Presenting: Who Done It?

The 1991 Bluejay
Villisca High School
Villisca, Iowa

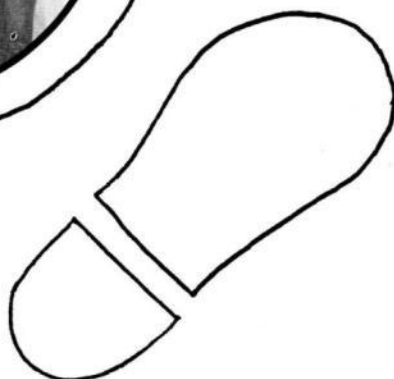

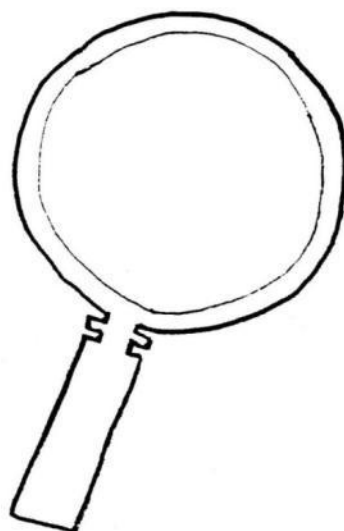

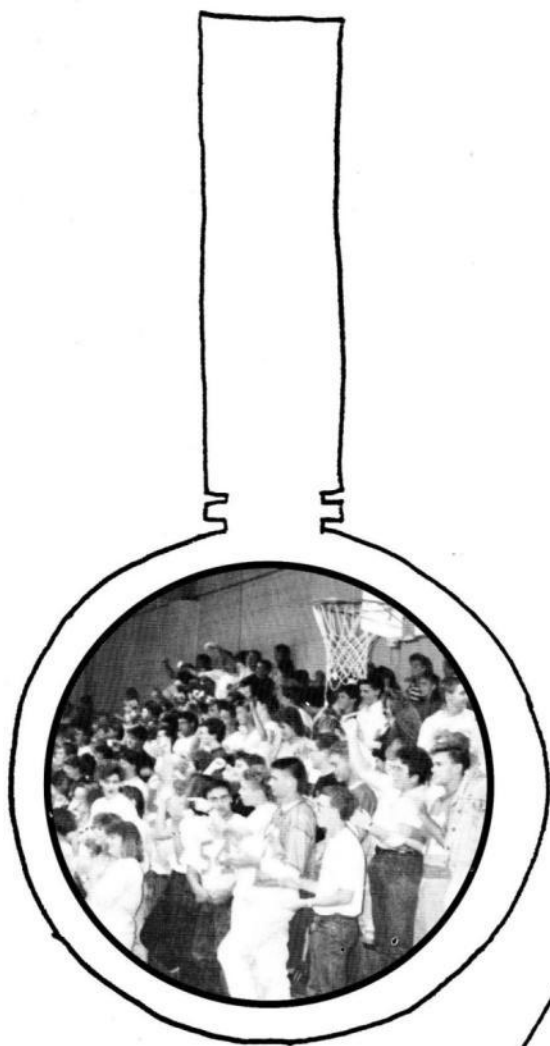

Twenty-seven years dedicated to the Villisca Community Schools

Villisca Community School has been extremely fortunate to have a very dedicated secretary for the past twenty-seven years. Mrs. Skahill is the elementary principal's secretary at Enarson Elementary. She and her husband Gerald have sent nine children through the Villisca Community Schools. She also keeps busy with the activities of her seventeen grandchildren, of whom ten are still attending the Villisca Schools. Mrs. Skahill also is a very active member of the St. Joseph's Catholic Church. We want to say a big "Thank You" for all the patience and cooperation that she has given throughout the years.

With sincere appreciation and gratitude, we proudly dedicate the 1991 Bluejay to Mrs. Joyce Skahill.

AMERICA AT WAR

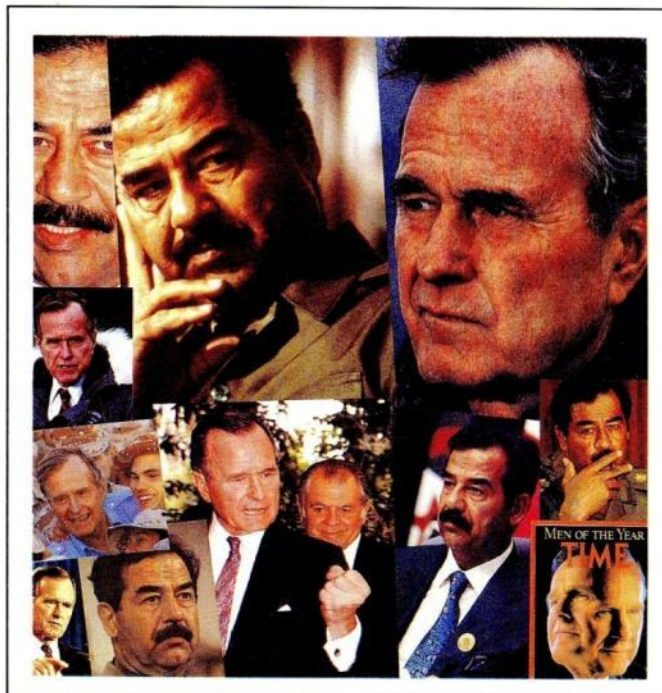

JANUARY 16, 1991

The Berlin Wall crumbled without bloodshed after dividing East and West Germany for decades. Nelson Mandela was freed from a South African prison after serving 27 years as a political prisoner. Mikhail Gorbachev introduced "Perestroika" and "Glasnost" as he made sweeping reforms across the Soviet Union. The Cold War came to an end as the relationship between the United States and the Soviet Union turned into one of cooperation.

The end of the eighties seemed to signal the end of conflict in many areas of the world. Although there were still some troubled spots around the globe, many looked to the nineties as a decade of peace and healing.

On August 2, 1990 Saddam Hussein of Iraq invaded Kuwait.

Saddam Hussein, whose name translates as "one who confronts" threatened the invasion on July 17. Our feelings of peaceful optimism disappeared as the person U. S. News and World Report magazine labeled "The World's Most Dangerous Man" sent 100,000 troops into Kuwait.

THE WORLD

UNITED

T O F R E E K U V

- Aug. 3, 1990. The United Nations Security Council denounces the attack on Kuwait and orders world-wide economic sanctions against Iraq.
- Only a few days after the brutal attack on Kuwait, Iraqi troops move toward Saudi Arabia's border.
- As a total of 28 nations come together, Operation Desert Shield is born. Allied forces include the U.S., Italy, England, Egypt, Kuwait, Saudi Arabia and Canada.
- Aug. 6, 1990. President Bush commits U.S. forces to the Saudi Arabian desert. Demonstrations in support of troop deployment to Saudi Arabia, and against it, fill streets in America and abroad.
- Aug. 28, 1990. After pleas are made from around the world, Saddam Hussein releases the women and children hostages he held.
- Nov. 29, 1990. The United Nations Security Council gives Saddam Hussein 47 days to unconditionally withdraw from Kuwait. This order sets the Jan. 15 deadline.
- Dec. 6, 1990. Saddam releases hundreds of Western hostages.
- Nineteen hours after the deadline, the night of Jan. 16, 1991, the liberation of Kuwait begins with massive air attacks on downtown Baghdad and occupied Kuwait. Operation Desert Shield becomes Operation Desert Storm.
- Hours after the war begins, in an attempt to break up the U.S. led coalition, Saddam releases his first Scud missiles at Tel Aviv, Israel.
- In Israel's defense, America quickly sends Patriot missiles to knock out the incoming Iraqi Scuds. The Patriot's performance proves to be exceptional.
- Two weeks into the war, Saddam Hussein violates *The Third Geneva Convention* by parading allied prisoners of war on television. The battered men make statements condemning Allied attacks on "peaceful Iraq."
- Feb. 2, 1991. Saddam torches oil fields and releases more than 6 million barrels of crude from Kuwaiti tankers and offshore terminals (12 times more than the Exxon Valdez spill) in a failing attempt to ward off an amphibious attack and endanger Saudi Arabia's water supply.
- Feb. 21, 1991. Soviet diplomats meet with Iraq's foreign minister, Tariq Aziz, in an effort to draw up a cease-fire proposal that meets the conditions of the United Nations Security Council.
- Feb. 22, 1991. President George Bush, reaffirming United Nations Security Council resolutions, gives Saddam Hussein less than 24 hours to get out of Kuwait or risk ground war.
- Feb. 23, 1991. The ground war attack to liberate Kuwait is launched. Over 20,000 Iraqis surrender in the first 36 hours of the confrontation.
- Feb. 25, 1991. An Iraqi Scud attack on Saudi Arabia kills 28 Americans and injures over 100.
- Feb. 26, 1991. Kuwaiti Government Officials declare Kuwait liberated.
- Feb. 27, 1991. President Bush orders a cease-fire exactly 100 hours after the beginning of the ground war assault. America suffers 292 casualties, 9 Americans become prisoners of war and 27 planes are lost. Of Iraq's 400,000 troops, 300,000 are taken from action, while 3,008 tanks and 140 planes are destroyed.

"One of the fondest expressions around is that we can't be the world's policeman. But guess who gets called when suddenly someone needs a cop?"

-General Colin Powell, Chairman of the Joint Chiefs of Staff

"I have seen in your eyes a fire of determination to get this job done quickly so that we may all return to the shores of our great nation. My confidence in you is total. Our cause is just! Now you must be the thunder and lightning of Desert Storm."

Operation Desert Storm was a war similar to wars of the past. Yet it was a war unlike any previous war. Operation Desert Storm added a new dimension to the term "war." Never before had there been laser-guided missiles; never before had women served in a military capacity on such a large scale; and never before had the United States gone into war with an all-volunteer force.

Because of the "smart" weapons being used in Operation Desert Storm, some called this the "Nintendo" war, while others referred to it as "Star Wars." In any case, the comparison was clear. This would be a war of sophisticated technology. The use of high-tech weapons would determine the victor.

The Apache AH-64 helicopter, the M-2 Bradley and the Abram tank all made their debut as a new generation of weaponry. The Apache brought with it the laser-guided Hellfire missile that illuminated targets with a laser beam before destroying them. The 20-foot-long Tomahawk missile (smart bomb), made with small jet engines and on-board computers, was said to have a mind of its own. Programmed by an inertial guidance system, the Tomahawk could fly over 500 miles per hour. By using sensors and gyroscopes to measure changes in direction, it could be fired from a ship or submarine 1,500 miles from its target and hit it with unnerving accuracy. The Patriot missile was said to be the backbone of defense artillery. Many doubted the capabilities of the Patriot; the thought of a bullet hitting another bullet was simply unimaginable. However, like the other sophisticated weaponry used, the Patriot proved exceptional.

This conflict was unlike any other in recent history for more reasons than just the use of high tech equipment and the presence of women in military roles. Perhaps the most unique thing about Operation Desert Storm was the use of the National Guard and Reserves. Many joined these organizations for patriotic reasons, while others joined to help pay for a college education or gain job experience. It was fairly safe to assume that few ever imagined that they would end up involved in a Middle-East war.

The most frightening aspect of the conflict with the Iraqi troops was the constant threat of chemical and biological warfare. No other leader in recent history had been as threatening in this respect as Saddam Hussein. Throughout the conflict military forces and civilians scrambled to get into gas masks as air raid sirens sounded. Iraqi missiles were frequently aimed at heavily populated military and civilian locations in Saudi Arabia and Israel. Precedent had shown that Hussein would not hesitate to use chemical and biological warheads.

While facing this threat, the troops involved in Operation Desert Storm had the support of the entire country. And while many may have questioned the motives behind the conflict, none questioned the valor of those who served.

ALL VOLUNTEER FORCE

HIGH TECHNOLOGY GOES TO WAR

THE IMPACT

OF THE WAR

The impact of Iraq's invasion of Kuwait was first felt by Americans at the gas pumps. Gasoline prices skyrocketed immediately after the invasion. The inflated prices were only temporary, however, and by the beginning of the ground war on February 23, gasoline prices averaged five cents a gallon less than the day before the invasion.

As the days dragged on with Iraqi forces still in Kuwait, people began to fear more than high fuel prices. When President Bush committed U.S. forces to the Middle East, the conflict hit home. Saddam Hussein had not only invaded Kuwait, but he had also invaded American homes. Men and women who had never imagined going to battle were sent to the Saudi Arabian desert. Suddenly this was our war. Our fathers, mothers, husbands, wives, siblings and friends were leaving the safety of home and traveling to the Middle East. Children were being left with relatives and friends as both parents were assigned to Operation Desert Shield. Reservists and National Guard members were being called upon to take an active role in the effort to free Kuwait.

As more and more civilians were being sent to the Middle East, we remembered hearing about the draft during the Vietnam War. If this conflict dragged on would the draft be reinstated? Would we be called on to go to war half a world away?

We held our breath with every news report. Months dragged by as the world waited for economic sanctions to force Iraqi troops out of Kuwait. We waited anxiously as the January 15 deadline passed. Just as the generation before us remembers JFK's assassination, we remember where we were on January 16 when we heard that the war had started. We watched in horror as Iraqi television broadcast footage of brutalized allied POWs. We stared in disbelief as the ecological balance of the Middle East was deliberately destroyed by an oil spill and oil fields that had been set ablaze. We were constantly amazed by reports of atrocities that were reported by eyewitnesses from Kuwait.

While we worried for our loved ones and friends in the Middle East, an amazing thing happened here at home. Patriotism reached an all-time high. American flags were everywhere. The country was covered with many yellow ribbons, our symbol that our thoughts and prayers were with our fellow countrymen in the Saudi desert. Not everyone agreed that we should be involved in the Middle East conflict, but nearly everyone supported the men and women who were part of the allied coalition.

The impact of Desert Storm will be with us for years to come. We will remember the waiting, the fear, the sorrow and the patriotism. We will remember how it felt to be part of the most serious conflict since Vietnam. We will also hope that this will be the only war story that we will have to tell our children.

STORM**

AMERICA WELCOMES BACK THE **HEROES** OF DESERT STORM

On February 27, 1991, President Bush ordered a cease-fire exactly 100 hours after the beginning of the ground war assault. Kuwait was liberated. The mission of the allied coalition was complete.

The American people are proud of their military. It was time to concentrate on the safe return of the men and women of Operation Desert Storm. The removal of U. S. forces from the Gulf was predicted to be complete within six months.

My Thoughts About Desert Storm

What were your hopes and fears when you heard about the beginning of Operation Desert Storm?

Do you have any relatives or friends serving in the military?

Has the war brought people together in this country?

How has the war affected you?

What is your prediction for the future of this area?

Golden Gloves

The 1990 Jayette softball season for the girls was not the way they would have liked it, yet it was a positive experience. The Jayettes only won three games, but provided underclassmen with a valuable learning experience. Next year the Jayettes should improve and have a solid team.

Three Jayettes received post-season honors. Chimene Rupp and April Olson earned 2nd team All-Conference in the outfield. Michelle Busch received 2nd team All-Conference utility.

"Hand Hurt Rhamy?"

"Flawless!"

The 1990 Bluejay baseball team was made up of new faces to the starting ranks. The highlight of the season was the 7-2 conference record. The Jays ended the regular season with a record of 7-9 after losing to Stanton in the controversial "mud bowl" (1st round of Sectionals). After season honors went to Mark Schafer 2nd Team All-Conference and Shad Fish also made 2nd team All-Conference.

The Jayette Volleyball squad had a great year with many personal bests. Jennifer TenEyck ended her season with a 99% serving percentage. Darci Heard compiled 224 kills

throughout the season. Darci Heard was chosen 1st team all-conference; Michelle Busch-2nd team all-conference; and Jill Fulton-honorable mention. This year's five out-

standing seniors will be missed on next year's squad. The volleyball members are looking forward to another great year ahead in 1991.

FOOTBALL-WHO'S BRAVE?

"Who Done It??"

The 1990 Bluejay football season was marked by a great beginning and then a series of close, disappointing losses. After winning the first two games against Fremont-Mills, 36-6 and Tarkio, 7-6, the Bluejays were defeated by eventual playoff qualifier Malvern 27-22, and by Nishna Valley 21-6.

Next came a 1 point loss at Sidney, and a 1 point loss to South Page on field goals late in the 4th quarter. Next were losses to archrival Stanton, 42-18 and to Essex, 28-22. The season ended on a high note with a 21-18 victory at Farragut.

The Bluejays were honored with many post-season honors. Tom Williams 1st Team All-Conference offensive lineman and Honorable Mention on defense as linebacker. Shad Fish 2nd Team All-Conference wide receiver. Jason Rhamy 2nd Team All-Conference tight end. Scooter Sharp Honorable Mention as quarterback. Don Sexton 2nd Team All-Conference as linebacker and Honorable Mention offensive lineman. Jeremy Froisland Honorable Mention defensive end.

"A prayer wouldn't hurt."

"Everything going your way C.J.!!"

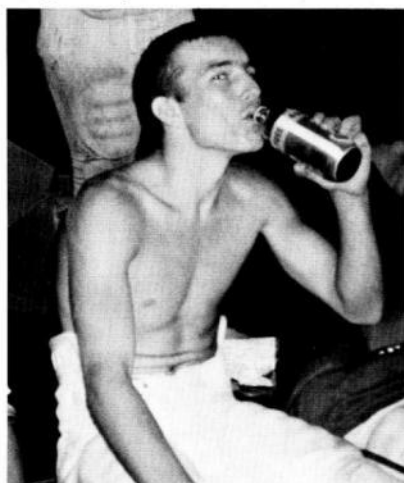

"Is that enough Rhamy?"

"Don't drop it!!"

The Jayettes ended the year with a 5-15 record. They had many close games, but just didn't have enough to win. The Jayettes worked as a team and always gave it their all. The team was a young team with only two seniors coming back from the year before.

These two seniors were Michelle Busch and Jill Fulton. They were talented and received recognition for it. Senior forward Michelle Busch made the All-Conference Honorable Mention Team. Senior guard Jill Fulton made the All-Conference Second Team.

The team had two new coaches this year. They were Coach Alan Miller and Assistant Coach Brenda DeVore. Everyone is looking forward to next year with many coming back.

BLUEJAY BASKETBALL

The 1990-91 Villisca Bluejays ended the season with their best performances of the year. After winning eight straight ball games, including a District Championship, the Bluejays advanced to Substate. The Bluejays, after losing to Stanton in that game, ended the season with a respectable 14-10 record.

The Bluejays, with the return of a host of experienced Juniors and an abundance of great upcoming talent should challenge for the top spot of the conference.

Post-season honors were awarded to 3 Bluejays. Junior Joe Chapman received All-Conference 2nd-team and seniors Jason Rhamy and Shad Fish were named All-Conference honorable mention.

Even though the Jayettes were few in numbers they broke two school records. Laurie Bowling broke the school record for the 3000 Meter Run with a time of 12:18.4. The Sprint Medley team of Jill Fulton, Rachel Dunn, Teresa Means, and Darci Heard broke the school record at the State Track Meet with a time of 1:57.3. Though the rain hampered practices and meets, the Jayettes completed a successful season by capturing third place at the Corner Conference Meet.

The 1990 Homecoming week was filled with many fun activities. The halls were decorated by the cheerleaders and this year each class had an area to decorate to add to the enthusiasm of the week. The dress days were dead day, sports day, twin day, Civil War day, and blue and white day. After school on Wednesday, the student council painted the streets. On Friday morning the students built floats which would appear in the afternoon parade. The theme of the parade was the "Civil War." Before the game, a pep rally was held. At half-time of the football game, Brian Penton and Angela Freeman were crowned King and Queen. The Jays were defeated by the South Page Rebels 16-14. Following the game, the Homecoming Dance was held in the armory. Homecoming '90 was a great success!

PARADISE PROM 1991

Are you working???

Prom 1991 was a huge success. Unlike the two years before us, the Juniors decided to have the Prom in the gym. We had a lot of fun putting together Prom, especially the decorating. The banquet was held at the Villisca Country Club and was catered by Jack-&-Jill. Music for Prom was provided by the AWESOME band "On the Fritz." We'd like to thank all of the people who helped us put together our Prom, especially our Sponsors and parents.

Are These Our Fearless Leaders?

This year the Student Council had a successful year. During Homecoming this year they painted the streets, helped with the parade, and sponsored the annual Homecoming Dance. They also sponsored a Multi-media assembly that dealt with self-esteem.

Before Christmas break the Student Council held a Christmas decoration contest and a class skit program. This group has been very busy and we hope that they accomplish even more in the years to come.

No, I Think The Science Club Did It!

Some Villisca science students participated in the 1991 Corner Conference Science Fair at Essex. Everyone who participated had an enjoyable learning experience. We all hope that the Science Club will help to create many scientific geniuses for the future.

Y-TEENS ARE ACTIVE

The 1990-91 Y-TEEN Club had a busy year. The year started off with an informal initiation on September 19 and formal initiation on September 26. October brought the UNICEF collection on the 30th. In November the Y-TEENS made and delivered Thanksgiving baskets. For the younger kids, the Y-TEENS held a kiddie party in December. Their next event was the Y-TEEN and FFA sweetheart dance, which was held in February. In March they were busy in preparations for the FFA Banquet. In May, Y-TEENS earning points went on a shopping trip to Omaha. The last event of the year was the Y-TEEN tea which was held May 8th. As you can see, the Y-TEENS are always on the go!

Alan speaks at FFA Banquet

The FFA Chapter had a very successful year. They had several service activities. Among these were sending supplies to our troops in the Persian Gulf, and serving a breakfast to our teachers and staff. At the State FFA Conference, the Chapter's Activities Exhibit received a gold. Shelly Waldron and Dee Spencer took part in the State Chorus and Alan Spencer got two golds and a silver. He was also on the State Nominating Committee. With 13 underclassmen, the FFA is promised future success.

National Honor Society Induction was held May 1, 1991 in the high school gymnasium. Six new members were inducted to join the five carry-over members. Bob Briggs, Roger Poston, Rev. Sandra Wainwright, Lee Haidsiak, and Ann Meyer were guest speakers.

Villisca students are eligible for consideration for membership in the National Honor Society on the basis of a cumulative grade average. All 10-12th grade students with a B (3.00) average meet the scholarship requirement. A five-member faculty council evaluated and selected the members for this year's Honor Society. The council based their evaluation on Leadership, Service, and Character.

Brian with Kaycee and Lester with Kaydee when they first learned to stand still at eight weeks of age.

W.C. Kaycee won Best Female of Show at Iowa State Championship, her first show at 7 months of age and Jamie's first showing.

W.C. Kaydee during a daily training session.

In 1981 the Walnut Creek (W.C.) Redbone Kennel became well known all over the United States as a result of the wins of National Grand Champion Walnut Creek Karyn. Now, ten years later, we have succeeded in creating her likeness in 2 young females — Walnut Creek Kaycee and Walnut Creek Kaydee. They were produced by mating Kalena, a grand daughter and great grand daughter of old Koke, with Lead, one of his great grandsons out of a different female. The genetic make up of these dogs is very complicated with the use of line breeding to obtain the best qualities of each dog involved.

Brian Penton, Kennel Manager, with Lead; Jamie Raney, trainer and handler with Keno; and Lester, Kennel owner, with Kujo. Kujo and Kuid are littermates to Kaycee and Kaydee.

Cody Winther, Kennel Manager Trainee, with W.C. Kody; Karyn's only living brother.

Cody with W.C. Lead and Lester with W.C. Kojak; the two main stud dogs in the kennel.

W.C. Bear and Lester ready to head out to Calhoun County with Dolly Parton to "Ketch us a Coon."
