the Band traveled to march at the Mt. Ayr, Band Day, the Clarinda Band Jamboree and the State Marching Competition. The Band also marched at the Nodaway Corn Carnival and also in the Homecoming Parade. The Marching Band displayed their field routines at all home football games. The winter months were also busy, with concerts, and small group rehearsals. During these months the Stage Band attended the Tall Corn Conference Jazz Clinic, and then traveled to the Peru Jazz Festival. Also they played at the Band Mother's Smorgasboard. The spring consisted of marching at the Drake Relays and receiving the 2nd Place award. As time passed the Honors Concert approached and the Band played for the Commencement exercises. The Stage Band finished the year with the Jam Session. The Band was very well represented at the Mt. Ayr and Clarinda Parades by Band Queen Diane Jenkins. There was much hard work and pieparation for contests and concerts, and the whole year proved to be busy.

The Villisca Review & Stanton Viking wishes to commend the 1977-78 Booster Club for their accomplishments! This year, the Booster Club really did an outstanding job. The membership was increased from 135 to 216. Hardworking members worked together to provide much support as well as equipment for Bluejay and Jayette sports. Committee members leading the pack this year were: Dick Wright, Joyce Jenkins, Joyce Albrecht, Bob Marsh, and Stan Means. Some of the many accomplishments; Allocation of \$350 for Jr. High Football equipment, chain gang equipment, supplies and repairment of the bleachers at the Football field. The film for home football games and a Homecoming sign to be hung downtown in Villisca were two other fall projects. During the winter, new basketballs for the boys and girls were purchased, and Jr. High Boy's Basketball uniforms were added. Also money was allocated for the purchase of new High School Boys Basketball uniforms. To encourage the younger students in the athletic program, patches were purchased for those participating in the Elementary Basketball program. Also student coaches were treated to pizza by the club, in their appreciation of the coaching efforts. The Boys. Track uniforms were in bad need of repair and the foam and cross bar needed to be replaced, so funds were drawn up, along with the purchase of two new digital stop watches. Money was also designated for new Softball equipment. Through the long year, many long hours of work as well as planning took place to widen the athletic program. From reading the above achievements, you can realize just how busy the Booster Club was, and should be saluted and thanked for their outstanding support!

Queen Lori Peterson and her court
Homecoming, once again was a very busy time for all V.H. S. students. The floats showed that a lot of time and effort were put into them and they were shown with great pride in the homecoming parade on Friday. Entries in the parade included the V.H.S., V.J.H.S., and the Red Oak marching bands, and floats from several local organizations.

In an exciting game Friday night, the Bluejays "squeezed" past the Corning Red Raiders, 3-0. The homecoming dance was held in the Armory after the game. Everyone agreed it was a week well spent and due to the cooperation of the students, faculty, and community, Homecoming 1978 was a great success.

This year, like all years, the Reno Smith FFA has been very active. In the fall we had Greenhand Initiation. There is both formal and informal initiation, but you have to go through both. Later, six members from the Sophomore class went to the National Convention at Kansas City. Once again, the Basket-Ball marathon was held to raise money for the Big Pig Project, and annual fruit sales were held. 800 boxes of fruit were sold this year, plus cheese. Finally, contest was held. Six people advanced to State Contest. There, Roger Mot-singer received a silver in Creed Speaking, Brett Crouse received \$25.00 for second place and a bronze in Proficiency. Clifford Baldwin, Craig Herzberg, and Greg Hart all received bronze metals in Proficiency. Craig Smith received participation in Proficiency. The Parent-Member Banquet was held again this year, and was a success as usual. Receiving the Reno Smith Scholarship this year was Cecil Stephens and Craig Smith. Another senior, President Jerry Fisher, received the Iowa Farmer Degree, the second highest degree in the FFA. Congratulations to all these people. This year the VHS Bluejay Band had their usual early morning practices. There was a lot of hard work put in, and some grumping, but it was all worth the effort. We started the marching season with a 1st place at Mt. Ayr. We then went on to Clarinda, where we received 2nd place in the field marching. At State marching contest we received a 1 rating. We also marched in our Homecoming parade and at all home football games. Diane Gourley was our Band Queen this year. She was first runner-up at Mt. Ayr. Ann Shipley was once again our drum majorette. She also did a fine job. Concert Band spent most of its time preparing for concerts: the Christmas Concert, Winter Concert, Parade of Bands Concert, and the Honors Concert. Somehow we managed to squeeze in Small Group Contest. We also played at commencement. The end of the year also brought the Drake Relays. We journeyed up to Des Moines and marched in the Drake Relay Parade, where we received second place after only one or two weeks of practice! The Stage Band participated in jazz festivals at Creston and East Union. The Annual Jam Session finished off a busy year. Honor Bandspersons this year were Tina Gulick, Cecil Stephens and Lori Peterson. The Band Council consisted of Ronnell Herzberg, Ann Shipley, Tina Gulick, Doug Berggren, Angie Snow, and Chris Haley (not shown)
