**The 1982 Bluejay
Villisca Community High School
Villisca, Iowa**

"These Are The Best Days Of Our Lives (So Far)"

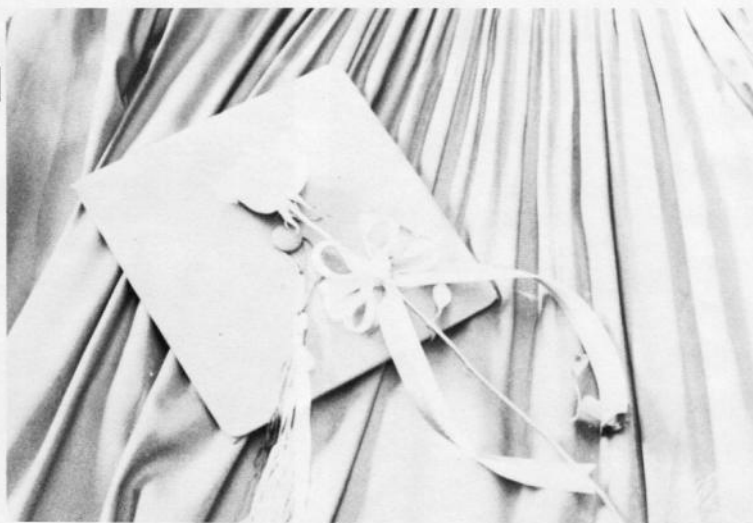

Dedication

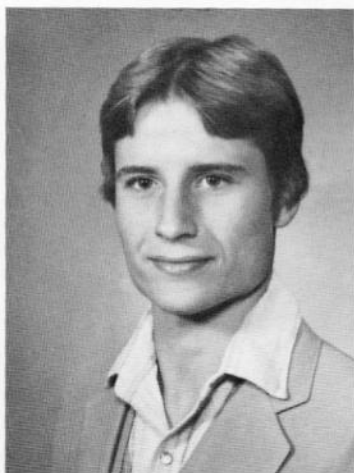

From the start of her Villisca teaching career in 1957, she has opened up the minds of all those around her. With her continuing encouragement and support, we forged ahead when it was obvious we would have rather given up. There were times when our minds were not on schoolwork but in the years to come we will look back and thank her for making us push on. She has always supported us both in school and in our extra curricular activities.

With deepest appreciation and fondest memories, we dedicate the 1982 Bluejay Annual to Mrs. Berniece Guffey. Thanks again for putting up with us.

Academic Awards and Participation

Academic achievement during the 81-82 school year did not take a second seat to interscholastic activities. One only needs to get a copy of the school honor rolls to see the number of students excelling academically. Student success in the classroom takes many forms. Examples of some of their success can be shown by their participation in contests and by the awards earned by various students.

At awards night, Mrs. Meyers presented writing awards to Roger Motsinger, Amy Crouse, and Cathy Schafer for their outstanding writing ability in Advance Composition. Mr. Barker presented the Senior Business Award to George Bruce and the following typing awards: 40 words per minute to Stephanie McVeigh, Jodi Fulton, Scott Neal, and Jenny Haley; 45 words per minute to Kris Williams and Dan Feistner; 50 words per minute to Bernell McKinley, Dawnette Herzberg, Scott Schafer, and Roberta Cerven; 55 words per minute to Sheri Cooney; and 80 words per minute to Cynthia Williams. Due to a conflict with a band activity, the Business students did not compete in the Southwestern College Business Contest. Ron Ackerman won the National High School Math Award and the award was presented to him by Mr. Fairman.

In addition to the Math Contestants pictured at the right; Leland Shipley, Donald Filkins, Scott Neal, Steve Williams, Vonda Fisher, Mark King, Chele Brown, Kevin Schafer, Janice Else, and Anne Harter, also made the trip to Northwest Missouri State University and participated in the Math Contest.

Freshmen Math contestants at Creston were Juli King, Brenda Else, Jodi Fulton, Scott Schafer and Roger Skavdahl.

Senior Math contestants at Maryville were Craig Herzberg, Doug Berggren, Kenneth Thomas, Amy Crouse and Cathy Schafer.

State Speech contestants were Mary Beth Roberts, Diane Anderson, Amy Crouse, Cheryl Spencer and Kris Schroeder.

As the old saying goes, "It's not whether you win or lose it's how you play the game." This year's girls basketball team was short on wins, but still managed to put up good fights toward hopeful victories. The girls worked hard to make improvements throughout the season.

The team was led by seniors Amy Crouse and Cathy Schafer.

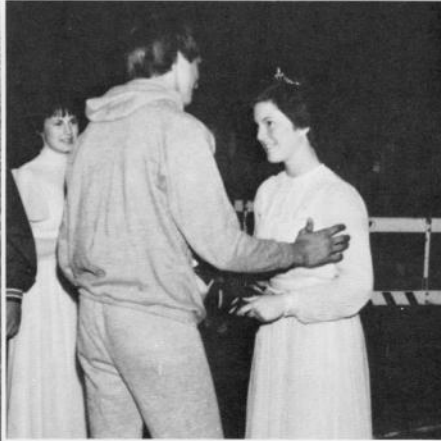

Cathy Schafer was named to Second Team All-Conference and Sue Focht was named to Honorable Mention All-Conference.

It's a bird! It's a plane!

Hi Guys!

Prepare for takeoff!

The boy's track squad had a spectacular season. Two school records were broken and one conference record was broken by Villisca. The two-mile relay team, consisting of Jim Boggess, Mark King, Kevin Schafer, and Scott Neal broke their own record with the time of 8.27.3. Senior Craig Herzberg set a new school record and conference record in the 200 meter dash with a time of 22.5. All of the above, plus Jim Boggess in the 1600 and 3200 meter runs went to the state track meet. Jim won both of his events and the others all placed well. GOOD JOB BOYS!

Another day another hurdle

The girls track season started out as one of the most promising years that Coach Ernster had seen. Eighteen girls first reported out then another one was added as the season continued. As the result of the increased numbers more uniforms had to be purchased. The track season started with its rainy, cold weather keeping the girls from practicing on a regular track until after the first track meet. But the promising season was halted as the team lost seven girls part way through the season because of complications. After this the remaining members were switched around to fill spots where needed so to keep part of the relay teams. Of those left the determination to succeed with the remaining season was evident as much effort was put forth by them. We had no one qualify for state but during the course of the season we had a record broken and one set. Mary Stephens broke the 440 low hurdle record setting it now at 1:13. Janice Else set the two mile record at 14:05 being the first year this event had been run by girls.

Annual Staff

At this time the members of the Annual Staff would like to recognize Mr. Lynn Baldwin for all his help and support. He gives of his time freely and is always willing to help. Without him you would not be seeing yourself on the sports pages, as homecoming candidate, or just being yourself. So from the Annual Staff and VHS students, Thank you, Mr. Baldwin!

VHS Students,

"The road is long. . ." This year the annual had been a very long road. We pushed, prodded and even shoved each other to get the annual done.

Many have worked hard and long and to them I'm very thankful. Some just came and left.

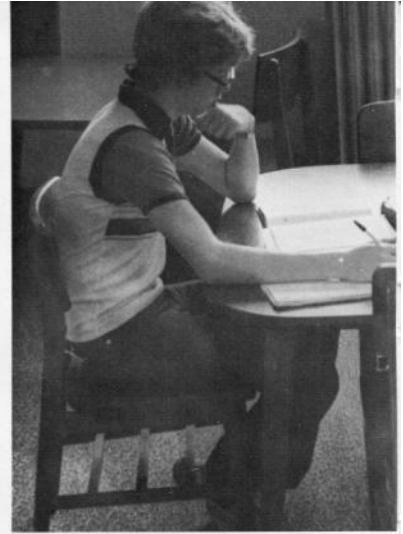

So here is your annual, even though it may not be the "best ever", we think it does a good job of capturing the moments and memories of a special year.

A big "THANK YOU" to all of you who helped with the annual, the merchants for their advertising, Mr. Barker for his help and dedication and to the students of VHS for being photogenic, cooperative and active. Without you the annual is not possible.

This is yours, now sit back and remember and enjoy!

Sincerely,
Kris Schroeder—Editor
